The form and amount of the bond shall be established by rule of the department. The bond shall be conditioned to indemnify any prior owner and secured party and any subsequent purchaser of the all-terrain vehicle or person acquiring any security interest in the all-terrain vehicle, and their respective successors in interest, against any expense, loss, or damage, including reasonable attorney fees, by reason of the issuance of the certificate of title of the all-terrain vehicle or on account of any defect in or undisclosed security interest upon the right, title, and interest of the applicant in and to the all-terrain vehicle. Any such interested person has a right of action to recover on the bond for any breach of its conditions, but the aggregate liability of the surety to all persons shall not exceed the amount of the bond. The bond shall be returned at the end of three years or prior thereto if the all-terrain vehicle is no longer registered in this state and the certificate of title is surrendered to the department, unless the department has been notified of the pendency of an action to recover on the bond. 10. A motorcycle that has been issued a certificate of title pursuant to this section may be issued a title pursuant to chapter 321 upon proper application and surrender of the existing title. 2024 Iowa Code Title VIII - TRANSPORTATION Chapter 321J - OPERATING WHILE INTOXICATED Section 321J.10 - Tests pursuant to warrants.

321J.10 Tests pursuant to warrants. 1. Refusal to consent to a test under section 321J.6 does not prohibit the withdrawal of a specimen for chemical testing pursuant to a search warrant issued in the investigation of a suspected violation of section 707.5 or 707.6A if all of the following grounds exist: a. A traffic accident has resulted in a death or personal injury reasonably likely to cause death. b. There are reasonable grounds to believe that one or more of the persons whose driving may have been the proximate cause of the accident was violating section 321J.2 at the time of the accident. 2. Search warrants may be issued under this section in full compliance with chapter 808 or they may be issued under subsection 3. 3. Notwithstanding section 808.3, the issuance of a search warrant under this section may be based upon sworn oral testimony communicated by telephone if the magistrate who is asked to issue the warrant is satisfied that the circumstances make it reasonable to dispense with a written affidavit. The following shall then apply: a. When a caller applies for the issuance of a warrant under this section and the magistrate becomes aware of the purpose of the call, the magistrate shall place under oath the person applying for the warrant. b. The person applying for the warrant shall prepare a duplicate warrant and read the duplicate warrant, verbatim, to the magistrate who shall enter, verbatim, what is read to the magistrate on a form that will be considered the original warrant. The magistrate may direct that the warrant be modified. c. The oral application testimony shall set forth facts and information tending to establish the existence of the grounds for the warrant and shall describe with a reasonable degree of specificity the person or persons whose driving is believed to have been the proximate cause of the accident and from whom a specimen is to be withdrawn and the location where the withdrawal of the specimen or specimens is to take place. d. If a voice recording device is available, the magistrate may record by means of that device all of the call after the magistrate becomes aware of the purpose of the call. Otherwise, the magistrate shall cause a stenographic or longhand memorandum to be made of the oral testimony of the person applying for the warrant. e. If the magistrate is satisfied from the oral testimony that the grounds for the warrant exist or that there is probable cause to believe that they exist, the magistrate shall order the issuance of the warrant by directing the person applying for the warrant to sign the magistrate’s name on the duplicate warrant. The magistrate shall immediately sign the original warrant and enter on its face the exact time when the issuance was ordered. f. The person who executes the warrant shall enter the time of execution on the face of the duplicate warrant. g. The magistrate shall cause any record of the call made by means of a voice recording device to be transcribed, shall certify the accuracy of the transcript, and shall file the

transcript and the original record with the clerk. If a stenographic or longhand memorandum was made of the oral testimony of the person who applied for the warrant, the magistrate shall file a signed copy with the clerk. h. The clerk of court shall maintain the original and duplicate warrants along with the record of the telephone call and any transcript or memorandum made of the call in a confidential file until a charge, if any, is filed. 4. a. Search warrants issued under this section shall authorize and direct peace officers to secure the withdrawal of blood specimens by medical personnel under section 321J.11. Reasonable care shall be exercised to ensure the health and safety of the persons from whom specimens are withdrawn in execution of the warrants. b. If a person from whom a specimen is to be withdrawn objects to the withdrawal of blood, the warrant may be executed as follows: (1) If the person is capable of giving a specimen of breath, and a direct breath testing instrument is readily available, the warrant may be executed by the withdrawal of a specimen of breath for chemical testing, unless the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug. (2) If the testimony in support of the warrant sets forth facts and information that the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug, a urine sample shall be collected in lieu of a blood sample, if the person is capable of giving a urine sample and the sample can be collected without the need to physically compel the execution of the warrant. 5. The act of any person knowingly resisting or obstructing the withdrawal of a specimen pursuant to a search warrant issued under this section constitutes a contempt punishable by a fine not exceeding one thousand dollars or imprisonment in a county jail not exceeding one year or by both such fine and imprisonment. Also, if the withdrawal of a specimen is so resisted or obstructed, sections 321J.9 and 321J.16 apply. 6. Nonsubstantive variances between the contents of the original and duplicate warrants shall not cause a warrant issued under subsection 3 of this section to be considered invalid. 7. Specimens obtained pursuant to warrants issued under this section are not subject to disposition under section 808.9 or chapter 809 or 809A. 8. Subsections 1 through 7 of this section do not apply where a test may be administered under section 321J.7. 9. Medical personnel who use reasonable care and accepted medical practices in withdrawing blood specimens are immune from liability for their actions in complying with requests made of them pursuant to search warrants or pursuant to section 321J.11. 86 Acts, ch 1220, §10; 90 Acts, ch 1233, §21; 96 Acts, ch 1133, §44; 98 Acts, ch 1138, §18; 2021 Acts, ch 80, §184 Referred to in §321J.10A

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 321J - OPERATING WHILE INTOXICATED Section 321J.10A - Blood, breath, or urine specimen withdrawal without a warrant.

321J.10A Blood, breath, or urine specimen withdrawal without a warrant. 1. Notwithstanding section 321J.10, if a person is under arrest for an offense arising out of acts alleged to have been committed while the person was operating a motor vehicle in violation of section 321J.2 or 321J.2A, and that arrest results from an accident that causes a death or personal injury reasonably likely to cause death, a chemical test of blood may be administered without the consent of the person arrested to determine the amount of alcohol or a controlled substance in that person's blood if all of the following circumstances exist: a. The peace officer reasonably believes the blood drawn will produce evidence of intoxication. b. The method used to take the blood sample is reasonable and performed in a reasonable manner by medical personnel under section 321J.11. c. The peace officer reasonably believes the officer is confronted with an emergency situation in which the delay necessary to obtain a warrant under section 321J.10 threatens the destruction of the evidence. 2. If the person from whom a specimen of blood is to be withdrawn objects to the withdrawal, a breath or urine sample may be taken under the following circumstances: a. If the person is capable of giving a specimen of breath, and a direct breath testing instrument is readily available, the withdrawal of a specimen of the person's breath may be taken for chemical testing, unless the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug. b. If the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug, a urine sample shall be collected in lieu of a blood sample, if the person is capable of giving a urine sample and the sample can be collected. 2004 Acts, ch 1098, §1

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 321J - OPERATING WHILE INTOXICATED Section 321J.11 - Taking sample for test.

321J.11 Taking sample for test. 1. Only a licensed physician, licensed physician assistant as defined in section 148C.1, medical technologist, or registered nurse, acting at the request of a peace officer, may withdraw a specimen of blood for the purpose of determining the alcohol concentration or the presence of a controlled substance or other drugs. However, any peace officer, using devices and methods approved by the commissioner of public safety, may take a specimen of a person's breath or urine for the purpose of determining the alcohol concentration, or may take a specimen of a person's urine for the purpose of determining the presence of a controlled substance or other drugs. Only new equipment kept under strictly sanitary and sterile conditions shall be used for drawing blood. 2. The person may have an independent chemical test or tests administered at the person's own expense in addition to any administered at the direction of a peace officer. The failure or inability of the person to obtain an independent chemical test or tests does not preclude the admission of evidence of the results of the test or tests administered at the direction of the peace officer. Upon the request of the person who is tested, the results of the test or tests administered at the direction of the peace officer shall be made available to the person. 86 Acts, ch 1220, §11; 88 Acts, ch 1225, §26; 98 Acts, ch 1138, §19; 2018 Acts, ch 1041, §127 Referred to in §321J.10, 321J.10A

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 321J - OPERATING WHILE INTOXICATED Section 321J.12 - Test result revocation.

321J.12 Test result revocation. 1. Upon certification, subject to penalty for perjury, by the peace officer that there existed reasonable grounds to believe that the person had been operating a motor vehicle in violation of section 321J.2, that there existed one or more of the necessary conditions for chemical testing described in section 321J.6, subsection 1, and that the person submitted to chemical testing and the test results indicated the presence of a controlled substance or other drug, or an alcohol concentration equal to or in excess of the level prohibited by section 321J.2, or a combination of alcohol and another drug in violation of section 321J.2, the department shall revoke the person's driver's license or nonresident operating privilege for the following periods of time: a. One hundred eighty days if the person has had no revocation under this chapter. b. One year if the person has had a previous revocation under this chapter. 2. The department shall require the defendant to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles owned or operated by the defendant if the defendant seeks a temporary restricted license. However, if the defendant has had no previous conviction or revocation under this chapter, the department shall only require the defendant to install an approved ignition interlock device on all vehicles operated by the defendant if the defendant seeks a temporary restricted license. A temporary restricted license shall not be granted by the department until the defendant installs the ignition interlock device. 3. The effective date of the revocation shall be ten days after the department has mailed notice of revocation to the person by first class mail, notwithstanding chapter 17A. The peace officer who requested or directed the administration of the chemical test may, on behalf of the department, serve immediate notice of revocation on a person whose test results indicated the presence of a controlled substance or other drug, or an alcohol concentration equal to or in excess of the level prohibited by section 321J.2, or a combination of alcohol and another controlled substance or drug in violation of section 321J.2. 4. If the peace officer serves that immediate notice, the peace officer shall take the person's Iowa license or permit, if any, and issue a temporary license valid only for ten days. The peace officer shall immediately send the person's driver's license to the department along with the officer's certificate indicating that the test results indicated the presence of a controlled substance or other drug, or an alcohol concentration equal to or in excess of the level prohibited by section 321J.2. 5. Upon certification, subject to penalty of perjury, by the peace officer that there existed reasonable grounds to believe that the person had been operating a motor vehicle in violation of section 321J.2A, that there existed one or more of the necessary conditions for chemical testing described in section 321J.6, subsection 1, and that the person submitted to chemical testing and the test results indicated an alcohol concentration of .02 or more but less than .08, the department shall revoke the person's driver's license or operating privilege for a period of sixty days if the person has had no previous revocation under this chapter, and for a period of ninety days if the person has had a previous revocation under this chapter. 6. The results of a chemical test may not be used as the basis for a revocation of a person's driver's license or nonresident operating privilege if the alcohol or drug concentration indicated by the chemical test minus the established margin of error inherent in the device or method used to conduct the chemical test is not equal to or in excess of the level prohibited by section 321J.2 or 321J.2A. 86 Acts, ch 1220, §12; 95 Acts, ch 48, §17; 95 Acts, ch 143, §12; 96 Acts, ch 1090, §12; 97 Acts, ch 177, §15, 16; 98 Acts, ch 1073, §9; 98 Acts, ch 1138, §20; 2001 Acts, ch 32, §48; 2003 Acts, ch 60, §5, 6; 2003 Acts, ch 179, §123; 2010 Acts, ch 1097, §9; 2018 Acts, ch 1110, §6, 9; 2021 Acts, ch 80, §185; 2021 Acts, ch 98, §6 Referred to in §321.211A, 321J.2, 321J.2A, 321J.4, 321J.8, 321J.13, 321J.17, 915.80

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 321J - OPERATING WHILE INTOXICATED Section 321J.13 - Hearing on revocation — appeal.

321J.13 Hearing on revocation — appeal. 1. Notice of revocation of a person's noncommercial driver's license or operating privilege served pursuant to section 321J.9 or 321J.12 shall include a form accompanied by a preaddressed envelope on which the person served may indicate by a checkmark if the person only wishes to request a temporary restricted license, or if the person wishes a hearing to contest the revocation. The form shall clearly state on its face that the form must be completed and returned within ten days of receipt or the person's right to a hearing to contest the revocation is foreclosed. The form shall also be accompanied by a statement of the operation of and the person's rights under this chapter. 2. The department shall grant the person an opportunity to be heard within forty-five days of receipt of a request for a hearing if the request is made not later than ten days after receipt of notice of revocation served pursuant to section 321J.9 or 321J.12. The hearing shall be before the department in the county where the alleged events occurred, unless the director and the person agree that the hearing may be held in some other county, or the hearing may be held by telephone conference at the discretion of the agency conducting the hearing. The hearing may be recorded and its scope shall be limited to the issues of whether a peace officer had reasonable grounds to believe that the person was operating a motor vehicle in violation of section 321J.2 or 321J.2A and one or more of the following: a. Whether the person refused to submit to the test or tests. b. Whether a test was administered and the test results indicated an alcohol concentration equal to or in excess of the level prohibited under section 321J.2 or 321J.2A. c. Whether a test was administered and the test results indicated the presence of alcohol, a controlled substance or other drug, or a combination of alcohol and another drug, in violation of section 321J.2. 3. After the hearing the department shall order that the revocation be either rescinded or sustained. Upon receipt of the decision of the department to sustain a revocation, the person contesting the revocation has ten days to file a request for review of the decision by the director. The director or the director's designee shall review the decision within thirty days and shall either rescind or sustain the revocation or order a new hearing. If the director orders a new hearing, the department shall grant the person a new hearing within twenty days of the director's order. 4. The department shall stay the revocation of a person's driver's license or

operating privilege for the period that the person is contesting the revocation under this section or section 321J.14 if it is shown to the satisfaction of the department that the new evidence is material and that there were valid reasons for failure to present it in the contested case proceeding before the department. However, a stay shall not be granted for violations of section 321J.2A. 5. If the department fails to comply with the time limitations of this section regarding granting a hearing, review by the director or the director's designee, or granting a new hearing, and if the request for a hearing or review by the director was properly made under this section, the revocation of the driver's license or operating privilege of the person who made the request for a hearing or review shall be rescinded. This subsection shall not apply in those cases in which a continuance to the hearing has been granted at the request of either the person who requested the hearing or the peace officer who requested or administered the chemical test. 6. a. The department shall grant a request for a hearing to rescind the revocation if the person whose motor vehicle license or operating privilege has been or is being revoked under section 321J.9 or 321J.12 submits a petition containing information relating to the discovery of new evidence that provides grounds for rescission of the revocation. b. The person shall prevail at the hearing if, in the criminal action on the charge of violation of section 321J.2 or 321J.2A resulting from the same circumstances that resulted in the administrative revocation being challenged, the court held one of the following: (1) That the peace officer did not have reasonable grounds to believe that a violation of section 321J.2 or 321J.2A had occurred to support a request for or to administer a chemical test. (2) That the chemical test was otherwise inadmissible or invalid. c. Such a holding by the court in the criminal action is binding on the department, and the department shall rescind the revocation. If the offense for which the revocation was imposed was committed while the person was operating a noncommercial motor vehicle and holding a commercial driver's license or commercial learner's permit and the department disqualified the person from operating a commercial motor vehicle under section 321.208, subsection 2, paragraph "a" or "b", as a result of the revocation, the department shall also rescind the disqualification. 86 Acts, ch 1220, §13; 87 Acts, ch 148, §1; 88 Acts, ch 1109, §23; 88 Acts, ch 1214, §2; 89 Acts, ch 83, §46; 95 Acts, ch 48, §18; 97 Acts, ch 104, §30, 31; 98 Acts, ch 1073, §9; 98 Acts, ch 1138, §21; 99 Acts, ch 13, §22, 29; 2000 Acts, ch 1133, §16; 2009 Acts, ch 130, §15, 18; 2015 Acts, ch 123, §72; 2018 Acts, ch 1110, §7, 9 Referred to in §321A.17

321J.15 Evidence in any action. Upon the trial of a civil or criminal action or proceeding arising out of acts alleged to have been committed by a person while operating a motor vehicle in violation of section 321J.2 or 321J.2A, evidence of the alcohol concentration or the presence of a controlled substance or other drugs in the person's body at the time of the act alleged as shown by a chemical analysis of the person's blood, breath, or urine is admissible. If it is established at trial that an analysis of a breath specimen was performed by a certified operator using a device intended to determine alcohol concentration and methods approved by the commissioner of public safety, no further foundation is necessary for introduction of the evidence. 86 Acts, ch 1220, §15; 95 Acts, ch 48, §19; 98 Acts, ch 1138, §22; 2008 Acts, ch 1032, §49

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 321J - OPERATING WHILE INTOXICATED Section 321J.17 - Civil penalty — disposition — conditions for license reinstatement.

321J.17 Civil penalty — disposition — conditions for license reinstatement. 1. If the department revokes a person's driver's license or nonresident operating privilege under this chapter, the department shall assess the person a civil penalty of two hundred dollars. The money collected by the department under this section shall be transmitted to the treasurer of state who shall deposit one-half of the money in the separate fund established in section 915.94 and one-half of the money in the general fund of the state. A temporary restricted license shall not be issued unless an ignition interlock device has been installed pursuant to section 321J.4. Except as provided in section 321.210B, a temporary restricted license shall not be issued or a driver's license or nonresident operating privilege reinstated until the civil penalty has been paid. A person assessed a penalty under this section may remit the civil penalty along with a processing fee of five dollars to a county treasurer authorized to issue driver's licenses under chapter 321M, or the civil penalty may be paid directly to the department. 2. a. If the department or a court orders the revocation of a person's driver's license or nonresident operating privilege under this chapter, the department or court shall also order the person, at the person's own

expense, to do the following: (1) Enroll, attend, and satisfactorily complete a course for drinking drivers, as provided in section 321J.22. (2) Submit to evaluation and treatment or rehabilitation services. b. The court or department may request that the community college or substance use disorder treatment providers licensed under chapter 125 or other approved provider conducting the course for drinking drivers that the person is ordered to attend immediately report to the court or department that the person has successfully completed the course for drinking drivers. The court or department may request that the treatment program which the person attends periodically report on the defendant's attendance and participation in the program, as well as the status of treatment or rehabilitation. c. A driver's license or nonresident operating privilege shall not be reinstated until proof of completion of the requirements of this subsection is presented to the department. 3. The department shall also require certification of installation of an ignition interlock device of a type approved by the commissioner of public safety on all motor vehicles owned or operated by any person seeking reinstatement following a second or subsequent revocation under section 321J.4, 321J.9, or 321J.12. The requirement for the installation of an approved ignition interlock device shall be for one year from the date of reinstatement unless a longer time period is required by statute. The one-year period a person is required to maintain an ignition interlock device under this subsection shall be reduced by any period of time the person held a valid temporary restricted license during the period of the revocation for the occurrence from which the arrest arose. The person shall not operate any motor vehicle which is not equipped with an approved ignition interlock device during the period in which an ignition interlock device must be maintained, and the department shall not grant reinstatement unless the person certifies installation of an ignition interlock device as required in this subsection. 86 Acts, ch 1220, §17; 87 Acts, ch 232, §24; 87 Acts, ch 234, §113; 89 Acts, ch 317, §37; 91 Acts, ch 258, §50; 93 Acts, ch 110, §1; 95 Acts, ch 143, §6; 97 Acts, ch 177, §17; 98 Acts, ch 1073, §9; 98 Acts, ch 1075, §25; 98 Acts, ch 1090, §67, 84; 2000 Acts, ch 1118, §2; 2002 Acts, ch 1119, §155; 2008 Acts, ch 1018, §25, 31; 2010 Acts, ch 1097, §10; 2011 Acts, ch 20, §16; 2013 Acts, ch 103, §15; 2014 Acts, ch 1092, §85; 2023 Acts, ch 19, §1072 Referred to in §321.210B, 321J.3, 321J.20, 321J.22, 321M.9, 331.557A Subsection 2, paragraph b amended

321J.2 Operating while under the influence of alcohol or a drug or while having an alcohol concentration of .08 or more (OWI). 1. A person commits the offense of operating while intoxicated if the person operates a motor vehicle in this state in any of the following conditions: a. While under the influence of an alcoholic beverage or other drug or a combination of such substances. b. While having an alcohol concentration of .08 or more. c. While any amount of a controlled substance is present in the person, as measured in the person's blood or urine. 2. A person who violates subsection 1 commits: a. A serious misdemeanor for the first offense. b. An aggravated misdemeanor for a second offense. c. A class "D" felony for a third offense and each subsequent offense. 3. A first offense is punishable by all of the following: a. A minimum period of imprisonment in the county jail of forty-eight hours, but not to exceed one year, to be served as ordered by the court, less credit for any time the person was confined in a jail or detention facility

following arrest or for any time the person spent in a court-ordered operating-while-intoxicated program that provides law enforcement security. However, the court, in ordering service of the sentence and in its discretion, may accommodate the defendant's work schedule. b. (1) With the consent of the defendant, the court may defer judgment pursuant to section 907.3 and may place the defendant on probation upon conditions as it may require. Upon a showing that the defendant is not fulfilling the conditions of probation, the court may revoke probation and impose any sentence authorized by law. Before taking such action, the court shall give the defendant an opportunity to be heard on any matter relevant to the proposed action. Upon violation of the conditions of probation, the court may proceed as provided in chapter 908. Upon fulfillment of the conditions of probation and the payment of fees imposed and not waived by the judicial district department of correctional services under section 905.14, the defendant shall be discharged without entry of judgment. (2) A person is not eligible for a deferred judgment under section 907.3 if the person has been convicted of a violation of this section or the person's driver's license has been revoked under this chapter, and any of the following apply: (a) If the defendant's alcohol concentration established by the results of an analysis of a specimen of the defendant's blood, breath, or urine withdrawn in accordance with this chapter exceeds .15, regardless of whether or not the alcohol concentration indicated by the chemical test minus the established margin of error inherent in the device or method used to conduct the test equals an alcohol concentration of .15 or more. (b) If the defendant has previously been convicted of a violation of subsection 1 or a statute in another state substantially corresponding to subsection 1. (c) If the defendant has previously received a deferred judgment or sentence for a violation of subsection 1 or for a violation of a statute in another state substantially corresponding to subsection 1. (d) If the defendant refused to consent to testing requested in accordance with section 321J.6. (e) If the offense under this chapter results in bodily injury to a person other than the defendant. (f) If the offense was committed while also in violation of section 321.279, subsection 2. c. Assessment of a fine of one thousand two hundred fifty dollars. However, in the discretion of the court, if no personal or property injury has resulted from the defendant's actions, the court may waive up to six hundred twenty-five dollars of the fine when the defendant presents to the court a temporary restricted license issued pursuant to section 321J.20. (1) Upon the entry of a deferred judgment, a civil penalty shall be assessed as provided in section 907.14 in an amount not less than the amount of the criminal fine authorized pursuant to this paragraph "c". (2) As an alternative to a portion or all of the fine, the court may order the person to perform unpaid community service. However, the court shall not order the person to perform unpaid community service in lieu of a civil penalty or victim restitution. Surcharges and fees shall also be assessed pursuant to chapter 911. d. Revocation of the person's driver's license for a minimum period of one hundred eighty days up to a maximum revocation period of one year, pursuant to section 321J.4, subsection 1, section 321J.9, or section 321J.12. The department shall require the defendant to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles operated by the defendant if the defendant seeks a temporary restricted license. e. Assignment to substance use disorder evaluation and treatment, a course for drinking drivers, and, if available and appropriate, a reality education substance use disorder prevention program pursuant to section 321J.24. 4. Assessment of a minimum fine of one thousand eight hundred seventy-five dollars and a maximum fine of six thousand two hundred fifty dollars. Surcharges and fees shall be assessed pursuant to chapter 911. c. Revocation of the defendant's driver's license for a period of one year, if a revocation occurs pursuant to section 321J.12, subsection 1. If a revocation occurs due to test refusal under section 321J.9, or pursuant to section 321J.4, subsection 2, the defendant's license shall be revoked for a period of two years. d. Assignment to substance use disorder evaluation and treatment, a course for drinking drivers, and, if available and appropriate, a reality education substance use disorder prevention program pursuant to section 321J.24. 5. A third or subsequent offense is punishable by all of the following: a. Commitment to the custody of the director of the department of corrections for an indeterminate term not to exceed five years, with a mandatory minimum term of thirty days. (1) If the court does not suspend a person's sentence of commitment to the custody of the director of the department of corrections under this paragraph "a", the person shall be assigned to a facility pursuant to section 904.513. (2) If the court suspends a person's sentence of commitment to the custody of the director of the department of corrections under this paragraph "a", the court shall order the person to serve not less than thirty days nor more than one year in the county jail, and the person may be committed to treatment in the community under section 907.6. b. Surcharges and fees shall be assessed pursuant to chapter 911. c. Revocation of the person's driver's license for a period of six years pursuant to section 321J.4, subsection 4. d. Assignment to substance use disorder evaluation and treatment, a course for drinking drivers, and, if available and appropriate, a reality education substance use disorder prevention program pursuant to section 321J.24. e. Notwithstanding the maximum sentence set forth in paragraph "a", a person convicted of a third or subsequent offense may be sentenced as an habitual offender pursuant to sections 902.8 and 902.9 if the person qualifies as an habitual offender as described in section 902.8. 6. To the extent that section 907.3 allows, the court may impose additional sentencing terms and conditions. 7. a. All persons convicted of an offense under subsection 2 shall be ordered, at the person's expense, to undergo, prior to sentencing, a substance use disorder evaluation. The court shall order the person to follow the recommendations proposed in the substance use disorder evaluation as provided in section 321J.3. b. Where the program is available and is appropriate for the convicted person, a person convicted of an offense under subsection 2 shall be ordered to participate in a reality education substance use disorder prevention program as provided in section 321J.24. c. A minimum term of imprisonment in a county jail or community-based correctional facility imposed on a person convicted of a second or subsequent offense under subsection 2, paragraph "b" or "c" shall be served on consecutive days. However, if the sentencing court finds that service of the full minimum term on consecutive days would work an undue hardship on the person, or finds that sufficient jail space is not available and is not

reasonably expected to become available within four months after sentencing to incarcerate the person serving the minimum sentence on consecutive days, the court may order the person to serve the minimum term in segments of at least forty-eight hours and to perform a specified number of hours of unpaid community service as deemed appropriate by the sentencing court. 8. In determining if a violation charged is a second or subsequent offense for purposes of criminal sentencing or license revocation under this chapter: a. Any conviction or revocation deleted from motor vehicle operating records pursuant to section 321.12 shall not be considered as a previous offense. b. Deferred judgments entered pursuant to section 907.3 for violations of this section shall be counted as previous offenses. c. Convictions or the equivalent of deferred judgments for violations in any other states under statutes substantially corresponding to this section shall be counted as previous offenses. The courts shall judicially notice the statutes of other states which define offenses substantially equivalent to the one defined in this section and can therefore be considered corresponding statutes. Each previous violation on which conviction or deferral of judgment was entered prior to the date of the violation charged shall be considered and counted as a separate previous offense. 9. A person shall not be convicted and sentenced for more than one violation of this section for actions arising out of the same event or occurrence, even if the event or occurrence involves more than one of the conditions specified in subsection 1. 10. The clerk of the district court shall immediately certify to the department a true copy of each order entered with respect to deferral of judgment, deferral of sentence, or pronouncement of judgment and sentence for a defendant under this section. 11. a. This section does not apply to a person operating a motor vehicle while under the influence of a drug if the substance was prescribed for the person and was taken under the prescription and in accordance with the directions of a medical practitioner as defined in chapter 155A or if the substance was dispensed by a pharmacist without a prescription pursuant to the rules of the board of pharmacy, if there is no evidence of the consumption of alcohol and the medical practitioner or pharmacist had not directed the person to refrain from operating a motor vehicle. b. When charged with a violation of subsection 1, paragraph “c”, a person may assert, as an affirmative defense, that the controlled substance present in the person’s blood or urine was prescribed or dispensed for the person and was taken in accordance with the directions of a practitioner and the labeling directions of the pharmacy, as that person and place of business are defined in section 155A.3. 12. In any prosecution under this section, evidence of the results of analysis of a specimen of the defendant’s blood, breath, or urine is admissible upon proof of a proper foundation. a. The alcohol concentration established by the results of an analysis of a specimen of the defendant’s blood, breath, or urine withdrawn within two hours after the defendant was driving or in physical control of a motor vehicle is presumed to be the alcohol concentration at the time of driving or being in physical control of the motor vehicle. b. The presence of a controlled substance or other drug established by the results of analysis of a specimen of the defendant’s blood or urine withdrawn within two hours after the defendant was driving or in physical control of a motor vehicle is presumed to show the presence of such controlled substance or other drug in the defendant at the time of driving or being in physical control of the motor vehicle. c. The department of public safety shall adopt nationally accepted standards for determining detectable levels of controlled substances in the division of criminal investigation’s initial laboratory screening test for controlled substances. 13. a. In addition to any fine or penalty imposed under this chapter, the court shall order a defendant convicted of or receiving a deferred judgment for a violation of this section to make restitution for damages resulting directly from the violation, to the victim, pursuant to chapter 910. An amount paid pursuant to this restitution order shall be credited toward any adverse judgment in a subsequent civil proceeding arising from the same occurrence. However, other than establishing a credit, a restitution proceeding pursuant to this section shall not be given evidentiary or preclusive effect in a subsequent civil proceeding arising from the same occurrence. b. The court may order restitution paid to any public agency for the costs of the emergency response resulting from the actions constituting a violation of this section, not exceeding five hundred dollars per public agency for each such response. For the purposes of this paragraph, “emergency response” means any incident requiring response by fire fighting, law enforcement, ambulance, medical, or other emergency services. A public agency seeking such restitution shall consult with the county attorney regarding the expenses incurred by the public agency, and the county attorney may include the expenses in the statement of pecuniary damages pursuant to section 910.3. 14. 2024 Iowa Code Title VIII - TRANSPORTATION Chapter 321J - OPERATING WHILE INTOXICATED Section 321J.23 - Legislative findings.

321J.23 Legislative findings. The general assembly finds and declares as follows: 1. Drivers often do not realize the consequences of drinking alcohol or using other drugs, and driving a motor vehicle. 2. Prompt intervention is needed to protect society, including drivers, from death or serious long-term injury. 3. The conviction of a driver for operating while intoxicated identifies that person as a risk to the health and safety of others, as well as to the intoxicated driver. 4. Close observation of the effects on others of alcohol and drug use by an intoxicated driver convicted of operating while intoxicated may have a marked effect on recidivism and should therefore be encouraged by the courts. 5. The reality education substance use disorder prevention program provides guidelines for the operation of an intensive program to discourage recidivism. 92 Acts, ch 1231, §45; 2023 Acts, ch 19, §1074 Subsection 5 amended

321J.4 Revocation of license — ignition interlock devices — temporary restricted license. 1. If a defendant is convicted of a violation of section 321J.2 and the defendant's driver's license or nonresident operating privilege has not been revoked under section 321J.9 or 321J.12 for the occurrence from which the arrest arose, the department shall revoke the defendant's driver's license or nonresident operating privilege for one hundred eighty days if the defendant submitted to chemical testing and has had no previous conviction or revocation under this chapter and shall revoke the defendant's driver's license or nonresident operating privilege for one year if the defendant refused to submit to chemical testing and has had no previous conviction or revocation under this chapter. The department shall require the defendant to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles operated by the defendant if the defendant seeks a temporary restricted license. 2. If a defendant is convicted of a violation of section 321J.2, and the defendant's driver's license or nonresident operating privilege has not already been revoked under section 321J.9 or 321J.12 for the occurrence from which the arrest arose, the department shall revoke the defendant's driver's license or nonresident operating privilege for one year if the defendant submitted to chemical testing and has had a previous conviction or revocation under this chapter and shall revoke the defendant's driver's license or nonresident operating privilege for two years if the defendant refused to submit to chemical testing and has had a previous revocation under this chapter. The department shall require the defendant to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles owned or operated by the defendant if the defendant seeks a temporary restricted license. A temporary restricted license shall not be granted by the department until the defendant installs the ignition interlock device. 3. If the court defers judgment pursuant to section 907.3 for a violation of section 321J.2, and if the defendant's driver's license or nonresident operating privilege has not been revoked under section 321J.9 or 321J.12, or has not otherwise been revoked for the occurrence from which the arrest arose, the department shall revoke the defendant's driver's license or nonresident operating privilege for a period of not less than thirty days nor more than ninety days. The department shall require the defendant to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles operated by the defendant if the defendant seeks a temporary restricted license. 4. Upon a plea or verdict of guilty of a third or subsequent violation of section 321J.2, the department shall revoke the defendant's driver's license or nonresident operating privilege for a period of six years. The department shall require the defendant to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles owned or operated by the defendant if the defendant seeks a temporary restricted license. A temporary restricted license shall not be granted by the department until the defendant installs the ignition interlock device. 5. Upon a plea or verdict of guilty of a violation of section 321J.2 which involved a personal injury, the court shall determine in open court, from consideration of the information in the file and any other evidence the parties may submit, whether a serious injury was sustained by any person other than the defendant and, if so, whether the defendant's conduct in violation of section 321J.2 caused the serious injury. If the court so determines, the court shall order the department to revoke the defendant's driver's license or nonresident operating privilege for a period of one year in addition to any other period of suspension or revocation. The defendant shall surrender to the court any Iowa license or permit and the court shall forward it to the department with a copy of the order for revocation. 6. Upon a plea or verdict of guilty of a

violation of section 321J.2 which involved a death, the court shall determine in open court, from consideration of the information in the file and any other evidence the parties may submit, whether a death occurred and, if so, whether the defendant's conduct in violation of section 321J.2 caused the death. If the court so determines, the court shall order the department to revoke the defendant's driver's license or nonresident operating privilege for a period of six years. The defendant shall not be eligible for any temporary restricted license for at least two years after the revocation. The defendant shall surrender to the court any Iowa license or permit and the court shall forward it to the department with a copy of the order for revocation. 7. If a license or permit to operate a motor vehicle is revoked or denied under this section or section 321J.9 or 321J.12, the period of revocation or denial shall be the period provided for such a revocation or until the defendant reaches the age of eighteen whichever period is longer. 8. a. On a conviction for or as a condition of a deferred judgment for a violation of section 321J.2, the court may order the defendant to install ignition interlock devices of a type approved by the commissioner of public safety on all motor vehicles owned or operated by the defendant which, without tampering or the intervention of another person, would prevent the defendant from operating the motor vehicle with an alcohol concentration greater than a level set by rule of the commissioner of public safety. However, if the defendant has had no previous conviction or revocation under this chapter, the court's order shall require the defendant to install approved ignition interlock devices only on all motor vehicles operated by the defendant. b. The commissioner of public safety shall adopt rules to approve certain ignition interlock devices and the means of installation of the devices, and shall establish the level of alcohol concentration beyond which an ignition interlock device will not allow operation of the motor vehicle in which it is installed. c. The order to install ignition interlock devices shall remain in effect for a period of time as determined by the court which shall not exceed the maximum term of imprisonment which the court could have imposed according to the nature of the violation. While the order is in effect, the defendant shall not operate a motor vehicle which does not have an approved ignition interlock device installed. d. If the defendant's driver's license or nonresident operating privilege has been revoked, the department shall not issue a temporary permit or a driver's license to the person without certification that approved ignition interlock devices have been installed on all motor vehicles owned or operated by the defendant while the order is in effect. However, if the defendant has had no previous conviction or revocation under this chapter, the department shall require certification that approved ignition interlock devices have been installed only on all motor vehicles operated by the defendant. e. A defendant who fails within a reasonable time to comply with an order to install an approved ignition interlock device may be declared in contempt of court and punished accordingly. f. A person who tampers with or circumvents an ignition interlock device installed under a court order while an order is in effect commits a serious misdemeanor. 86 Acts, ch 1220, §4; 88 Acts, ch 1168, §1; 90 Acts, ch 1230, §84; 92 Acts, ch 1212, §29; 95 Acts, ch 48, §8 – 10; 95 Acts, ch 55, §12; 96 Acts, ch 1090, §9 – 11; 96 Acts, ch 1152, §22; 97 Acts, ch 177, §8 – 11; 98 Acts, ch 1073, §9, 12; 98 Acts, ch 1138, §4, 36, 37; 2000 Acts, ch 1133, §15; 2000 Acts, ch 1138, §3; 2003 Acts, ch 60, §3; 2003 Acts, ch 179, §121, 122; 2007 Acts, ch 143, §21; 2009 Acts, ch 130, §13; 2010 Acts, ch 1097, §4 – 7; 2018 Acts, ch 1110, §4, 9; 2021 Acts, ch 98, §3, 4 Referred to in §321.213, 321J.2, 321J.17, 321J.20 For provisions relating to third offense OWI driver's license revocations and restoration of driving privileges, see 99 Acts, ch 153, §25

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 321J - OPERATING WHILE INTOXICATED Section 321J.4B - Motor vehicle impoundment or immobilization — penalty — liability of vehicle owner.

321J.4B Motor vehicle impoundment or immobilization — penalty — liability of vehicle owner. 1. For purposes of this section: a. "Immobilized" means the installation of a device in a motor vehicle that completely prevents a motor vehicle from being operated, or the installation of an ignition interlock device of a type approved by the commissioner of public safety. b. "Impoundment" means the process of seizure and confinement within an enclosed area of a motor vehicle, for the purpose of restricting access to the vehicle. c. "Owner" means the registered titleholder of a motor vehicle; except in the case where a rental or leasing agency is the registered titleholder, in which case the lessee of the vehicle shall be treated as the owner of the vehicle for purposes of this section. 2. a. A motor vehicle is subject to impoundment in the following circumstances: (1) If a person operates a vehicle in violation of section 321J.2, and if convicted for that conduct, the conviction would be a second or subsequent offense under section 321J.2. (2) If a person operates a vehicle while that person's driver's license or operating privilege has been suspended, denied, revoked, or barred due to a violation of section 321J.2. b. The clerk of court shall send notice of a conviction of an offense for which the vehicle was impounded to the impounding authority upon conviction of the defendant for such offense. c. Impoundment of the vehicle under this section may occur in addition to any criminal penalty imposed under chapter 321 or this chapter for the underlying criminal offense. 3. The motor vehicle operated by the person in the commission of any offense included in subsection 2 may be immediately impounded or immobilized in accordance with this section. a. A person or agency taking possession of an impounded or immobilized motor vehicle shall do the following: (1) Make an inventory of any property contained in the vehicle, according to the agency's inventory procedure. The agency responsible for the motor vehicle shall also deliver a copy of the inventory to the county attorney. (2) Contact all rental or leasing agencies registered as owners of the vehicle, as well as any parties registered as holders of a secured interest in the vehicle, in accordance with subsection 12. b. The county attorney shall file a copy of the inventory with the district court as part of each file related to criminal charges filed under this section. 4. An owner of a motor vehicle impounded or immobilized under this section, who knows of, should have known of, or gives consent to the operation of, the motor vehicle in violation of subsection 2, paragraph "a", subparagraph (2), shall be: a. Guilty of a simple misdemeanor, and b. Jointly and severally liable for any damages caused by the person who operated the motor vehicle, subject to the provisions of chapter 668. 5. a. The following persons shall be entitled to immediate return of the motor vehicle without payment of costs associated with the impoundment or immobilization of the vehicle: (1) The owner of the motor vehicle, if the person who operated the motor vehicle is

not a co-owner of the motor vehicle. (2) A motor vehicle rental or leasing agency that owns the vehicle. (3) A person who owns the motor vehicle and who is charged but is not convicted of the violation of section 321.218, 321.561, 321A.32, 321J.2, or 321J.21, which resulted in the impoundment or immobilization of the motor vehicle under this section. b. Upon conviction of the defendant for a violation of subsection 2, paragraph "a", subparagraph (1), the court may order continued impoundment, or the immobilization, of the motor vehicle used in the commission of the offense, if the convicted person is the owner of the motor vehicle, and shall specify all of the following in the order: (1) The motor vehicle that is subject to the order. (2) The period of impoundment or immobilization. (3) The person or agency responsible for carrying out the order requiring continued impoundment, or the immobilization, of the motor vehicle. c. If the vehicle subject to the order is in the custody of a law enforcement agency, the court shall designate that agency as the responsible agency. If the vehicle is not in the custody of a law enforcement agency, the person or agency responsible for carrying out the order shall be any person deemed appropriate by the court, including but not limited to a law enforcement agency with jurisdiction over the area in which the residence of the vehicle owner is located. The person or agency responsible for carrying out the order shall determine whether the motor vehicle shall be impounded or immobilized. d. The period of impoundment or immobilization of a motor vehicle under this section shall be the period of license revocation imposed upon the person convicted of the offense or one hundred eighty days, whichever period is longer. The impoundment or immobilization period shall commence on the day that the vehicle is first impounded or immobilized. e. The clerk of the district court shall send a copy of the order to the department, the person convicted of the offense, the person or agency responsible for executing the order for impoundment or immobilization, and any holders of any security interests in the vehicle. f. (1) If the vehicle subject to the court order is not in the custody of a law enforcement agency, the person or agency designated in the order as the person or agency responsible for executing the order shall, upon receipt of the order, promptly locate the vehicle specified in the order, seize the motor vehicle and the license plates, and send or deliver the vehicle's license plates to the department. (2) If the vehicle is located at a place other than the place at which the court order is to be carried out, the person or agency responsible for executing the order shall arrange for the vehicle to be moved to the place of impoundment or immobilization. When the vehicle is found, is impounded or immobilized, and is at the place of impoundment or immobilization, the person or agency responsible for executing the order shall notify the clerk of the date on which the order was executed. The clerk shall notify the department of the date on which the order was executed. g. Upon receipt of a court order for continued impoundment or immobilization of the motor vehicle, the agency shall review the value of the vehicle in relation to the costs associated with the period of impoundment of the motor vehicle specified in the order. If the agency determines that the costs of impoundment of the motor vehicle exceed the actual wholesale value of the motor vehicle, the agency may treat the vehicle as an abandoned vehicle pursuant to section 321.89. If the agency elects to treat the motor vehicle as abandoned, the agency shall notify the registered owner of the motor vehicle that the vehicle shall be deemed abandoned and shall be sold in the manner provided in section 321.89 if payment of the total cost of impoundment is not received within twenty-one days of the mailing of the notice. The agency shall provide documentation regarding the valuation of the vehicle and the costs of impoundment. This paragraph shall not apply to vehicles that are immobilized pursuant to this section or if subsection 12, paragraph "a", subparagraph (1) or (2), applies. 6. Upon conviction of the defendant for a second or subsequent violation of subsection 2, paragraph "a", subparagraph (2), the court shall order, if the convicted person is the owner of the motor vehicle used in the commission of the offense, that that motor vehicle be seized and forfeited to the state pursuant to chapters 809 and 809A. 7. a. Upon receipt of a notice of conviction of the defendant for a violation of subsection 2, the impounding authority shall seize the motor vehicle's license plates and registration, and shall send or deliver them to the department. b. The department shall destroy license plates received under this section and shall not authorize the release of the vehicle or the issuance of new license plates for the vehicle until the period of impoundment or immobilization has expired, and the fee and costs assessed under subsection 10 have been paid. The fee for issuance of new license plates and certificates of registration shall be the same as for the replacement of lost, mutilated, or destroyed license plates and certificates of registration. 8. a. Upon conviction for a violation of subsection 2, the court shall assess the defendant, in addition to any other penalty, a fee of one hundred dollars plus the cost of any expenses for towing, storage, and any other costs of impounding or immobilizing the motor vehicle, to be paid to the clerk of the district court. b. The person or agency responsible for impoundment or immobilization under this section shall inform the court of the costs of towing, storage, and any other costs of impounding or immobilizing the motor vehicle. Upon payment of the fee and costs, the clerk shall forward a copy of the receipt to the department. c. If a law enforcement agency impounds or immobilizes a motor vehicle, the amount of the fee and expenses deposited with the clerk shall be paid by the clerk to the law enforcement agency responsible for executing the order to reimburse the agency for costs incurred for impoundment or immobilization equipment and, if required, in sending officers to search for and locate the vehicle specified in the impoundment or immobilization order. 9. Operating a motor vehicle on a street or highway in this state in violation of an order of impoundment or immobilization is a serious misdemeanor. A motor vehicle which is subject to an order of impoundment or immobilization that is operated on a street or highway in this state in violation of the order shall be seized and forfeited to the state under chapters 809 and 809A. 10. Once the period of impoundment or immobilization has expired, the owner of the motor vehicle shall have thirty days to claim the motor vehicle and pay all fees and charges imposed under this section. If the owner or the owner's designee has not claimed the vehicle and paid all fees and charges imposed under this section within seven days from the date of expiration of the period, the clerk shall send written notification to the motor vehicle owner, at the owner's last known address, notifying the owner of the date of expiration of the period of impoundment or immobilization and of the period in which the motor vehicle must be claimed. If the motor vehicle owner fails to claim the motor vehicle and pay all fees and charges imposed within the thirty-day period, the motor vehicle shall be forfeited to the state under chapters 809 and 809A. 11. a. (1) During the period of impoundment or immobilization the owner of an

impounded or immobilized vehicle shall not sell or transfer the title of the motor vehicle which is subject to the order of impoundment or immobilization. (2) A person convicted of an offense under subsection 2 shall not purchase or register any motor vehicle during the period of impoundment, immobilization, or license revocation. b. If, during the period of impoundment or immobilization, the title to the motor vehicle which is the subject of the order is transferred by the foreclosure of a chattel mortgage, a sale upon execution, the cancellation of a conditional sales contract, or an order of a court, the court which enters the order that permits transfer of the title shall notify the department of the transfer of the title. The department shall enter notice of the transfer of the title to the motor vehicle in the previous owner's vehicle registration record. c. Violation of paragraph "a" is a serious misdemeanor. 12. a. Notwithstanding other requirements of this section: (1) Upon learning the address or phone number of a rental or leasing company which owns a motor vehicle impounded or immobilized under this section, the peace officer, county attorney, or attorney general shall immediately contact the company to inform the company that the vehicle is available for return to the company. (2) The holder of a security interest in a vehicle which is impounded or immobilized pursuant to this section or forfeited in the manner provided in chapters 809 and 809A shall be notified of the impoundment, immobilization, or forfeiture within seventy-two hours of the seizure of the vehicle and shall have the right to claim the motor vehicle without payment of any fees or surcharges unless the value of the vehicle exceeds the value of the security interest held by the creditor. (3) Any of the following persons may make application to the court for permission to operate a motor vehicle, which is impounded or immobilized pursuant to this section, during the period of impoundment or immobilization, if the applicant's driver's license or operating privilege has not been suspended, denied, revoked, or barred, and an ignition interlock device of a type approved by the commissioner of public safety is installed in the motor vehicle prior to operation: (a) A person, other than the person who committed the offense which resulted in the impoundment or immobilization, who is not a member of the immediate family of the person who committed the offense but is a joint owner of the motor vehicle. (b) A member of the immediate family of the person who committed the offense which resulted in the impoundment or immobilization, if the member demonstrates that the motor vehicle that is subject to the order for impoundment or immobilization is the only motor vehicle possessed by the family. b. For purposes of this section, "a member of the immediate family" means a spouse, child, or parent of the person who committed the offense. 13. The impoundment, immobilization, or forfeiture of a motor vehicle under this chapter does not constitute loss of use of a motor vehicle for purposes of any contract of insurance. 95 Acts, ch 48, §11; 95 Acts, ch 143, §5; 96 Acts, ch 1133, §42, 43; 97 Acts, ch 177, §12; 98 Acts, ch 1073, §9; 2010 Acts, ch 1061, §180; 2010 Acts, ch 1069, §103 – 106 Referred to in §321.89, 809A.3

321J.5 Preliminary screening test. 1. When a peace officer has reasonable grounds to believe that either of the following have occurred, the peace officer may request that the operator provide a sample of the operator's breath for a preliminary screening test using a device approved by the commissioner of public safety for that purpose: a. A motor vehicle operator may be violating or has violated section 321J.2 or 321J.2A. b. The operator has been involved in a motor vehicle collision resulting in injury or death. 2. The results of this preliminary screening test may be used for the purpose of deciding whether an arrest should be made or whether to request a chemical test authorized in this chapter, but shall not be used in any court action except to prove that a chemical test was properly requested of a person pursuant to this chapter. 86 Acts, ch 1220, §5; 95 Acts, ch 48, §12

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 321J - OPERATING WHILE INTOXICATED Section 321J.6 - Implied consent to test.

321J.6 Implied consent to test. 1. A person who operates a motor vehicle in this state under circumstances which give reasonable grounds to believe that the person has been operating a motor vehicle in violation of section 321J.2 or 321J.2A is deemed to have given consent to the withdrawal of specimens of the person's blood, breath, or urine and to a chemical test or tests of the specimens for the purpose of determining the alcohol concentration or presence of a controlled substance or other drugs, subject to this section. The withdrawal of the body substances and the test or tests shall be administered at the written request of a peace officer having reasonable grounds to believe that the person was operating a motor vehicle in violation of section 321J.2 or 321J.2A, and if any of the following conditions exist: a. A peace officer has lawfully placed the person under arrest for violation of section 321J.2. b. The person has been involved in a motor vehicle accident or collision resulting in personal injury or death. c. The person has refused to take a preliminary breath screening test provided by this chapter. d. The preliminary breath screening test was administered and it indicated an alcohol concentration equal to or in excess of the level prohibited by section 321J.2. e. The preliminary breath screening test was administered to a person operating a commercial motor vehicle as defined in section 321.1 and it indicated an alcohol concentration of 0.04 or more. f. The preliminary breath screening test was administered and it indicated an alcohol concentration less than the level prohibited by section 321J.2, and the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug. g. The preliminary breath screening test was administered and it indicated an alcohol concentration of .02 or more but less than .08 and the person is under the age of twenty-one. 2. The peace officer shall determine which of the three substances, breath, blood, or urine, shall be tested. Refusal to submit to a chemical test of urine or breath is deemed a refusal to submit, and section 321J.9 applies. A refusal to submit to a chemical test of blood is not deemed a refusal to submit, but in that case, the peace officer shall then determine which one of the other two substances shall be tested and shall offer the test. If the peace officer fails to offer a test within two hours after the preliminary screening test is administered or refused or the arrest is made, whichever occurs first, a test is not required, and

there shall be no revocation under section 321J.9. 3. Notwithstanding subsection 2, if the peace officer has reasonable grounds to believe that the person was under the influence of a controlled substance, a drug other than alcohol, or a combination of alcohol and another drug, a blood or urine test shall be required even after another type of test has been administered. Section 321J.9 applies to a refusal to submit to a chemical test of urine or blood requested under this subsection. 86 Acts, ch 1220, §6; 90 Acts, ch 1230, §85; 95 Acts, ch 48, §13, 14; 98 Acts, ch 1138, §14 – 16; 2003 Acts, ch 60, §4 Referred to in §321J.2, 321J.7, 321J.9, 321J.10, 321J.12, 901D.2, 907.3

321J.9 Refusal to submit — revocation. 1. If a person refuses to submit to the chemical testing, a test shall not be given, but the department, upon the receipt of the peace officer's certification, subject to penalty for perjury, that the officer had reasonable grounds to believe the person to have been operating a motor vehicle in violation of section 321J.2 or 321J.2A, that specified conditions existed for chemical testing pursuant to section 321J.6, and that the person refused to submit to the chemical testing, shall revoke the person's driver's license and any nonresident operating privilege for the following periods of time: a. One year if the person has no previous revocation under this chapter; and b. Two years if the person has had a previous revocation under this chapter. 2. The department shall require the defendant to install an ignition interlock device of a type approved by the commissioner of public safety on all vehicles owned or operated by the defendant if the defendant seeks a temporary restricted license. Notwithstanding the prohibitions in this subsection, a final-stage manufacturer of multi-stage manufactured vehicles that holds a used motor vehicle dealer license issued pursuant to this chapter may assign an incomplete motor vehicle's manufacturer's statement of origin to a retail buyer for purposes of issuance of a certificate of title by a county treasurer as a new motor vehicle with the same make as the incomplete motor vehicle without holding a new motor vehicle dealer license and without paying any associated motor vehicle registration fees. A licensed dealer in new motor vehicles may also assign an incomplete motor vehicle's manufacturer's statement of origin in the same manner as provided in this subsection. 2. A person other than a licensed dealer in new motor vehicles shall not engage in this state in the business of selling at retail used motor vehicles or represent or advertise that the person is engaged or intends to engage in such business in this state unless and until the department has licensed the person as a used motor vehicle dealer in the state and has issued to the person a license in writing as provided in this chapter. 3. However, the department may promulgate reasonable rules as necessary for the proper identification of persons employed as salespersons. 4. A person who is engaged in the business of selling at retail motor vehicles shall not enter into any contract, agreement, or understanding, express or implied, with any manufacturer or distributor of any such motor vehicles that the person will sell, assign, or transfer any retail installment contracts arising from the retail installment sale of such motor vehicles only to a designated person or class of persons. A condition, agreement, or understanding between any manufacturer or distributor and a motor vehicle dealer in this state of this nature is hereby declared to be against the public policy of this state and to be unlawful and void. 5. A manufacturer or distributor of motor vehicles or any agent or representative of a manufacturer or distributor shall not terminate, threaten to terminate, or fail to renew any contract, agreement, or understanding for the sale of new motor vehicles to any motor vehicle dealer in this state without just, reasonable, and lawful cause or because the motor vehicle dealer failed to sell, assign, or transfer any retail installment contract arising from the retail sale of such motor vehicles or any one or more of them to a person or a class of persons designated by the manufacturer or distributor. 6. A person who is engaged in the business of selling at retail motor vehicles shall not make and enter into a retail installment contract unless the contract meets the following requirements: a. A manufacturer, distributor, or importer of motor vehicles or agent or representative of such manufacturer, distributor, or importer shall not require a motor vehicle dealer to submit to arbitration to resolve a controversy before the controversy arises. The parties may enter into a voluntary agreement to arbitrate a controversy after it arises. Such an agreement shall require that the arbitrator apply Iowa law in resolving the controversy. Either party may appeal a decision of an arbitrator to the district court on the grounds that the arbitrator failed to apply Iowa law. 11. A manufacturer, distributor, or importer of motor vehicles or agent or representative of such manufacturer, distributor, or importer shall not reduce the amount of compensation for, or disallow a claim for, any of the following if twelve months or more have passed since the claim was submitted to the manufacturer, distributor, or importer or agent or representative thereof: (1) Warranty parts, repairs, or service supplied by a motor vehicle dealer. (2) Sales or leasing incentives provided to a motor vehicle dealer or to a customer of a motor vehicle dealer including but not limited to rebates and discounted interest rates. b. The twelve-month limitation shall not apply if a court of competent jurisdiction in this state finds the claim was fraudulent. 15. A manufacturer or importer shall not directly or indirectly be licensed as, own an interest in, operate, or control a motor vehicle dealer. This subsection shall not prohibit any of the following: a. (2) The motor vehicle dealership is continuously offered for sale by the manufacturer or importer upon reasonable terms and conditions. b. A manufacturer from owning a minority interest in an entity that owns and operates motor vehicle dealers, licensed under this chapter or the laws of the jurisdiction in which they are located, of the line-make manufactured by the manufacturer if all of the motor vehicle dealers owned and operated by the entity in this state are motor vehicle dealers of only the line-make manufactured by the manufacturer and if, on January 1, 2000, there were not less than one and not more than three motor vehicle dealers of that line-make licensed under this chapter. f. A final-stage manufacturer of multi-stage manufactured vehicles from being licensed as a used motor vehicle dealer or from assigning an incomplete motor vehicle's manufacturer's statement of origin to a retail buyer for purposes of issuance of a certificate of title by a county treasurer as a new motor vehicle with the same make as the incomplete motor vehicle without holding a new motor vehicle dealer license and without paying any associated motor vehicle registration fees. This paragraph shall not be construed to authorize a manufacturer or incomplete motor vehicle manufacturer to directly sell at retail incomplete or completed motor vehicles to a retail buyer except as provided in this subsection. 16. A manufacturer, distributor, or importer of motor vehicles or an agent or representative of a manufacturer, distributor, or importer shall not reduce the amount of compensation for, or disallow a claim for, warranty parts, repairs, or service supplied by a motor vehicle dealer on the grounds that the dealer failed to submit a claim fewer than sixty days after the motor vehicle dealer completed the work underlying the claim for warranty parts, repairs, or service. 17. 322A.11 Condition barring change in franchise. Notwithstanding the terms, provisions, or conditions of any agreement or franchise, the following shall not be considered facts supporting a finding of good cause for the termination or noncontinuation of a franchise, or for entering into a franchise for the establishment of an additional dealership in a community for the same line-make: 1. The sole fact that franchiser desires further penetration of the market. 2. The change of ownership of the franchisee’s dealership or the change of executive management of the franchisee’s dealership, unless the franchiser, having the burden of proof, proves that such change of ownership or executive management will be substantially detrimental to the distribution of the franchiser’s motor vehicles in the community and that good cause for the termination or noncontinuation of the franchise or for the establishment of an additional dealership otherwise exists. 3. The fact that the franchisee refused to purchase or accept delivery of any motor vehicle or vehicles, parts, accessories or any other commodity or service not ordered by the franchisee. 4. The fact that the dealership moved to another facility and location within the dealership’s community which are equal to or superior to the dealership’s former location and facility or the fact that the dealership added an additional line-make to the dealership if the dealership’s facility is adequate to accommodate the additional line-make. 5. The fact that the dealership does not meet an index or standard established by the franchiser, unless the franchiser proves that the failure of the dealership to meet the index or standard will be substantially detrimental to the distribution of the franchiser’s motor vehicles in the community and that good cause for the termination or noncontinuation of the franchise or for the establishment of an additional dealership otherwise exists. Notwithstanding the terms, provisions, or conditions of an agreement or franchise, the sale or transfer, or the proposed sale or transfer, of a franchisee’s dealership, or the change or proposed change in the executive management of a franchisee’s dealership shall not make applicable any right of first refusal of the franchiser. 322A.3 New franchise. In the event that a franchiser is permitted to terminate or not continue a franchise, and is further permitted not to enter into a franchise for the line-make in the community, no franchise shall thereafter be entered into for the sale of motor vehicles of that line-make in the community, unless the franchiser has first established, in a hearing held under the provisions of this chapter, that there has been a change of circumstances so that the community at that time can be reasonably expected to support the dealership. 2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322A - MOTOR VEHICLE FRANCHISERS Section 322A.3A - Alteration of franchise.

322A.3A Alteration of franchise. 1. A franchiser shall not unreasonably alter a franchisee's community. 2. A franchiser shall notify a franchisee of a proposed alteration to the franchisee's community at least sixty days prior to the effective date of the proposed alteration. Within thirty days of a request by the affected franchisee, unless otherwise provided in the notice, the franchiser shall provide the franchisee with an explanation of the basis for the proposed alteration. 3. Prior to the effective date of a proposed alteration of a franchisee's community and after the receipt of the explanation of the basis for the proposed alteration, a franchisee may object to the proposed alteration of the franchisee's community. Upon a franchisee's objection, a franchiser shall provide an internal appeal process for the franchisee. However, the franchiser is not required to provide an internal appeal process if the franchiser has already provided the franchisee with an opportunity to object to the alteration of the franchisee's community and to provide information in objection to the alteration for the franchiser's consideration prior to the franchiser's issuance of notice of the proposed alteration. 4. a. Within fifteen days of the completion of the franchiser's internal appeal process, a franchisee may challenge the reasonableness of the proposed alteration of the franchisee's community by filing an application with the department requesting a hearing to be held pursuant to section 322A.7. b. After a hearing held as described in this subsection, the department of inspections, appeals, and licensing may affirm, deny, or modify the proposed alteration of a franchisee's community, may enter any other orders necessary to ensure that an alteration of the franchisee's community is reasonable in light of all the relevant circumstances, and may assess the costs of the hearing among the parties to the hearing as appropriate. 5. No change to the franchisee's community shall take effect during the pendency of the internal appeals process specified in subsection 3 or the hearing specified in subsection 4. 6. A franchiser shall not take any adverse action against a franchisee as a result of an alteration of the franchisee's community for at least twelve months after the effective date of the alteration. 2013 Acts, ch 63, §1; 2023 Acts, ch 19, §1970 Subsection 4, paragraph b amended

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322A - MOTOR VEHICLE FRANCHISERS Section 322A.4 - Additional franchise.

322A.4 Additional franchise. No franchiser shall enter into any franchise for the purpose of establishing an additional motor vehicle dealership in any community in which the same line-make is then represented, unless the franchiser has first established in a hearing held under the provisions of this chapter that there is good cause for such additional motor vehicle dealership under such franchise, and that it is in the public interest. [C71, 73, 75, 77, 79, 81, §322A.4]

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322A - MOTOR VEHICLE FRANCHISERS Section 322A.5 - Warranties and recalls.

322A.5 Warranties and recalls. 1. Every franchiser and franchisee shall fulfill the terms of any express or implied warranty concerning the sale of a motor vehicle to the public of the line-make which is the subject of a contract or franchise agreement between the parties. If it is determined by the district court that either the franchiser or franchisee, or both, have violated an express or implied warranty, the court shall add to any award or relief granted an additional award for reasonable attorney fees and other necessary expenses for maintaining the litigation. 2. a. A franchiser shall specify in writing to each of the franchiser's franchisees operating in this state the franchisee's obligations for preparation, delivery, and warranty services related to the franchiser's products. The franchiser shall compensate the franchisee for the warranty services the franchiser requires the franchisee to provide, including warranty and recall obligations related to repairing and servicing motor vehicles of the franchiser and all parts and components authorized by the manufacturer to be installed in or manufactured for installation in such motor vehicles. b. The franchiser shall provide to the franchisee a schedule of compensation that specifies reasonable compensation the franchiser will pay to the franchisee for such warranty services, including for parts, labor, and diagnostics. (1) In determining the schedule of compensation for parts, the franchiser may multiply the price paid by the franchisee for parts, including all shipping costs and other charges, by the sum of one and the franchisee's average percentage markup. The franchisee's average percentage markup is calculated by subtracting one from the result of dividing the total amounts charged by the franchisee for parts used in warranty-like repairs by the total cost to the franchisee for the parts in the retail service orders submitted pursuant to subparagraph (3). (2) In determining the schedule of compensation for labor-related warranty services, the franchiser may calculate the franchisee's retail labor rate by dividing the total amount of retail sales attributable to labor for warranty-like services by the number of hours of labor spent to generate the retail sales in the retail service orders submitted pursuant to subparagraph (3). (3) (a) The franchisee may establish its average percentage markup for parts or its labor rate by submitting to the franchiser copies of one hundred sequential retail service orders paid by the franchisee's customers, or all of the franchisee's retail service orders paid by the franchisee's customers in a ninety-day period, whichever is less, for services provided within the previous one-hundred-eighty-day period. The franchiser shall not consider retail service orders or portions of retail service orders attributable to routine maintenance such as tire service or oil service. (b) Within thirty days of receiving the franchisee's submission, the franchiser may choose to audit the submitted orders. The franchiser shall then approve or deny the establishment of the franchisee's average percentage markup or labor rate. If the franchiser approves the establishment of the franchisee's average percentage markup or labor rate, the markup or rate calculated under this subparagraph shall go into effect forty-five days after the date of the franchiser's approval. If the franchiser denies the establishment of the franchisee's average percentage markup or labor rate, the franchisee may file a complaint with the

department and a hearing shall be held before the department of inspections, appeals, and licensing. The franchiser shall have the burden of proof to establish that the franchiser's denial was reasonable. If the department of inspections, appeals, and licensing finds the denial was not reasonable, the denial shall be deemed a violation of this chapter and the department of inspections, appeals, and licensing shall determine the franchisee's average percentage markup or labor rate for purposes of calculating a reasonable schedule of compensation. In making such a determination, the department of inspections, appeals, and licensing shall not consider retail service orders or portions of retail service orders attributable to routine maintenance such as tire service or oil service. (c) A franchiser shall not require a franchisee to establish an average percentage markup or labor rate by a methodology, or by requiring the submission of information, that is unduly burdensome or time-consuming to the franchisee, including but not limited to requiring part-by-part or transaction-by-transaction calculations. (d) A franchisee shall not request a change in the franchisee's average percentage markup or labor rate more than once in any one-year period. (4) The compensation to the franchisee for warranty parts and labor shall not be less than the rates charged by the franchisee for like parts and services to retail customers, provided the rates are reasonable. c. The franchiser shall provide to the franchisee a list of time allowances for the performance of warranty services. Time allowances for the performance of warranty services, including diagnostic services, shall be reasonable and adequate for the services to be performed. 3. A franchiser shall not do any of the following: a. Fail to perform any warranty obligation. b. Fail to compensate any of the franchiser's franchisees operating in this state for repairs relating to a recall. 4. a. A claim made by a franchisee for warranty services pursuant to this section shall be paid within thirty days after the claim's approval. A franchiser shall either approve or deny a claim within thirty days after the franchiser receives a claim if the claim is submitted on a proper form generally used by the franchiser and the claim contains the information required by the franchiser. If a franchiser does not deny a claim in writing within thirty days after the receipt of the claim, the claim shall be deemed to be approved by the franchiser and payment shall be made to the franchisee within thirty days. b. A franchiser may deny a franchisee's claim for compensation for warranty or recall services if the franchisee's claim is based on a repair not related to warranty or recall services, the repair was not properly performed, the franchisee lacks the reasonably required documentation for the claim, the franchisee fails to comply with the terms and conditions of the franchiser's warranty or recall compensation program, or the franchiser has a bona fide belief based on factual evidence that the franchisee's claim was submitted containing an intentionally false or fraudulent statement or misrepresentation. A franchiser may reject, but shall not deny, a claim based solely on a franchisee's unintentional failure to comply with a specific claim processing requirement, such as a clerical error, that does not otherwise affect the legitimacy of the claim. If a claim is rejected for such a failure, the franchisee may resubmit a corrected claim in a timely manner to the franchiser. c. The requirement to approve a claim within thirty days or to pay an approved claim within thirty days as provided in this subsection shall not be construed to preclude denials, reductions, or chargebacks not otherwise prohibited under section 322.3, subsection 14. 5. The obligations set forth in this section shall apply to any franchiser as defined in this chapter and any franchiser of new motor vehicle transmissions, engines, or rear axles that separately warrants such components to customers. 322A.6 Application filed with the department. 1. If a franchiser seeks to terminate or not continue a franchise, or seeks to enter into a franchise establishing an additional motor vehicle dealership of the same line-make, the franchiser shall file an application with the department for permission to terminate or not continue the franchise, or for permission to enter into a franchise for additional representation of the same line-make in that community. 2. An applicant seeking permission to enter into a franchise for additional representation of the same line-make in a community shall deposit with the department at the time the application is filed, an amount of money to be determined by the department of inspections, appeals, and licensing to pay the costs of the hearing. Upon receiving an application, the department shall notify the department of inspections, appeals, and licensing which shall enter an order fixing a time, which shall be within ninety days of the date of the order, and place of hearing, and shall send by certified or registered mail, with return receipt requested, a copy of the order to the franchisee whose franchise the franchiser seeks to terminate or not continue, or to the franchiser who is seeking to alter a franchisee's community, as applicable. If the application requests permission to establish an additional motor vehicle dealership, a copy of the order shall be sent to all franchisees in the community who are then engaged in the business of offering to sell or selling the same line-make. If the application challenges the reasonableness of a proposed alteration to a franchisee's community, a copy of the order shall be sent to all franchisees located in Iowa surrounding the affected community which are then engaged in the business of offering to sell or selling the same line-make. Copies of orders shall be addressed to the franchisee at the place where the business is conducted. The department of inspections, appeals, and licensing may also give notice of the franchiser's application to any other parties deemed interested persons, the notice to be in the form and substance and given in the manner the department of inspections, appeals, and licensing deems appropriate. 2. Any person who can show an interest in the application may become a party to the hearing, whether or not that person receives notice. However, a party not receiving notice

shall be limited to participation at the hearing on the question of the public interest in the termination or continuation of the franchise or in the establishment of an additional motor vehicle dealership. Nothing contained in this chapter shall be construed to require or authorize any investigation by the department of any matter before the department under this chapter. The court shall award reasonable attorney fees and costs to the prevailing party in such an action. Venue for a civil action authorized by this section shall be exclusively in the county in which the dealer’s business is located. In an action involving more than one dealer, venue may be in any county in which any dealer that is a party to the action is located. 2. a. Prior to bringing a civil action under this section, the party alleging a violation of this chapter shall serve a written demand for mediation upon the alleged offending party. b. The demand for mediation shall be served upon the alleged offending party via certified mail at the address stated in the manufacturer-dealer agreement between the parties, if applicable. c. The demand for mediation shall contain a statement of the dispute or violation alleged and the relief sought by the party serving the demand. d. Within twenty days after service of a demand for mediation, the parties shall mutually select an independent certified mediator and shall meet with the mediator for the purpose of attempting to resolve the dispute or alleged violation. If a complaint, petition, protest, or other action has been filed before the mediation meeting, the court shall enter an order suspending any proceeding or action relating to such complaint, petition, protest, or other action until the mediation meeting has occurred and may, upon written stipulation by all parties to the proceeding or action that the parties wish to continue mediation under this section, enter an order suspending the proceeding or action for any period the court considers appropriate. f. Each party to the mediation shall pay the party's own costs for attorney fees. The costs of the mediation services shall be allocated equally amongst the parties. 3. 322F.2 Notice of termination. 1. a. A supplier shall terminate a dealership agreement for equipment other than outdoor power equipment by cancellation, nonrenewal, or a substantial change in competitive circumstances only upon good cause and upon at least ninety days' prior written notice delivered to the dealer by certified mail or restricted certified mail. If the deficiency is cured within sixty days from the date that the notice is delivered, the notice is void. However, if the deficiency is based on a dealer's inadequate representation of a manufacturer's product relating to sales, as provided in section 322F.1, the notice must state that the dealer has eighteen months to cure the deficiency. If the deficiency based on inadequate representation of a manufacturer's product relating to sales is cured within eighteen months from the date that notice is delivered, the notice is void. 2. 322F.3 Termination of agreement — repurchase of equipment. 1. If a dealership agreement is terminated by cancellation or nonrenewal by either the dealer or supplier, the supplier must repurchase equipment and parts in the dealer's inventory and must repurchase special tools and computer hardware or software required for the dealership. The repurchase is subject to the following conditions: a. The supplier must pay to the dealer or credit the dealer's account with one hundred percent of the net cost of all unused complete equipment including attachments. The equipment must be in new condition and purchased by the dealership from the supplier within twenty-four months preceding notification by either party of an intent to terminate the contract. b. The supplier must pay to the dealer or credit the dealer's account with ninety percent of the net price for repair parts, including superseded parts listed in the price lists or catalogs in use by the supplier on the date of termination. The supplier shall also pay the dealer or credit the dealer's account with five percent of the net price on the date of termination on all parts returned for the dealer's handling, packing, and loading of the parts to be returned to the supplier. However, the supplier is not required to pay or credit the five percent if the supplier elects to perform the handling, packing, and loading. c. The supplier shall pay to the dealer or credit the dealer's account with the amortized value of any specific computer hardware or software that the supplier required the dealer to purchase within the five years immediately preceding notification by either party of an intent to terminate the contract. d. The supplier shall pay to the dealer or credit the dealer's account with the following amounts for special repair tools that were unique to the supplier's product line and that are in complete and resalable condition: (1) Seventy-five percent of the net cost of special repair tools purchased within the three years immediately preceding notification by either party of an intent to terminate the contract. (2) Fifty percent of the net cost of special repair tools purchased within the four to six years immediately preceding notification by either party of an intent to terminate the contract. e. The supplier shall only be required to repurchase the items described in paragraphs "c" and "d" if the items are free and clear of all claims, liens, and encumbrances, to the satisfaction of the supplier. f. The supplier must pay to the dealer or credit the dealer's account with one hundred percent of the net cost of all equipment used in demonstrations, including equipment leased primarily for demonstration or lease, at the equipment's agreed-upon depreciated value, provided that such equipment is in new condition and has not been abused. 2. Upon payment or allowance of a credit to the dealer's account as required in this section, the title to the repurchased equipment is transferred to the supplier making the repurchase, and the supplier

may take immediate possession of the repurchased equipment. 3. The supplier must make payment or allowance of a credit as required under this section not later than ninety days from the date that the supplier takes possession of the repurchased equipment. 4. This section does not require repurchase from the dealer of repair parts which have a limited storage life or are otherwise subject to deterioration, including but not limited to rubber items, gaskets, and batteries. This section also does not require repurchase from the dealer of parts in broken or damaged packages, single repair parts priced as a set of two or more items, or repair parts which because of their condition are not resalable as new parts without new packaging or reconditioning. 90 Acts, ch 1077, §4; 2001 Acts, ch 42, §1, 2; 2003 Acts, ch 55, §5; 2021 Acts, ch 70, §1 Referred to in §322F.5, 322F.8

322F.5 Death or incapacity of dealer. If a dealer or a person holding a majority interest in a business entity operating a dealership dies or is incapacitated, the rights under this chapter may be exercised as an option by the heirs at law if the dealer or majority interest holder died intestate, or by the executor under the terms of the dealer's or majority interest holder's will. If the heirs or the executor do not exercise this option within twelve months from the date of death of the dealer or majority interest holder, the supplier must repurchase the equipment as if the supplier had terminated the dealership agreement pursuant to section 322F.3. However, this section does not entitle an heir, executor, administrator, legatee, or devisee of a deceased dealer or majority interest holder to continue to operate the dealership without the consent of the supplier. 90 Acts, ch 1077, §6; 2003 Acts, ch 55, §6

If the supplier has not approved or denied the request within the sixty-day period, the request shall be deemed approved. The dealer's request shall include reasonable financial information, personal background information, character references, and work histories for each acquiring person. 2. If a supplier denies a request made pursuant to this section, the supplier shall provide the dealer with a written notice of the denial that states the reasons for the denial. A supplier may only deny a request based on the failure of a proposed transferee to meet the reasonable requirements consistently imposed by the supplier in determining whether to approve a transfer or a new dealership. 2005 Acts, ch 27, §1 Referred to in §322F.9

322F.7 Violations. A violation of this chapter includes but is not limited to a supplier doing any of the following: 1. Requires a dealer to accept delivery of equipment that the dealer has not ordered. 2. Requires a dealer to order or accept delivery of equipment with special features or accessories not included in the base price list of equipment as publicly advertised by the supplier. 3. Requires a dealer to enter into any agreement, whether written or oral, which amends or supplements an existing dealership agreement with the supplier, unless the supplementary or amendatory agreement is imposed on other similarly situated dealers. 4. Requires as a condition of renewal or extension of a dealership agreement that the dealer complete substantial renovation of the dealer's place of business, or acquire new or additional space to serve as the dealer's place of business, unless the supplier provides at least one year's written notice of the condition which states all grounds supporting the condition. The supplier must provide a reasonable time for the dealer to complete the renovation or acquisition. 5. Requires a dealer to refuse to purchase equipment distributed by another supplier. 6. Discriminates in the prices charged for equipment of like grade and quality sold by the supplier to similarly situated dealers. This subsection does not prevent the use of differentials which make only due allowance for costs related to the manufacture, sale, or delivery of equipment, or to methods or quantities of equipment sold or delivered. 7. a. (1) For a dealership agreement governing equipment other than outdoor power equipment, takes action terminating, canceling, or failing to renew the dealership agreement, or substantially changes the competitive circumstances intended by the dealership agreement, due to the results of conditions beyond the dealer's control, including drought, flood, labor disputes, or economic recession. (2) For a

dealership agreement governing outdoor power equipment, takes action terminating, canceling, or failing to renew the dealership agreement due to the results of conditions beyond the dealer's control, including drought, flood, labor disputes, or economic recession. b. This subsection shall not apply if the dealer is in default of a security agreement in effect with the supplier. 90 Acts, ch 1077, §8; 2003 Acts, ch 55, §7; 2004 Acts, ch 1086, §63; 2011 Acts, ch 44, §1 Referred to in §322F.8

322F.8 Supplier liability. 1. a. (1) A dealer may bring a legal action against a supplier for damages sustained by the dealer as a consequence of the supplier's violation of any provision of this chapter, including but not limited to a violation described in section 322F.7. A supplier violating this chapter shall compensate the dealer for damages sustained by the dealer as a consequence of the supplier's violation, together with the actual costs of the action, including reasonable attorney fees. (2) For a dealership agreement governing equipment other than outdoor power equipment, a dealer may be granted injunctive relief against unlawful termination, cancellation, or the nonrenewal of the dealership agreement, or a substantial change of competitive circumstances as provided in section 322F.2. (3) For a dealership agreement governing outdoor power equipment, a dealer may be granted injunctive relief against unlawful termination, cancellation, or the nonrenewal of the dealership agreement as provided in section 322F.2. b. The remedies in this section are in addition to any other remedies permitted by law. 2. a. If the payment or allowance of equipment repurchased pursuant to section 322F.3 is not made as required, or the supplier is found liable for damages pursuant to subsection 1, paragraph "a", subparagraph (1), the amount due to the dealer shall bear interest at the rate of one and one-half percent per month calculated from the date that the dealership agreement was terminated. b. Upon termination of a dealership agreement by nonrenewal or cancellation, by a dealer or supplier, if the supplier fails to make payment or credit the account of the dealer as provided in any provision of this chapter, the supplier is liable in a civil action brought by the dealer for the repurchase amount set forth in section 322F.3, plus interest as calculated pursuant to paragraph "a". The supplier's civil liability as provided in this paragraph shall be in addition to and not in lieu of any remedy provided by subsection 1, paragraph "a", subparagraph (1). 3. The requirements of this chapter supplement any agreement between a dealer and a supplier. The dealer may elect either to pursue contractual remedies under the dealership agreement or remedies provided under this chapter. An election by the dealer to pursue a remedy provided under this chapter does not bar the dealer from pursuing any other remedy under law or equity, including contractual remedies. This chapter does not affect rights of the supplier to charge back to the dealer's accounts amounts previously paid or credited as a discount to the dealer's purchase of goods, including equipment. 90 Acts, ch 1077, §9; 2003 Acts, ch 55, §8, 9; 2011 Acts, ch 44, §2, 3

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.1 - Legislative intent.

322G.1 Legislative intent. The general assembly recognizes that a motor vehicle is a major consumer acquisition and that a defective motor vehicle undoubtedly creates a hardship for the consumer. The general assembly further recognizes that a duly franchised motor vehicle dealer is an authorized service agent of the manufacturer. It is the intent of the general assembly that a good faith motor vehicle warranty complaint by a consumer be resolved by the manufacturer within a specified period of time. It is further the intent of the general assembly to provide the statutory procedures whereby a consumer may receive a replacement motor vehicle, or a full refund, for a motor vehicle which cannot be brought into conformity with the warranty provided for in this chapter. However,

this chapter does not limit the rights or remedies which are otherwise available to a consumer under any other law. 91 Acts, ch 153, §1

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.10 - Unfair or deceptive trade practice.

322G.10 Unfair or deceptive trade practice. A violation by a manufacturer of this chapter is an unfair or deceptive trade practice in violation of section 714.16, subsection 2, paragraph “a”. 91 Acts, ch 153, §10

322G.11 Dealer liability. This chapter, except for the requirements of section 322G.12, does not impose any liability on a franchised motor vehicle dealer or create a cause of action by a consumer against a dealer. A dealer shall not be made a party defendant in any action involving or relating to this chapter, except as provided in this section. The manufacturer shall not charge back or require reimbursement by the dealer for any costs, including but not limited to any refunds or vehicle replacements, incurred by the manufacturer pursuant to this chapter, in the absence of a finding by a court that the related repairs had been carried out by the dealer in a manner substantially inconsistent with the manufacturer’s published instructions. A manufacturer who is found by a court to have improperly charged back a dealer because of a violation of this section is liable to the injured dealer for full reimbursement plus reasonable costs and any attorney’s fees. 91 Acts, ch 153, §11; 95 Acts, ch 45, §7

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.12 - Resale of returned vehicles.

322G.12 Resale of returned vehicles. 1. A manufacturer who accepts the return of a motor vehicle pursuant to a settlement, determination, or decision under this chapter shall notify the state department of transportation, report the vehicle identification number of that motor vehicle within ten days after the acceptance, and obtain a new certificate of title for the vehicle in the manufacturer’s name pursuant to section 321.46. In obtaining a new certificate of title, the manufacturer shall title the vehicle in the county of the transferor’s residence and shall be exempt from the registration fee requirements of section 321.46 and the fee for new registration under section 321.105A. The new certificate of title, and all subsequent registration receipts and certificates of title issued for the motor vehicle, shall contain a designation indicating that the motor vehicle was returned to the manufacturer pursuant to this chapter or a similar law of another state. The state department of transportation shall determine the manner in which the designation is to be indicated on registration receipts and certificates of title and may determine that a “REBUILT” or “SALVAGE” designation supersedes the designation required by this subsection and include the “REBUILT” or “SALVAGE” designation on the registration receipt and certificate of title in lieu of the designation required by this subsection. 2. A person shall not knowingly lease, sell, either at wholesale or retail, or transfer a title to a motor vehicle returned by reason of a settlement, determination, or decision pursuant to this chapter or a similar law of another state unless the nature of the nonconformity is clearly and conspicuously disclosed to the prospective transferee, lessee, or buyer. The attorney general shall prescribe by rule the form, content, and procedure pertaining to such a disclosure statement, recognizing the need of manufacturers to implement a uniform disclosure form. The manufacturer shall make a reasonable effort to ensure that such disclosure is made to the first subsequent retail buyer or lessee. For purposes of this section, “settlement” includes an agreement entered into between the manufacturer and the consumer that occurs after the thirtieth day following the manufacturer’s receipt of the consumer’s written notification pursuant to section 322G.4. 91 Acts, ch 153, §12; 95 Acts, ch 45, §8; 2000 Acts, ch 1047, §3, 4; 2008 Acts, ch 1113, §108; 2020 Acts, ch 1062, §44 Referred to in §312.2, 321.46, 321.105A, 322G.11

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.14 - Rulemaking authority.

322G.14 Rulemaking authority. 1. The attorney general shall adopt rules as necessary to implement this chapter. 2. In prescribing rules and forms under this chapter, the attorney general may cooperate with agencies that perform similar functions in other states with a view to effectuating the policy of this chapter to achieve maximum uniformity in the form and content of certification, regulation, and procedural evaluation of manufacturer-established programs, required recordkeeping, required reporting wherever practicable, and required notices to consumers. 91 Acts, ch 153, §14 Referred to in §322G.7, 322G.9

"Warranty" means any written warranty issued by the manufacturer; or any affirmation of fact or promise made by the manufacturer, excluding statements made by the dealer, in connection with the sale or lease of a motor vehicle to a consumer, which relates to the nature of the material or workmanship and affirms or promises that the material or workmanship is free of defects or will meet a specified level of performance. 91 Acts, ch 153, §2; 95 Acts, ch 45, §6; 2014 Acts, ch 1072, §1, 2; 2016 Acts, ch 1098, §30

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.3 - Duties of manufacturer.

322G.3 Duties of manufacturer. 1. At the time of the consumer's purchase or lease of the vehicle, the manufacturer shall provide to the consumer a written statement that explains the consumer's rights and obligations under this chapter. The written statement shall be prepared by the attorney general and shall contain a telephone number that the consumer can use to obtain information from the attorney general regarding the rights and obligations provided under this chapter. 2. At the time of the consumer's purchase or lease of the vehicle, the manufacturer shall provide to the consumer the address and phone number for the zone, district, or regional office

of the manufacturer for this state where a claim may be filed by the consumer. This information shall be provided to the consumer in a clear and conspicuous manner. Within thirty days of the introduction of a new model year for each make and model of motor vehicle sold in this state, the manufacturer shall notify the attorney general of such introduction. The manufacturer shall also inform the attorney general that a copy of the owner's manual and applicable written warranties shall be provided upon request and provide information as to where the request should be made. The manufacturer shall inform the attorney general where such a request should be directed and shall provide the copy of the owner's manual and applicable written warranties within five business days of a request by the attorney general. 3. A manufacturer or the authorized service agent of the manufacturer shall make repairs as necessary to conform the vehicle to the warranty if a motor vehicle does not conform to the warranty and the consumer reports the nonconformity to the manufacturer or authorized service agent during the lemon law rights period. Such repairs shall be made irrespective of whether they can be made prior to the expiration of the lemon law rights period. 4. A manufacturer or the authorized service agent of the manufacturer, shall provide to the consumer, each time the motor vehicle is returned after being examined or repaired under the warranty, a fully itemized, legible statement or repair order indicating any diagnosis made, and all work performed on the motor vehicle including, but not limited to, a general description of the problem reported by the consumer or an identification of the defect or condition, parts and labor, the date and the odometer reading when the motor vehicle was submitted for examination or repair, and the date when the repair or examination was completed. 5. Upon request from the consumer, the manufacturer, or the authorized service agent of the manufacturer, shall provide a copy of either or both of the following: a. Any report or printout of any diagnostic computer operation compiled by the manufacturer or authorized service agent regarding an inspection or diagnosis of the motor vehicle. b. A copy of any technical service bulletin issued by the manufacturer regarding the year and model of the motor vehicle as it pertains to any material, feature, component, or the performance of the motor vehicle. 91 Acts, ch 153, §3 Referred to in §322G.15

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.4 - Nonconformity of motor vehicles.

322G.4 Nonconformity of motor vehicles. 1. a. After three attempts have been made to repair the same nonconformity that substantially impairs the motor vehicle, or after one attempt to repair a nonconformity that is likely to cause death or serious bodily injury, the consumer may give written notification, which shall be by certified or registered mail or by overnight service, to the manufacturer of the need to repair the nonconformity in order to allow the manufacturer a final attempt to cure the nonconformity. The manufacturer shall, within ten days after receipt of such notification, notify and provide the consumer with the opportunity to have the vehicle repaired at a reasonably accessible repair facility and after delivery of the vehicle to the designated repair facility by the consumer, the manufacturer shall, within ten days, conform the motor vehicle to the warranty. If the manufacturer fails to notify and provide the consumer with the opportunity to have the vehicle repaired at a reasonably accessible repair facility or perform the repairs within the time periods prescribed in this subsection, the requirement that the manufacturer be given a final attempt to cure the nonconformity does not apply. b. After twenty or more cumulative days when the motor vehicle has been out of service by reason of repair of one or more nonconformities, the consumer may give written notification to the manufacturer which shall be by certified or registered mail or by overnight service. Commencing upon the date such notification is received, the manufacturer has ten cumulative days when the vehicle has been out of service by reason of repair of one or more nonconformities to conform the motor vehicle to the warranty. 2. a. If the manufacturer, or its authorized service agent, has not conformed the motor vehicle to the warranty by repairing or correcting one or more nonconformities that substantially impair the motor vehicle after a reasonable number of attempts, the manufacturer shall, within forty days of receipt of payment by the manufacturer of a reasonable offset for use by the consumer, replace the motor vehicle with a replacement motor vehicle acceptable to the consumer, or repurchase the motor vehicle from the consumer or lessor and refund to the consumer or lessor the full purchase or lease price, less a reasonable offset for use. The replacement or refund shall include payment of all collateral and reasonably incurred incidental charges. The consumer has an unconditional right to choose a refund rather than a replacement. If the consumer elects to receive a refund, and the refund exceeds the amount of the payment for a reasonable offset for use, the requirement that the consumer pay the reasonable offset for use in advance does not apply, and the manufacturer shall deduct that amount from the refund due to the consumer. If the consumer elects a replacement motor vehicle, the manufacturer shall provide the consumer a substitute motor vehicle to use until such time as the replacement vehicle is delivered to the consumer. At the time of the refund or replacement, the consumer, lienholder, or lessor shall furnish to the manufacturer clear title to and possession of the original motor vehicle. b. Refunds shall be made to the consumer and lienholder of record, if any, as their interests appear. If applicable, refunds shall be made to the lessor and lessee as follows: the lessee shall receive the lessee's cost less a reasonable offset for use, and the lessor shall receive the lease price less the aggregate deposit and rental payments previously paid to the lessor for the leased vehicle. If it is determined that the lessee is entitled to a refund pursuant to this chapter, the consumer's lease agreement with the lessor is terminated upon payment of the refund and no penalty for early termination shall be assessed. The department of revenue shall refund to the manufacturer any use tax or fee for new registration which the manufacturer refunded to the consumer, lessee, or lessor under this section, if the manufacturer provides to the department of revenue a written request for a refund and evidence that the use tax or fee for new registration was paid when the vehicle was purchased and that the manufacturer refunded the use tax or fee for new registration to the consumer, lessee, or lessor. 3. a. It is presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the warranty if, during the lemon law rights period, any of the following occur: (1) The same nonconformity that substantially impairs the motor vehicle has been subject to examination or repair at least three times by the manufacturer or its

authorized service agent, plus a final attempt by the manufacturer to repair the motor vehicle if undertaken as provided for in subsection 1, and such nonconformity continues to exist. (2) A nonconformity that is likely to cause death or serious bodily injury has been subject to examination or repair at least one time by the manufacturer or its authorized service agent, plus a final attempt by the manufacturer to repair the motor vehicle if undertaken as provided for in subsection 1, and such nonconformity continues to exist. (3) The motor vehicle has been out of service by reason of repair by the manufacturer, or its authorized service agent, of one or more nonconformities that substantially impair the motor vehicle for a cumulative total of thirty or more days, exclusive of down time for routine maintenance prescribed by the owner's manual. The thirty-day period may be extended by any period of time during which repair services are not available to the consumer because of war, invasion, strike, fire, flood, or natural disaster. b. The terms of this subsection shall be extended for a period of up to two years after the date of the original delivery of a motor vehicle to a consumer, or the first twenty-four thousand miles of operation attributable to a consumer, whichever occurs first, if a nonconformity has been reported but has not been cured by the manufacturer, or its authorized service agent, before the expiration of the lemon law rights period. 4. A manufacturer, or its authorized service agent, shall not refuse to examine or repair any nonconformity for the purpose of avoiding liability under this chapter. 91 Acts, ch 153, §4; 2003 Acts, ch 145, §286; 2008 Acts, ch 1113, §107; 2010 Acts, ch 1061, §180 Referred to in §321.105A, 322G.6, 322G.8, 322G.12

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.5 - Affirmative defenses.

322G.5 Affirmative defenses. Any of the following is an affirmative defense to a claim under this chapter: 1. The alleged nonconformity or nonconformities do not substantially impair the motor vehicle. 2. A nonconformity is the result of an accident, abuse, neglect, or unauthorized modification or alteration of the motor vehicle by a person other than the manufacturer or its authorized service agent. 3. The claim by the consumer was not filed in good faith. 4. Any other defense allowed by law which may be raised against the claim. 91 Acts, ch 153, §5

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.6 - Informal dispute settlement procedures — operations and certification.

322G.6 Informal dispute settlement procedures — operations and certification. 1. At the time of the consumer's purchase or lease of the vehicle, a manufacturer who has established a program certified pursuant to this section shall, at a minimum, clearly and conspicuously disclose to the consumer in written materials accompanying the vehicle how and where to file a claim with the program. 2. A certified program shall be funded and competently staffed at a level sufficient to ensure fair and expeditious resolution of all disputes, and shall not charge consumers any fee for use of the program. The manufacturer shall take all steps necessary to ensure that a certified program and its staff and decision makers are sufficiently insulated from the manufacturer so that the performance of the staff and the decisions of the decision makers are not influenced by the manufacturer. Such steps, at a minimum, shall ensure that the manufacturer does not make decisions on whether a consumer's dispute proceeds to the decision maker. Staff and decision makers of a certified program shall be trained in the provisions of this chapter and rules adopted under this chapter. 3. a. A certified program shall allow an oral presentation by a party, or by a party's employee, agent, or representative. b. Within five days following the consumer's notification to the certified program of the dispute, the program shall inform each party of their right to make an oral presentation. c. Meetings of a certified program to hear and decide disputes shall be open to observers, including either party to the dispute, on reasonable and nondiscriminatory terms. 4. A certified program shall render a decision no later than sixty days from the day of the consumer's notification of the dispute, provided that a significant number of decisions are rendered within forty days. For the purposes of this section, notification is deemed to have occurred when a certified program has received the consumer's name and address; the current date and the date of the original delivery of the motor vehicle to a consumer; the year, make, model, and identification number of the motor vehicle; and a description of the nonconformity. If the consumer has not previously notified the manufacturer of the nonconformity, the sixty-day period is extended for an additional seven days. 5. A certified program shall, in rendering decisions, take into account the provisions of this chapter and all legal and equitable factors germane to a fair and just decision. The decision shall disclose to the consumer and the manufacturer the reasons for the decision, and the manufacturer's required actions, if applicable. If the decision is in favor of the consumer, the consumer shall have up to twenty-five days from the date of receipt of the certified program's decision to indicate acceptance of the decision. The decision shall prescribe a reasonable period of time, not to exceed thirty days from the date the consumer notifies the manufacturer of acceptance of the decision, within which the manufacturer must fulfill the terms of the decision. If the manufacturer has had a reasonable number of attempts to conform a motor vehicle to the warranty as set forth in section 322G.4, subsection 3, including a final attempt by the manufacturer to repair the motor vehicle, if undertaken as provided for in section 322G.4, subsection 1, and the consumer is entitled to a replacement vehicle or a refund under section 322G.4, subsection 2, the decision shall be limited to relief as allowed under section 322G.4, subsection 2. In an action brought by a consumer under this chapter, the decision of a certified program is admissible in evidence. 6. A certified program shall establish written procedures which explain operation of the certified program. Copies of the written procedures shall be made available to any person upon request and shall be sent to the consumer upon notification of the dispute. 7. A certified program shall retain all records for each dispute for at least four years after the final disposition of the dispute. A certified program shall have an independent audit conducted annually to determine whether the manufacturer and its performance and the program and its implementation are in compliance with this chapter. All records for each dispute shall be available for the audit. Such audit, upon completion, shall be forwarded to the attorney general. 8. Any manufacturer

licensed to sell motor vehicles in this state may apply to the attorney general for certification of its program. A manufacturer seeking certification of its program in this state shall submit to the attorney general an application for certification on a form prescribed by the attorney general. 9. A program certified in this state or a program established by a manufacturer applying for certification in this state shall submit to the attorney general a copy of each settlement approved by the program or decision made by the decision maker within thirty days after the settlement is reached or the decision is rendered. The decision or settlement shall contain information prescribed by the attorney general. 10. The attorney general shall review the operations of any certified program at least once annually. The attorney general shall prepare annual and periodic reports evaluating the operation of certified programs serving consumers in this state or programs established by motor vehicle manufacturers applying for certification in this state. The reports shall indicate whether certification should be granted, renewed, denied, or revoked. 11. If a manufacturer has established a program which the attorney general has certified as substantially complying with the provisions of and the rules adopted under this chapter, and has informed the consumer how and where to file a claim with the program pursuant to subsection 1, the provisions of section 322G.4, subsection 2, do not apply to any consumer who has not first resorted to the program. 91 Acts, ch 153, §6; 2010 Acts, ch 1061, §180 Referred to in §322G.7, 322G.15

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.7 - Informal dispute settlement procedure — certification uniformity.

322G.7 Informal dispute settlement procedure — certification uniformity. To facilitate uniform application, interpretation, and enforcement of this section and section 322G.6, and in implementing rules adopted pursuant to section 322G.14, the attorney general may cooperate with agencies that perform similar functions in any other states that enact these or similar sections. The cooperation authorized by this section may include any of the following: 1. Establishing a central depository for copies of all applications and accompanying materials submitted by manufacturers for certification, and all reports prepared, notices issued, and determinations made by the attorney general under section 322G.6. 2. Sharing and exchanging information, documents, and records pertaining to program operations. 3. Sharing personnel to perform joint reviews, surveys, and investigations of program operations. 4. Preparing joint reports evaluating program operations. 5. Granting joint certifications and certification renewals. 6. Issuing joint denials or revocations of certification. 7. Holding a joint administrative hearing. 8. Formulating, in accordance with chapter 17A, the administrative procedure Act, rules or proposed rules on matters such as guidelines, forms, statements of policy, interpretative opinions, and any other information necessary to implement section 322G.6. 91 Acts, ch 153, §7; 2019 Acts, ch 59, §99

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.8 - Consumer remedies.

322G.8 Consumer remedies. 1. If a consumer resorts to a manufacturer's certified program and a decision is not rendered within the time periods allowed in this chapter, or a manufacturer has no certified program and the consumer has notified the manufacturer pursuant to section 322G.4, subsection 1, the consumer may file an action in district court under this chapter within one year from the expiration of the lemon law rights period or an extension of the period pursuant to section 322G.4, subsection 3. 2. If a consumer resorts to a manufacturer's certified program and is not satisfied with the performance of the manufacturer as ordered in the decision, or the manufacturer does not perform as directed by the decision within the time period specified in the decision, the consumer may file an action in district court under this chapter within six months after the date prescribed in the decision by which the manufacturer must fulfill the terms of the decision. If the consumer declines to accept the decision of the manufacturer's certified program, the consumer may appeal the decision pursuant to subsection 4. For purposes of this subsection, "not satisfied with the performance of the decision" means, following the consumer's acceptance of the decision, the consumer indicates that the manufacturer failed to comply with the terms of the decision within the time specified in the decision or failed to cure the nonconformity within the time specified in the decision if further repairs were ordered. 3. In an action under either subsection 1 or 2, the court shall award a consumer who prevails the amount of any pecuniary loss, including relief the consumer is entitled to under section 322G.4, subsection 2, reasonable attorney's fees, and costs. In addition, if the court affirms the decision of the certified program, the court may award any additional amounts allowed under subsection 7. 4. A certified program's decision is final unless appealed by either party. A petition to the district court to appeal a decision must be made within fifty days after receipt of the decision or within twenty-five days from the date the consumer indicates acceptance of the decision to the manufacturer, whichever occurs first. Within seven days after the petition has been filed, the appealing party must send, by certified, registered, or express mail, a copy of the petition to the attorney general. If the attorney general receives no notice of the petition within sixty days after the manufacturer's receipt of a decision in favor of the consumer, and the consumer has indicated acceptance of the decision within the twenty-five days of receipt of the decision, but the manufacturer has neither complied with, nor petitioned to appeal the decision, the attorney general may apply to the court to impose a fine up to one thousand dollars per day against the manufacturer until the amount stands at twice the purchase price of the motor vehicle, unless the manufacturer provides clear and convincing evidence that the delay or failure was beyond its control or was acceptable to the consumer as evidenced by a written statement signed by the consumer. If the manufacturer fails to provide such evidence or fails to pay the fine, the attorney general shall initiate proceedings against the manufacturer for failure to pay the fine. The proceeds from the fine imposed shall be placed in the attorney general's motor vehicle fraud and odometer law enforcement fund for implementation and enforcement of this chapter. 5. If the manufacturer fails to comply with a decision which has been timely accepted by the consumer or fails to file a timely petition for appeal, the court shall affirm the board's decision upon application by the consumer. 6. An appeal of a decision by a certified program to the court by

a consumer or a manufacturer shall be tried de novo, and may be based upon stipulated facts. In a written petition to appeal a decision by the board, the appealing party must state the action requested and the grounds relied upon for appeal. 7. If a decision of the certified program in favor of the consumer is affirmed or upheld by the court, recovery by the consumer shall include the pecuniary value of the award, including relief the consumer is entitled to under section 322G.4, subsection 2, attorney's fees incurred in obtaining confirmation of the award, and all costs and continuing damages in an amount of twenty-five dollars per day for all days beyond the twenty-five-day period following the manufacturer's receipt of the consumer's acceptance of the certified program's decision. If a court determines that a manufacturer filed a petition for appeal to be tried de novo in bad faith or brought such an appeal solely for the purpose of harassment, the court shall double, and may triple, the amount of the total award, after consideration of all circumstances. 8. Appellate review of a court decision in favor of the consumer may be conditioned upon payment by the manufacturer of the consumer's attorney's fees and giving security for costs and expenses resulting from the review period. 9. This chapter does not prohibit a consumer from pursuing other rights or remedies under any other law. 91 Acts, ch 153, §8

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 322G - DEFECTIVE MOTOR VEHICLES (LEMON LAW) Section 322G.9 - Compliance and disciplinary action.

The attorney general may levy and collect an administrative fine in an amount not to exceed one thousand dollars for each violation against any manufacturer found to be in violation of this chapter or rules adopted pursuant to section 322G.14. A manufacturer may request a hearing pursuant to chapter 17A, the administrative procedure Act, if the manufacturer contests the fine levied against it. The proceeds from any fine levied and collected pursuant to this section shall be placed in the attorney general's motor vehicle fraud and odometer law enforcement fund for implementation and enforcement of this chapter. 91 Acts, ch 153, §9

2024 Iowa Code Title VIII - TRANSPORTATION Chapter 323 - MOTOR FUEL AND SPECIAL FUEL Section 323.14 - Death of franchisee — successor — penalty.

323.14 Death of franchisee — successor — penalty. 1. It is unlawful to include in any distributor franchise or dealer franchise agreement a term which provides for the termination of the franchise by the franchiser upon the death of the franchisee if the franchisee, prior to the franchisee's death, designates a successor-in-interest in a form prescribed by and delivered to the franchiser. For the purposes of this section, "successor-in-interest" is restricted to either a surviving spouse or adult child of the franchisee who, at the time of the franchisee's death, is able to meet reasonable qualifications then being required of distributors or dealers by the franchiser. 2. The successor-in-interest designated as provided in subsection 1 shall have twenty-one days after the death of the franchisee to give written notice of an election to assume and operate the franchise. The notification shall contain such information regarding business experience and credit worthiness as is reasonably required by the franchiser. The successor-in-interest must offer to assume and commence operation of the franchise within ten days after the franchiser approves the assumption. 3. The franchise available to the successor-in-interest pursuant to this section shall be the same as that which existed in the name of the deceased franchisee at the time of the franchisee's death. 4. A franchisee may designate a primary and one alternate successor-in-interest. The alternate, if one is designated, has no rights under this section in the event of an exercise of rights by the primary successor-in-interest. If an alternate desires to assume and operate the franchise in the event the primary successor-in-interest fails to do so, the alternate must give notice of such election and otherwise comply with subsection 2. 5. Unless otherwise specifically provided in this section, actions to be performed by the franchiser or by the successor-in-interest under this section shall be performed within a reasonable time. 6. Following the death of a franchisee, and prior to the operation of the franchise by the successor-in-interest as provided in this section, the executor or administrator of the estate of the deceased franchisee may operate the franchise. 7. If the successor-in-interest assumes the franchise, the successor-in-interest shall account to the heirs or estate of the deceased franchisee for the value of personal property of the franchisee located at or related to the franchise. 8. If the successor-in-interest does not assume the franchise, the franchiser shall account to the heirs or the estate of the deceased franchisee for the value of branded products purchased directly from the franchiser. 9. A franchisee or successor-in-interest may commence a civil action to compel compliance by a franchiser with this section, or to obtain damages caused by a failure to comply with this section, or both, within two years after the date the franchiser fails to comply with the requirements of this section. 327G.32 Blocking highway crossing. 1. A railroad corporation or its employees shall not operate a train in such a manner as to prevent vehicular use of a highway, street, or alley for a period of time in excess of ten minutes except in any of the following circumstances: a. When necessary to comply with signals affecting the safety of the movement of trains. b. When necessary to avoid striking an object or person on the track. c. When the train is disabled. d. When necessary to comply with governmental safety regulations including but not limited to speed ordinances and speed regulations. 2. a. An officer or employee of a railroad corporation violating a provision of this section is, upon conviction, subject to a schedule "two" penalty under section 327C.5. b. An employee is not guilty of a violation if the employee's action was necessary to comply with the direct order or instructions of a railroad corporation or its supervisors. Guilt is then with the railroad corporation. 3. Other portions of this section notwithstanding, a political subdivision may pass an ordinance regulating the length of time a specific crossing may be blocked if the political subdivision demonstrates that an ordinance is necessary for public safety or convenience. If an ordinance is passed, the political subdivision shall, within thirty days of the effective date of the ordinance, notify the department and the railroad corporation using the crossing affected by the ordinance. The ordinance does not become effective unless the department and the railroad corporation are notified within thirty days. The ordinance becomes effective thirty days after notification unless a person files an objection to the ordinance with the department. If an objection is filed, the department shall notify the department of inspections, appeals, and licensing which shall hold a hearing. After a hearing by the department of inspections, appeals, and licensing, the state department of transportation may disapprove the ordinance if public safety or convenience does not require the ordinance. The decision of the state department of transportation is final agency action. The ordinance approved by the political subdivision is prima facie evidence that the ordinance is adopted to preserve public safety or convenience. 4. The department of inspections, appeals, and licensing when considering rebuttal evidence shall weigh the benefits accruing to the political subdivision as they affect the general public use compared to the burden placed on the railroad operation. Public safety or convenience may include, but is not limited to, high traffic density at a specific crossing of a main artery or interference with the flow of authorized emergency vehicles. 5. A resolution regulating the length of time a specific crossing may be blocked, which was adopted before July 1, 1989, is an ordinance for the purposes of this section. Unless otherwise provided in this section, for the first registration, a sum equal to one percent of the manufacturer's list price of the aircraft, not to exceed five thousand dollars. 2. The registration fee for an aircraft operated in scheduled interstate airline operation, owned by an Iowa person and operated part-time within this state shall be a fee of one hundred dollars. Should the department find and determine that no established manufacturer's list price exists for any such aircraft, the department is hereby authorized and empowered to determine and fix the fair value of such aircraft which fair value shall be used in lieu of a manufacturers' list price in computing the registration fee for each such aircraft as otherwise provided by this section. When the fee as so computed results in a fractional part of a dollar, it shall be computed to the nearest dollar. 5. An aircraft thirty years old or older, which is used exclusively for noncommercial purposes, shall be registered as an antique aircraft for a fee of thirty-five dollars. 6. An aircraft, unless exempt under section 328.35, which is not airworthy and is not in flying condition is not subject to registration fees if the owner of the aircraft submits information required by the department. Upon receipt of that information, the department shall issue a certificate that states that the registration fee has not been paid and that the aircraft shall not use the airports or the air space overlying the state until the fee has been paid. 7. The registration fee for a helicopter used exclusively as an air ambulance is one thousand dollars. 8. An aircraft owned and operated by an aviation business located at a publicly owned, public use airport and providing, under agreement with the governing body of the airport, a specified minimum level of aviation services to the general public, shall be registered for a fee of one hundred dollars. 2024 Iowa Code Title VIII - TRANSPORTATION Chapter 329 - AIRPORT ZONING Section 329.2 - Airport hazards contrary to public interest.

329.2 Airport hazards contrary to public interest. It is hereby found that an airport hazard endangers the lives and property of users of the airport and of occupants of land and other persons in its vicinity, and also, if of the obstruction type, in effect reduces the size of the area available for the landing, taking off and maneuvering of aircraft, thus tending to destroy or impair the utility of the airport and the public investment therein. Accordingly, it is hereby declared: 1. That the creation or establishment of an airport hazard is a public nuisance and an injury to the community served by the airport in question. 2. That it is necessary in the interest of the public health, safety, and general welfare that the creation or establishment of airport hazards be prevented. 3. That this should be accomplished, to the extent legally possible, by proper exercise of the police power. 4. That the prevention of the creation or establishment of airport hazards, and the elimination, removal, alteration, mitigation, or marking and lighting of existing airport hazards are public purposes for which municipalities may raise and expend public funds, as an incident to the operation of airports, to acquire land or property interests therein. [C46, 50, 54, 58, 62, 66, 71, 73, 75, 77, 79, 81, §329.2] See §657.2(8)

However, before the retirement of the notes by any means other than the issuance of bonds it shall amend or repeal the resolution authorizing the issuance of the bonds, in anticipation of the proceeds of the sale of which the notes were issued, so as to reduce the authorized amount of the bond issue by the amount of the notes retired. The amendatory or repealing resolution takes effect upon its passage. 3. Any such resolution or resolutions authorizing any bonds hereunder may contain provisions which shall be part of the contract with the holders of such bonds, as to: a. The terms and provisions of any deed of trust, mortgage, or indenture securing the bonds or under which the same may be issued. h. Any other or additional agreements with the holders of the bonds as are customary and proper and which in the judgment of an authority will make said bonds more marketable. 4. An authority may enter into any deeds of trust, mortgages, indentures, or other agreements, with any bank or trust company or any other lender within or without the state as security for such bonds, and may assign and pledge all or any of the revenues, rates, fees, rentals, or other charges or receipts of an authority thereunder. 123.23 Distiller's certificate of compliance — injunction — penalty. 1. Any manufacturer, distiller, or importer of alcoholic liquors shipping, selling, or having alcoholic liquors brought into this state for resale by the state shall, as a condition precedent to the privilege of so trafficking in alcoholic liquors in this state, annually make application for and hold a distiller's certificate of compliance which shall be issued by the director for that purpose. No brand of alcoholic liquor shall be sold by the department in

this state unless the manufacturer, distiller, importer, and all other persons participating in the distribution of that brand in this state have obtained a certificate. The certificate of compliance shall expire at the end of one year from the date of issuance and shall be renewed for a like period upon application to the director unless otherwise suspended or revoked for cause. Each completed application for a certificate of compliance or renewal shall be submitted electronically, or in a manner prescribed by the director, and shall be accompanied by a fee of two hundred dollars payable to the department. However, this subsection need not apply to a manufacturer, distiller, or importer who ships or sells in this state no more than eleven gallons or its case equivalent during any fiscal year as a result of “special orders” which might be placed, as defined and allowed by departmental rules adopted under this chapter. 2. At the time of applying for a certificate of compliance, each applicant shall submit to the department electronically, or in a manner prescribed by the director, the name and address of its authorized agent for service of process which shall remain effective until changed for another, and a list of names and addresses of all representatives, employees, or attorneys whom the applicant has appointed in the state of Iowa to represent it for any purpose. The listing shall be amended by the certificate holder as necessary to keep the listing current with the department. 3. The director and the attorney general are authorized to require any certificate holder or person listed as the certificate holder’s representative, employee, or attorney to disclose such financial and other records and transactions as may be considered relevant in discovering violations of this chapter or of rules and regulations of the department under this chapter or of any other provision of law by any person. 4. Any violation of the requirements of this chapter or rules adopted pursuant to this chapter shall subject the holder of a distiller’s certificate of compliance to the general penalties provided in this chapter and shall constitute grounds for imposition of a civil penalty, suspension of the certificate, or revocation of the certificate, after notice and opportunity for a hearing pursuant to section 123.39 and chapter 17A. However, willful failure to comply with requirements which may be imposed under subsection 3 is grounds for suspension or revocation of the certificate of compliance only. 5. This section shall not require the listing of those persons who are employed on premises where alcoholic liquors are manufactured, processed, bottled, or packaged in Iowa or persons who are thereafter engaged in the transporting of such alcoholic liquors to the department. 6. The attorney general may also proceed pursuant to the provisions of section 714.16 in order to gain compliance with subsection 3 of this section and may obtain an injunction prohibiting any further violations of this chapter or other provisions of law. Any violation of that injunction shall be punished as contempt of court pursuant to chapter 665 except that the maximum fine that may be imposed shall not exceed fifty thousand dollars. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 123 - ALCOHOLIC BEVERAGE CONTROL Section 123.49 - Miscellaneous prohibitions.

123.49 Miscellaneous prohibitions. 1. A person shall not sell, dispense, or give to an intoxicated person, or one simulating intoxication, any alcoholic beverage. a. A person other than a person required to hold a license or permit under this chapter who dispenses or gives an alcoholic beverage in violation of this subsection is not civilly liable to an injured person or the estate of a person for injuries inflicted on that person as a result of intoxication by the consumer of the alcoholic beverage. b. The general assembly declares that this subsection shall be interpreted so that the holding of *Clark v. Mincks*, 364 N.W.2d 226 (Iowa 1985) is abrogated in favor of prior judicial interpretation finding the consumption of alcoholic beverages rather than the serving of alcoholic beverages as the proximate cause of injury inflicted upon another by an intoxicated person. 2. A person holding a retail alcohol license under this chapter, and the person's agents or employees, shall not do any of the following: a. Knowingly permit any gambling, except in accordance with chapter 99B, 99D, 99F, or 99G, or knowingly permit solicitation for immoral purposes, or immoral or disorderly conduct on the premises covered by the license. b. Sell or dispense any alcoholic beverage on the premises covered by the license, or permit its consumption thereon between the hours of 2:00 a.m. and 6:00 a.m. on any day of the week. c. Sell alcoholic beverages to any person on credit, except with a bona fide credit card. This provision does not apply to sales by a club to its members, to sales by a hotel or motel to bona fide registered guests, nor to retail sales by the managing entity of a convention center, civic center, or events center. d. (1) Keep on premises covered by a retail alcohol license any alcoholic liquor in any container except the original package purchased from the department, and except mixed drinks or cocktails mixed on the premises for immediate consumption on the licensed premises or as otherwise provided by this paragraph "d". This prohibition does not apply to holders of a class "D" retail alcohol license or to alcoholic liquor delivered in accordance with section 123.46A. (2) Mixed drinks or cocktails mixed on the premises that are not for immediate consumption may be consumed on the licensed premises subject to the requirements of this subparagraph pursuant to rules adopted by the department. The rules shall provide that the mixed drinks or cocktails be stored, for no longer than seventy-two hours, in a labeled container in a quantity that does not exceed three gallons. The rules shall also provide that added flavors and other nonbeverage ingredients included in the mixed drinks or cocktails shall not include hallucinogenic substances or added caffeine or other added stimulants including but not limited to guarana, ginseng, and taurine. The rules shall also require that the licensee keep records as to when the contents in a particular container were mixed and the recipe used for that mixture. In addition, mixed drinks or cocktails mixed on the premises pursuant to this subparagraph may be sold for consumption off the licensed premises as provided in and subject to the requirements of subparagraph (3). (3) Mixed drinks or cocktails mixed on premises covered by a class "C" retail alcohol license for consumption off the licensed premises may be sold if the mixed drink or cocktail is immediately filled in a sealed container and is promptly taken from the licensed premises prior to consumption of the mixed drink or cocktail. A mixed drink or cocktail that is sold in a sealed container in compliance with the requirements of this subparagraph and rules adopted by the department shall not be deemed an open container subject to the requirements of sections 321.284 and 321.284A if the sealed container is unopened and the seal has not been tampered with, and the contents of the container have not been partially removed. (4) For purposes of this paragraph: (a) "Sealed container" means a vessel containing a mixed drink or cocktail that is designed to prevent consumption without removal of a tamper-evident lid, cap, or seal. "Sealed container" does not include a container with a sipping hole or other opening for a straw, a cup made of plastic that is intended for one-time use, or a cup made of paper or polystyrene foam. (b) "Tamper-evident" means a lid, cap, or seal that visibly demonstrates when a container has been opened. e. Reuse for packaging alcoholic liquor or wine any container or receptacle used originally for packaging alcoholic liquor or wine; or adulterate, by the addition of any substance, the contents or remaining contents of an original package of an alcoholic liquor or wine; or knowingly possess any original package which has been so reused or

adulterated. f. (1) Employ a person under eighteen years of age in the sale or serving of alcoholic beverages for consumption on the premises where sold. (2) This paragraph shall not apply if the employer has on file written permission from the parent, guardian, or legal custodian of a person sixteen or seventeen years of age for the person to sell or serve alcoholic beverages for consumption on the premises where sold. However, a person sixteen or seventeen years of age shall not work in a bar as defined in section 142D.2. The employer shall keep a copy of the written permission on file until the person is either eighteen years of age or no longer engaged in the sale of or serving alcoholic beverages for consumption on the premises where sold. If written permission is on file in accordance with this paragraph, a person sixteen or seventeen years of age may sell or serve alcoholic beverages in a restaurant as defined in section 142D.2 during the hours in which the restaurant serves food. (3) A person sixteen or seventeen years of age shall not sell or serve alcoholic beverages under this paragraph unless at least two employees eighteen years of age or older are physically present in the area where alcoholic beverages are sold or served. (4) If a person employed under this paragraph reports an incident of workplace harassment to the employer or if the employer otherwise becomes aware of such an incident, the employer shall report the incident to the employee's parent, guardian, or legal custodian and to the Iowa civil rights commission, which shall determine if any action is necessary or appropriate under chapter 216. (5) An employer that employs a person under this paragraph shall require the person to attend training on prevention and response to sexual harassment upon commencing employment. (6) Prior to a person commencing employment under this paragraph, the employer shall notify the employer's dramshop liability insurer, in a form and time period prescribed by the director, that the employer is employing a person under this paragraph. g. Allow any person other than the licensee or employees of the licensee to use or keep on the licensed premises any alcoholic liquor in any bottle or other container which is designed for the transporting of such beverages, except as permitted in section 123.95. This paragraph does not apply to the lodging quarters of a hotel or motel holding a retail alcohol license, or to holders of a class "D" retail alcohol license. h. Sell, give, or otherwise supply any alcoholic beverage to any person, knowing or failing to exercise reasonable care to ascertain whether the person is under legal age, or permit any person, knowing or failing to exercise reasonable care to ascertain whether the person is under legal age, to consume any alcoholic beverage. i. In the case of a retail wine or beer permittee, knowingly allow the mixing or adding of alcohol or any alcoholic beverage to wine, beer, or any other beverage in or about the permittee's place of business. j. Knowingly permit or engage in any criminal activity on the premises covered by the license. However, the absence of security personnel on the licensed premises is insufficient, without additional evidence, to prove that criminal activity occurring on the licensed premises was knowingly permitted in violation of this paragraph "j". For purposes of this paragraph "j", "premises" includes parking lots and areas adjacent to the premises of a retail alcohol licensee authorized to sell alcoholic beverages for consumption on the licensed premises and used by patrons of the retail alcohol licensee. k. Sell, give, possess, or otherwise supply a machine which is used to vaporize an alcoholic beverage for the purpose of being consumed in a vaporized form. 3. A person under legal age shall not misrepresent the person's age for the purpose of purchasing or attempting to purchase any alcoholic beverage from any retail alcohol licensee. If any person under legal age misrepresents the person's age, and the licensee establishes that the licensee made reasonable inquiry to determine whether the prospective purchaser was over legal age, the licensee is not guilty of selling alcoholic beverages to a person under legal age. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 123 - ALCOHOLIC BEVERAGE CONTROL Section 123.92 - Civil liability for dispensing or sale and service of any alcoholic beverage (Dramshop Act) — liability insurance — underage persons.

123.92 Civil liability for dispensing or sale and service of any alcoholic beverage (Dramshop Act) — liability insurance — underage persons. 1. a. Subject to the limitation amount specified in paragraph “c”, if applicable, any third party who is not the intoxicated person who caused the injury at issue and who is injured in person or property or means of support by an intoxicated person or resulting from the intoxication of a person, has a right of action for damages actually sustained, severally or jointly against any licensee or permittee, whether or not the license or permit was issued by the department or by the licensing authority of any other state, who sold and served any alcoholic beverage directly to the intoxicated person, provided that the person was visibly intoxicated at the time of the sale or service. b. If the injury was proximately caused by an intoxicated person, a permittee or licensee may establish as an affirmative defense that the intoxication did not contribute to the injurious action of the person. c. The total amount recoverable by each plaintiff in any civil action for noneconomic damages for personal injury, whether in tort, contract, or otherwise, against a licensee or permittee, shall be limited to two hundred fifty thousand dollars for any injury or death of a person, unless the jury determines that there is a substantial or permanent loss or impairment of a bodily function, substantial disfigurement, or death, which warrants a finding that imposition of such a limitation would deprive the plaintiff of just compensation for the injuries sustained. 2. a. Every retail alcohol licensee, except a class “B”, special class “B”, or class “E” retail alcohol licensee, shall furnish proof of financial responsibility by the existence of a liability insurance policy in an amount determined by the department. If an insurer provides dramshop liability insurance at a new location to a licensee or permittee who has a positive loss experience at other locations for which such insurance is provided by the insurer, and the insurer bases premium rates at the new location on the negative loss history of the previous licensee at that location, the insurer shall examine and consider adjusting the premium for the new location not less than thirty months after the insurance is issued, based on the loss experience of the licensee at that location during that thirty-month period of time. b. A dramshop liability insurance policy may be written on an aggregate limit basis. c. The

purpose of dramshop liability insurance is to provide protection for members of the public who experience damages as a result of licensees serving patrons any alcoholic beverage to a point that reaches or exceeds the standard set forth in law for liability. Minimum coverage requirements for such insurance are not for the purpose of making the insurance affordable for all licensees regardless of claims experience. A dramshop liability insurance policy obtained by a licensee shall meet the minimum insurance coverage requirements as determined by the department and is a mandatory condition for holding a license. 3. a. Notwithstanding section 123.49, subsection 1, any person who is injured in person or property or means of support by an intoxicated person who is under legal age or resulting from the intoxication of a person who is under legal age, has a right of action for all damages actually sustained, severally or jointly, against a person who is not a licensee and who dispensed or gave any alcoholic beverage to the intoxicated underage person when the nonlicensee who dispensed or gave the alcoholic beverage to the underage person knew or should have known the underage person was intoxicated, or who dispensed or gave any alcoholic beverage to the underage person to a point where the nonlicensee knew or should have known that the underage person would become intoxicated. b. If the injury was caused by an intoxicated person who is under legal age, a person who is not a licensee and who dispensed or gave the alcoholic beverage to the underage person may establish as an affirmative defense that the intoxication did not contribute to the injurious action of the underage person. c. For purposes of this subsection, “dispensed” or “gave” means the act of physically presenting a receptacle containing any alcoholic beverage to the underage person whose actions or intoxication results in the sustaining of damages by another person. However, a person who dispenses or gives any alcoholic beverage to an underage person shall only be liable for any damages if the person knew or should have known that the underage person was under legal age. Such six months’ period shall be extended if the injured party is incapacitated at the expiration thereof or unable, through reasonable diligence, to discover the name of the licensee, permittee, or person causing the injury or until such time as such incapacity is removed or such person has had a reasonable time to discover the name of the licensee, permittee or person causing the injury. The fair market value of the wholesaler's business shall include, but not be limited to, its goodwill, if any. 2. If a brewer and a wholesaler are unable to mutually agree on the reasonable compensation to be paid for the value of the wholesaler's business, either party may maintain a civil action as provided in section 123A.9, or the matter may, by mutual agreement of the parties, be submitted to a three-member arbitration panel consisting of one representative selected by the brewer but unassociated with the brewer; one representative selected by the wholesaler but unassociated with the wholesaler; and an impartial arbitrator selected by the other two members from a list provided by the American arbitration association, and the claim settled in accordance with the rules provided by the American arbitration association. Arbitration costs shall be paid one-half by the wholesaler and one-half by the brewer. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 123A - BEER BREWERS AND WHOLESALERS — CANNED COCKTAILS Section 123A.9 - Judicial remedies.

123A.9 Judicial remedies. 1. If a brewer or a wholesaler who is a party to an agreement pursuant to this chapter fails to comply with this chapter or otherwise engages in conduct prohibited under this chapter, the aggrieved party may maintain a civil action in district court if the cause of action directly relates to or stems from the relationship of the individual parties under the agreement. 2. A brewer or wholesaler may bring an action for declaratory judgment for determination of any controversy arising under this chapter or out of the brewer and wholesaler agreement. 3. Upon proper petition to the district court, a brewer or wholesaler may obtain injunctive relief against a violation of this chapter. 4. In an action under subsection 1, the district court may grant the relief as the

court determines is necessary or appropriate considering the purposes of this chapter. The district court may, if it finds that a brewer has acted in bad faith in invoking the amendment, modification, cancellation, nonrenewal, or termination provision of the agreement between the brewer and wholesaler, or has unreasonably withheld its consent to any assignment, transfer, or sale of the wholesaler's business, award equitable relief, actual damages, court costs, and attorney's fees. 5. The prevailing party in an action under subsection 1 shall be entitled to actual damages, court costs, and attorney's fees at the court's discretion. 6. With respect to a dispute arising under this chapter or out of the agreement between a brewer and wholesaler, the wholesaler and brewer each has the absolute right, before the wholesaler or brewer has agreed to arbitrate a particular dispute, to refuse to arbitrate that particular dispute. A brewer shall not, as a condition of entering into or renewing an agreement, require the wholesaler to agree to arbitration in lieu of judicial remedies. 7. A brewer shall not take retaliatory action against a wholesaler who files or manifests an intention to file a complaint of alleged violation of state or federal law or regulation by the brewer with the appropriate state or federal regulatory authority. Retaliatory action shall include, but shall not be limited to, refusal without good cause to continue the agreement, or a material reduction in the quality of service or quantity of products available to the wholesaler under the agreement, or impede the normal business operations of the wholesaler. 95 Acts, ch 101, §9 Referred to in §123A.7

124.101A Administration of controlled substances — delegation. Nothing contained in this chapter shall be construed to prevent a physician, dentist, podiatric physician, or veterinarian from delegating the administration of controlled substances under this chapter to a nurse, intern, or other qualified individual or, as to veterinarians, to an orderly or assistant, under the veterinarian’s direction and supervision; all pursuant to rules adopted by the board. 2009 Acts, ch 133, §195

2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 124 - CONTROLLED SUBSTANCES Section 124.101B - Factors indicating an imitation controlled substance.

124.101B Factors indicating an imitation controlled substance. If a substance has not been designated as an imitation controlled substance by the board and if dosage unit appearance alone does not establish that a substance is an imitation controlled substance, the following factors may be considered in determining whether the substance is an imitation controlled substance: 1. The person in control of the substance expressly or impliedly represents that the substance has the effect of a controlled substance. 2. The person in control of the substance expressly or impliedly represents that the substance because of its nature or appearance can be sold or delivered as a controlled substance or as a substitute for a controlled substance. 3. The person in control of the substance either demands or receives money or other property having a value substantially greater than the actual value of the substance as consideration for delivery of the substance. 2017 Acts, ch 145, §3 Referred to in §124.101

2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 124 - CONTROLLED SUBSTANCES Section 124.201 - Duty to recommend changes in schedules — temporary amendments to schedules.

124.201 Duty to recommend changes in schedules — temporary amendments to schedules. 1. The board shall administer the regulatory provisions of this chapter. Annually, within thirty days after the convening of each regular session of the general assembly, the board shall recommend to the general assembly any deletions from, or revisions in the schedules of substances, enumerated in section 124.204, 124.206, 124.208, 124.210, or 124.212, which it deems necessary or advisable. In making a recommendation to the general assembly regarding a substance, the board shall consider the following: a. The actual or relative

potential for abuse; b. The scientific evidence of its pharmacological effect, if known; c. State of current scientific knowledge regarding the substance; d. The history and current pattern of abuse; e. The scope, duration, and significance of abuse; f. The risk to the public health; g. The potential of the substance to produce psychic or physiological dependence liability; and h. Whether the substance is an immediate precursor of a substance already controlled under this subchapter. 2. After considering the factors described in subsection 1, the board shall make a recommendation to the general assembly, specifying the change which should be made in existing schedules, if it finds that the potential for abuse or lack thereof of the substance is not properly reflected by the existing schedules. 3. If the board designates a substance as an immediate precursor, substances which are precursors of the controlled precursor shall not be subject to control solely because they are precursors of the controlled precursor. Such designations shall be made pursuant to the procedures of chapter 17A. 4. If any new substance is designated as a controlled substance under federal law and notice of the designation is given to the board, the board shall similarly designate as controlled the new substance under this chapter after the expiration of thirty days from publication in the federal register of a final order designating a new substance as a controlled substance, unless within that thirty-day period the board objects to the new designation. In that case the board shall publish the reasons for objection and afford all interested parties an opportunity to be heard. At the conclusion of the hearing the board shall announce its decision. Upon publication of objection to a new substance being designated as a controlled substance under this chapter by the board, control under this chapter is stayed until the board publishes its decision. If a substance is designated as controlled by the board under this subsection the control shall be considered a temporary amendment to the schedules of controlled substances in this chapter. If the board so designates a substance as controlled, which is considered a temporary amendment to the schedules of controlled substances in this chapter, and if the general assembly does not amend this chapter to enact the temporary amendment and make the enactment effective within two years from the date the temporary amendment first became effective, the temporary amendment is repealed by operation of law two years from the effective date of the temporary amendment. A temporary amendment repealed by operation of law is subject to section 4.13 relating to the construction of statutes and the application of a general savings provision. If a cannabis-derived investigational product approved as a prescription drug medication by the United States food and drug administration is added to the federal schedule of controlled substances by the federal drug enforcement administration and notice of the addition is given to the board, the board shall similarly add the prescription drug medication in the schedule of controlled substances under this chapter. 2. If a cannabis-derived product approved as a prescription drug medication by the United States food and drug administration is eliminated from or revised in the federal schedule of controlled substances by the federal drug enforcement administration and notice of the elimination or revision is given to the board, the board shall similarly eliminate or revise the prescription drug medication in the schedule of controlled substances under this chapter. 3. The board shall adopt rules pursuant to chapter 17A to administer this section. The board may adopt rules on an emergency basis as provided in section 17A.4, subsection 3, and section 17A.5, subsection 2, to administer this section, and the rules shall be effective immediately upon filing unless a later date is specified in the rules. Any emergency rules adopted in accordance with this section shall also be published as a notice of intended action as provided in section 17A.4, subsection 1. 4. Any cannabis-derived investigational product or cannabis-derived product approved as a prescription drug medication by the United States food and drug administration shall not be considered marijuana or cannabimimetic agents, both as defined in section 124.204, tetrahydrocannabinols as used in section 124.204, subsection 4, paragraph “u”, unnumbered paragraph 1, or hemp as defined in section 204.2. 2017 Acts, ch 162, §1, 25; 2020 Acts, ch 1023, §1, 13

Compliance with applicable state and local law. c. Any convictions of the applicant under any federal and state laws relating to any controlled substance. d. Practitioners shall be registered to dispense any controlled substances or to conduct research with controlled substances in schedules II through V if they are authorized to dispense or conduct research under the law of this state. The board need not require separate registration under this subchapter for practitioners engaging in research with nonnarcotic controlled substances in schedules II through V where the registrant is already registered under this subchapter in another capacity. Practitioners registered under federal law to conduct research with schedule I substances may conduct research in schedule I substances within this state upon furnishing the board evidence of the federal registration. 4. Compliance by manufacturers and distributors with the provisions of the federal law respecting registration, excluding fees, entitles them to be registered under this chapter. The registrant has furnished false or fraudulent material information in any application filed under this chapter or any other chapter which applies to the registrant or the registrant's practice. b. The registrant has had the registrant's federal registration to manufacture, distribute, dispense, or conduct research with controlled substances suspended, revoked, or restricted. c. The registrant has been convicted of a public offense under any state or federal law relating to any controlled substance. For the purpose of this section only, a conviction shall include a plea of guilty, a forfeiture of bail or collateral deposited to secure a defendant's appearance in court which forfeiture has not been vacated, or a finding of guilt in a criminal action even though the entry of the judgment or sentence has been withheld and the individual placed on probation. d. The registrant has committed such acts as would render the registrant's registration under section 124.303 inconsistent with the public interest as determined under that section. e. If the registrant is a licensed health care professional, the registrant has had the registrant's professional license revoked or suspended or has been otherwise disciplined in a way that restricts the registrant's authority to handle or prescribe controlled substances. 2. The board may limit revocation, suspension, or restriction of a registration or discipline of a registrant to the particular controlled substance with respect to which grounds for revocation, suspension, restriction, or discipline exist. 3. If the board suspends, revokes, or restricts a registration, or otherwise disciplines a registrant, all controlled substances owned or possessed by the registrant at the time of the suspension, revocation, restriction, or discipline, or at the time of the effective date of the order, may be placed under seal. 125.14A Personnel of a licensed program admitting juveniles. 1. If a person is being considered for licensure under this chapter, or for employment involving direct responsibility for a child or with access to a child when the child is alone, by a program admitting juveniles subject to licensure under this chapter, or if a person will reside in a facility utilized by such a program, and if the person has been convicted of a crime or has a record of founded child abuse, the record check evaluation system of the department and the program for an employee of the program shall perform an evaluation to determine whether the crime or founded child abuse warrants prohibition of licensure, employment, or residence in the facility. The record check evaluation system shall conduct criminal and child abuse record checks in this state and may conduct these checks in other states. The evaluation shall be performed in accordance with procedures adopted for this purpose by the department. 2. If the record check evaluation system determines that a person has committed a crime or has a record of founded child abuse and is licensed, employed by a program licensed under this chapter, or resides in a licensed facility the record check evaluation system shall notify the program that an evaluation will be conducted to determine whether prohibition of the person's licensure, employment, or residence is warranted. 3. In an evaluation, the record check evaluation system and the program for an employee of the program shall consider the nature and seriousness of the crime or founded child abuse in relation to the position sought or held, the time elapsed since the commission of the crime or founded child abuse, the circumstances under which the crime or founded child abuse was committed, the degree of rehabilitation, the likelihood that the person will commit the crime or founded child abuse again, and the number of crimes or founded child abuses committed by the person involved. The record check evaluation system may permit a person who is evaluated to be licensed, employed, or to reside, or to continue to be licensed, employed, or to reside in a program, if the person complies with the record check evaluation system's conditions relating to the person's licensure, employment, or residence, which may include completion of additional training. For an employee of a licensee, these conditional requirements shall be developed with the licensee. The record check evaluation system has final authority in determining whether prohibition of the person's licensure, employment, or residence is warranted and in developing any conditional requirements under this subsection. 4. If the record check evaluation system determines that the person has committed a crime or has a record of founded child abuse which warrants prohibition of licensure, employment, or residence, the person shall not be licensed under this chapter to operate a program admitting juveniles and shall not be employed by a program or reside in a facility admitting juveniles licensed under this chapter. 5. In addition to the record checks required under this section, the record check evaluation system may conduct dependent adult abuse record checks in this state and may conduct these checks in other states, on a random basis. The provisions of this section, relative to an evaluation following a determination that a person has been convicted of a crime or has a record of founded child abuse, shall also apply to a random check conducted under this subsection. 6. A program or facility shall inform all new applicants for employment of the possibility of the performance of a record check and shall obtain, from the applicant, a signed acknowledgment of the receipt of the information. 7. A program or facility shall include the following inquiry in an application for employment: Do you have a record of founded child or dependent adult abuse or have you ever been convicted of a crime, in this state or any other state? 90 Acts, ch 1221, §1; 91 Acts, ch 138, §1; 92 Acts, ch 1163, §33; 94 Acts, ch 1130, §11; 2023 Acts, ch 19, §88 Referred to in §125.3, 125.7 Section amended

125.78 Procedure after application. As soon as practical after the filing of an application pursuant to section 125.75, the court shall: 1. Determine whether the respondent has an attorney who is able and willing to represent the respondent in the commitment proceeding, and if not, whether the respondent is financially able to employ an attorney and capable of meaningfully assisting in selecting an attorney. In accordance with those determinations, the court shall allow the respondent to select an attorney or shall assign an attorney to the respondent. 125.80 Physician's or mental health professional's examination — report — scheduling of hearing. 1. a. An examination of the respondent shall be conducted within a reasonable time and prior to the commitment hearing by one or more licensed physicians and surgeons or osteopathic physicians and surgeons or mental health professionals as required by the court's order. If the respondent is taken into custody under section 125.81, the examination shall be conducted within twenty-four hours after the respondent is taken into custody. If the respondent desires, the respondent may have a separate examination by a licensed physician and surgeon or osteopathic physician and surgeon or mental health professional of the respondent's own choice. The court shall notify the respondent of the right to choose a licensed physician and surgeon or osteopathic physician and surgeon or mental health professional for a separate examination. The reasonable cost of the examinations shall be paid from county funds upon order of the court if the respondent lacks sufficient funds to pay the cost. b. A licensed physician and surgeon or osteopathic physician and surgeon or mental health professional conducting an examination pursuant to this section may consult with or request the participation in the examination of facility personnel, and may include with or attach to the written report of the examination any findings or observations by facility personnel who have been consulted or have participated in the examination. c. If the respondent is not taken into custody under section 125.81, but the court is subsequently informed that the respondent has declined to be examined by a licensed physician and surgeon or osteopathic physician and surgeon or mental health professional pursuant to the court order, the court may order limited detention of the respondent as necessary to facilitate the examination of the respondent by the licensed physician and surgeon or osteopathic physician and surgeon or mental health professional. 2. A written report of the examination by a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional shall be filed with the clerk prior to the hearing date. A written report of an examination by a licensed physician and surgeon or osteopathic physician and surgeon or mental health professional chosen by the respondent may be similarly filed. The clerk shall immediately: a. Cause a report to be shown to the judge who issued the order. b. Cause the respondent's attorney to receive a copy of the report of a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional. 3. If the report of a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional is to the effect that the respondent is not a person with a substance use disorder, the court, without taking further action, shall terminate the proceeding and dismiss the application on its own motion and without notice. 4. If the report of a court-designated licensed physician and surgeon or osteopathic physician and surgeon or mental health professional is to the effect that the respondent is a person with a substance use disorder, the court shall schedule a commitment hearing as soon as possible. The hearing shall be held not more than forty-eight hours after the report is filed, excluding Saturdays, Sundays, and holidays, unless an extension for good cause is requested by the respondent, or as soon thereafter as possible if the court considers that sufficient grounds exist for delaying the hearing. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 125 - SUBSTANCE USE DISORDERS Section 125.81 - Immediate custody.

125.81 Immediate custody. 1. If a person filing an application requests that a respondent be taken into immediate custody, and the court upon reviewing the application and accompanying documentation, finds probable cause to believe that the respondent is a person with a substance use disorder who is likely to injure the person or other persons if allowed to remain at liberty, the court may enter a written order directing that the respondent be taken into immediate custody by the sheriff, and be detained until the commitment hearing, which shall be held no more than five days after the date of the order, except that if the fifth day after the date of the order is a Saturday, Sunday, or a holiday, the hearing may be held on the next business day. The court may order the respondent detained for the period of time until the hearing is held, and no longer except as provided in section 125.88, in accordance with subsection 2, paragraph "a", if possible, and if not, then in accordance with subsection 2, paragraph "b", or, only if neither of these alternatives is available in accordance with subsection 2, paragraph "c". 2. Detention may be: a. In the custody of a relative, friend, or other suitable person who is willing and able to accept responsibility for supervision of the respondent, with reasonable restrictions as the court may order including but not limited to restrictions on or a prohibition of any expenditure, encumbrance, or disposition of the respondent's funds or property. b. In a suitable hospital, the chief medical officer of which shall be informed of the reasons why immediate custody has been ordered. The hospital may provide treatment which is necessary to preserve the respondent's life, or to appropriately control the respondent's behavior which is likely to result in physical injury to the person or to others if allowed to continue, and other treatment as deemed appropriate by the chief medical officer. c. In the nearest facility which is licensed to care for persons with mental illness or substance use disorder, provided that detention in a jail or other facility intended for confinement of those accused or convicted of a crime shall not be ordered. 3. A respondent shall be released from detention prior to the commitment hearing if a licensed physician or mental health professional examines the respondent and determines the respondent no longer meets the criteria for detention under subsection 1 and provides notification to the court. 4. The respondent's attorney may be allowed by the court to present evidence and arguments before the court's determination under this section. If such an opportunity is not provided at that time, respondent's attorney shall be allowed to present evidence and arguments after the issuance of the court's order of confinement and while the respondent is confined. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 125 - SUBSTANCE USE DISORDERS Section 125.82 - Commitment hearing.

125.82 Commitment hearing. 1. At a commitment hearing, evidence in support of the contentions made in the application may be presented by the applicant, or by an attorney for the applicant, or by the county attorney. During the hearing, the applicant and the respondent shall be afforded an opportunity to testify and to present and cross-examine witnesses, and the court may receive the testimony of other interested persons. If the respondent is present at the hearing, as provided in subsection 3, and has been medicated within twelve hours, or a longer period of time as the court may designate, prior to the beginning of the hearing or a session of the hearing, the court shall be informed of that fact and of the probable effects of the medication upon convening of the hearing. 2. A person not necessary for the conduct of the hearing shall be excluded, except that the court may admit a person having a legitimate interest in the hearing. Upon motion of the applicant, the court may exclude the respondent from the hearing during the testimony of a witness if the court determines that the witness' testimony is likely to cause the respondent severe emotional trauma. 3. The person who filed the application and a licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor certified by the nongovernmental Iowa board of certification who has examined the respondent in connection with the commitment hearing shall be present at the hearing, unless the court for good cause finds that their presence or testimony is not necessary. The applicant, respondent, and the respondent's attorney may waive the presence, televised appearance, or telephonic appearance of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor who examined the respondent and agree to submit as evidence the written report of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor. The respondent's attorney shall inform the court if the respondent's attorney reasonably believes that the respondent, due to diminished capacity, cannot make an adequately considered waiver decision. "Good cause" for finding that the testimony of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor who examined the respondent is not necessary may include but is not limited to such a waiver. If the court determines that the testimony of the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor is necessary, the court may allow the licensed physician and surgeon or osteopathic physician and surgeon, mental health professional, or certified alcohol and drug counselor to testify by telephone or televised means. The respondent shall be present at the hearing unless prior to the hearing the respondent's attorney stipulates in writing that the attorney has conversed with the respondent, and that in the attorney's judgment the respondent cannot make a meaningful contribution to the hearing, or that the respondent has waived the right to be present, and the basis for the attorney's conclusions. A stipulation to the respondent's absence shall be reviewed by the court before the hearing, and may be rejected if it appears that insufficient grounds are stated or that the respondent's interests would not be served by the respondent's absence. 4.

The respondent's welfare is paramount, and the hearing shall be tried as a civil matter and conducted in as informal a manner as is consistent with orderly procedure. The hearing may be held by video or telephone conference at the discretion of the court. Discovery as permitted under the Iowa rules of civil procedure is available to the respondent. The court shall receive all relevant and material evidence, but the court is not bound by the rules of evidence. A presumption in favor of the respondent exists, and the burden of evidence and support of the contentions made in the application shall be upon the person who filed the application. If upon completion of the hearing the court finds that the contention that the respondent is a person with a substance use disorder has not been sustained by clear and convincing evidence, the court shall deny the application and terminate the proceeding. 5. If the respondent is not taken into custody under section 125.81, but the court finds good cause to believe that the respondent is about to depart from the jurisdiction of the court, the court may order limited detention of the respondent as authorized in section 125.81, as is necessary to ensure that the respondent will not depart from the jurisdiction of the court without the court's approval until the proceeding relative to the respondent has been concluded. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 125 - SUBSTANCE USE DISORDERS Section 125.83 - Placement for evaluation.

125.83 Placement for evaluation. If upon completion of the commitment hearing, the court finds that the contention that the respondent is a person with a substance use disorder has been sustained by clear and convincing evidence, the court shall order the respondent placed at a facility or under the care of a suitable facility on an outpatient basis as expeditiously as possible for a complete evaluation and appropriate treatment. The court shall furnish to the facility at the time of admission or outpatient placement, a written statement of facts setting forth the evidence on which the finding is based. The administrator of the facility shall report to the court no more than fifteen days after the individual is admitted to or placed under the care of the facility, which shall include the chief medical officer's recommendation concerning treatment of a substance use disorder. An extension of time may be granted for a period not to exceed seven days upon a showing of good cause. A copy of the report shall be sent to the respondent's attorney who may contest the need for an extension of time if one is requested. If the request is contested, the court shall make an inquiry as it deems appropriate and may either order the respondent released from the facility or grant an extension of time for further evaluation. If the administrator fails to report to the court within fifteen days after the individual is admitted to the facility, and no extension of time has been requested, the administrator is guilty of contempt and shall be punished under chapter 665. The court shall order a rehearing on the application to determine whether the respondent should continue to be held at the facility. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 125 - SUBSTANCE USE DISORDERS Section 125.83A - Placement in certain federal facilities.

125.83A Placement in certain federal facilities. 1. If upon completion of the commitment hearing, the court finds that the contention that the respondent is a person with a substance use disorder has been sustained by clear and convincing evidence, and the court is furnished evidence that the respondent is eligible for care and treatment in a facility operated by the United States department of veterans affairs or another agency of the United States government and that the facility is willing to receive the respondent, the court may so order. The respondent, when so placed in a facility operated by the United States department of veterans affairs or another agency of the United States government within or outside of this state, shall be subject to the rules of the United States department of veterans affairs or other agency, but shall not lose any procedural rights afforded the respondent by this chapter. The chief officer of the facility shall have, with respect to the respondent so placed, the same powers and duties as the chief medical officer of a hospital in this state would have in regard to submission of reports to the court, retention of custody, transfer, convalescent leave, or discharge. Jurisdiction is retained in the court to maintain surveillance of the respondent's treatment and care, and at any time to inquire into the respondent's condition and the need for continued care and custody. 2. Upon receipt of a certificate stating that a respondent placed under this chapter is eligible for care and treatment in a facility operated by the United States department of veterans affairs or another agency of the United States government which is willing to receive the respondent without charge to the state of Iowa or any county in the state, the chief medical officer may transfer the respondent to that facility. Upon so doing, the chief medical officer shall notify the court which ordered the respondent's placement in the same manner as would be required in the case of a transfer under section 125.86, subsection 2, and the respondent transferred shall be entitled to the same rights as the respondent would have under that subsection. No respondent shall be transferred under this section who is confined pursuant to conviction of a public offense or whose placement was ordered upon contention of incompetence to stand trial by reason of mental illness, without prior approval of the court which ordered that respondent's placement. 3. A judgment or order of commitment by a court of competent jurisdiction of another state or the District of Columbia, under which any person is hospitalized or placed in a facility operated by the United States department of veterans affairs or another agency of the United States government, shall have the same force and effect with respect to that person while the person is in this state as the judgment or order would have if the

person were in the jurisdiction of the court which issued it. That court shall be deemed to have retained jurisdiction of the person so placed for the purpose of inquiring into that person's condition and the need for continued care and custody, as do courts in this state under this section. Consent is given to the application of the law of the state or district in which the court is situated which issued the judgment or order as regards authority of the chief officer of any facility, operated in this state by the United States department of veterans affairs or another agency of the United States government, to retain custody, transfer, place on convalescent leave, or discharge the person so committed. 97 Acts, ch 159, §2; 2009 Acts, ch 26, §8; 2011 Acts, ch 121, §48, 62; 2023 Acts, ch 19, §120 Referred to in §229.21 Subsection 1 amended

125.84 Evaluation report. The facility administrator's report to the court of the chief medical officer's substance use disorder evaluation of the respondent shall be made no later than the expiration of the time specified in section 125.83. At least two copies of the report shall be filed with the clerk, who shall distribute the copies in the manner described by section 125.80, subsection 2. The report shall state one of the four following alternative findings: 1. That the respondent does not, as of the date of the report, require further treatment for substance use disorder. If the report so states, the court shall order the respondent's immediate release from involuntary commitment and terminate the proceedings. 2. That the respondent is a person with a substance use disorder who is in need of full-time custody, care, and treatment in a facility, and is considered likely to benefit from treatment. If the report so states, the court shall enter an order which may require the respondent's continued placement and commitment to a facility for appropriate treatment. 3. That the respondent is a person with a substance use disorder who is in need of treatment, but does not require full-time placement in a facility. If the report so states, the report shall include the chief medical officer's recommendation for treatment of the respondent on an outpatient or other appropriate basis, and the court shall enter an order which may direct the respondent to submit to the recommended treatment. The order shall provide that if the respondent fails or refuses to submit to treatment, as directed by the court's order, the court may order that the respondent be taken into immediate custody as provided by section 125.81 and, following notice and hearing held in accordance with the procedures of sections 125.77 and 125.82, may order the respondent treated as a patient requiring full-time custody, care, and treatment as provided in subsection 2, and may order the respondent involuntarily committed to a facility. 4. That the respondent is a person with a substance use disorder who is in need of treatment, but in the opinion of the chief medical officer is not responding to the treatment provided. If the report so states, the report shall include the facility administrator's recommendation for alternative placement, and the court shall enter an order which may direct the respondent's transfer to the recommended placement or to another placement after consultation with the respondent's attorney and the facility administrator who made the report under this subsection. 125.85 Custody, discharge, and termination of proceeding. 1. A respondent committed under section 125.84, subsection 2, shall remain in the custody of a facility for treatment for a period of thirty days, unless sooner discharged. The department is not required to pay the cost of any medication or procedure provided to the respondent during that period which is not necessary or appropriate to the specific objectives of detoxification and treatment of substance use disorder. At the end of the thirty-day period, the respondent shall be discharged automatically unless the administrator of the facility, before expiration of the period, obtains a court order for the respondent's recommitment pursuant to an application under section 125.75, for a further period not to exceed ninety days. 2. A respondent recommitted under subsection 1 who has not been discharged by the facility before the end of the ninety-day period shall be discharged at the expiration of that period unless the administrator of the facility, before expiration of the period, obtains a court order for the respondent's recommitment pursuant to an application under section 125.75, for a further period not to exceed ninety days. 3. Upon the filing of an application for recommitment under subsection 1 or 2, the court shall schedule a recommitment hearing for no later than ten days after the date the application is filed. A copy of the application, the notice of hearing, and any reports shall be served or provided in the manner and to the persons as required by sections 125.77 through 125.80, 125.83, and 125.84. 4. Following a respondent's discharge from a facility or from treatment, the administrator of the facility shall immediately report that fact to the court which ordered the respondent's commitment or treatment. The court shall issue an order confirming the respondent's discharge from the facility or from treatment, as the case may be, and shall terminate the proceedings pursuant to which the order was issued. Copies of the order shall be sent by regular mail to the facility and the respondent. 5. A person who is placed for evaluation at a facility under section 125.83 or who is committed to a facility under section 125.84, subsection 2, shall remain at that facility unless discharged or otherwise permitted to leave by the court or administrator of the facility. If a person placed at a facility or committed to a facility leaves the facility without permission or without having been discharged, the administrator may notify the sheriff of the person's absence and the sheriff shall take the person into custody and return the person promptly to the facility. The report shall be submitted in the manner required by section 125.84, shall state whether in the opinion of the chief medical officer the respondent's condition has improved, remains unchanged, or has deteriorated, and shall indicate the further length of time the respondent will be required to remain at the facility. 2. No more than sixty days after entry of a court order for treatment of a respondent under section 125.84, subsection 3, and thereafter at successive intervals not to exceed ninety days for as long as involuntary treatment continues, the administrator of the facility or the psychiatrist or psychiatric advanced registered nurse practitioner treating the patient shall report to the court which entered the order. The report shall be submitted in the manner required by section 125.84, shall state whether in the opinion of the chief medical officer or the psychiatrist or psychiatric advanced registered nurse practitioner the respondent's condition has improved, remains unchanged, or has deteriorated, and shall indicate the further length of time the respondent will require treatment by the facility. If the respondent fails or refuses to submit to treatment as ordered by the court, the administrator of the facility shall at once notify the court, which shall order the respondent committed for treatment as provided by section 125.84, subsection 3, unless the court finds that the failure or refusal was with good cause, and that the respondent is willing to receive treatment as provided in the court's order, or in a revised order if the court sees fit to enter one. If the administrator of the facility reports to the court that the respondent requires full-time custody, care, and treatment in a facility, and the respondent is willing to be admitted voluntarily to the facility for these purposes, the court may enter an order approving the placement upon consultation with the administrator of the facility in which the respondent is to be placed. If the respondent is unwilling to be admitted voluntarily to the facility, the procedure for determining involuntary commitment, as provided in section 125.84, subsection 3, shall be followed. 3. a. A psychiatric advanced registered nurse practitioner treating a respondent previously committed under this chapter may complete periodic reports pursuant to this section on the respondent if the respondent has been recommended for treatment on an outpatient or other appropriate basis pursuant to section 125.84, subsection 3, and if a psychiatrist licensed pursuant to chapter 148 personally evaluates the respondent on at least an annual basis. b. An advanced registered nurse practitioner who is not certified as a psychiatric advanced registered nurse practitioner but who meets the qualifications of a mental health professional may complete periodic reports pursuant to paragraph "a". 125.87 Status during appeal. If a respondent appeals to the supreme court from a lower court's finding that commitment is warranted, the respondent shall remain committed if already in custody, pursuant to an order of immediate custody under section 125.81 or pursuant to an order for evaluation and treatment under section 125.83, before notice of appeal was filed, unless the supreme court orders otherwise. 125.88 Status if commitment delayed. If a court directs a respondent who was previously ordered taken into immediate custody under section 125.81 to be placed at a facility for evaluation and appropriate treatment under section 125.83, and no suitable facility can immediately admit the respondent, the respondent shall remain in custody as previously ordered by the court, notwithstanding the time limits stated in section 125.81, until a suitable facility can admit the respondent. The court shall take appropriate steps to expedite the admission of the respondent to a suitable facility at the earliest feasible time. [82 Acts, ch 1212, §16] Referred to in §125.81, 229.21

125.89 Respondents charged with or convicted of crime. 1. If a court orders a respondent placed at a facility for evaluation and treatment under section 125.83 at a time when the respondent has been convicted of a public offense, or when there is pending against the respondent an unresolved formal charge of a public offense, and the respondent's liberty has therefore been restricted in any manner, the findings of fact required by section 125.83 shall clearly so inform the administrator of the facility where the respondent is placed. 2. The commitment powers of the court under section 124.409 supersede the procedures and requirements of this subchapter. [82 Acts, ch 1212, §17] 2017 Acts, ch 54, §76 Referred to in §229.21

2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 125 - SUBSTANCE USE DISORDERS Section 125.91 - Emergency detention.

125.91 Emergency detention. 1. The procedure prescribed by this section shall only be used for a person with a substance use disorder due to intoxication or substance-induced incapacitation who has threatened, attempted, or inflicted physical self-harm or harm on another, and is likely to inflict physical self-harm or harm on another unless immediately detained, or who is incapacitated by a substance, if an application has not been filed naming the person as the respondent pursuant to section 125.75 and the person cannot be ordered into immediate custody and detained pursuant to section 125.81. 2. a. A peace officer who has reasonable grounds to believe that the circumstances described in subsection 1 are applicable may, without a warrant, take or cause that person to be taken to the nearest available facility referred to in section 125.81, subsection 2, paragraph “b” or “c”. Such a person with a substance use disorder due to intoxication or substance-induced incapacitation who also demonstrates a significant degree of distress or dysfunction may also be delivered to a facility by someone other than a peace officer upon a showing of reasonable grounds. Upon delivery of the person to a facility under this section, the attending physician and surgeon or osteopathic physician and surgeon may order treatment of the person, but only to the extent necessary to preserve the person’s life or to appropriately control the person’s behavior if the behavior is likely to result in physical injury to the person or others if allowed to continue. The peace officer or other person who delivered the person to the facility shall describe the circumstances of the matter to the attending physician and surgeon or osteopathic physician and surgeon. If the person is a peace officer, the peace officer may do so either in person or by written report. b. If the attending physician and surgeon or osteopathic physician and surgeon has reasonable grounds to believe that the circumstances in subsection 1 are applicable, the facility shall have the authority to detain the person for a period of no longer than twelve hours. Within twelve hours of detaining a person pursuant to this section, the attending physician shall communicate with the nearest available magistrate. c. Once contacted pursuant to paragraph “b”, the magistrate shall, based upon the circumstances described by the attending physician and surgeon or osteopathic physician and surgeon, give the attending physician and surgeon or osteopathic physician and surgeon oral instructions either directing that the person be released forthwith, or authorizing the person’s detention in an appropriate facility. The magistrate may also give oral instructions and order that the detained person be transported to an appropriate facility. d. If the magistrate orders that the person be detained, the magistrate shall, by the close of business on the next working day, file a written order with the clerk in the county where it is anticipated that an application may be filed under section 125.75. The order may be filed by facsimile if necessary. The order shall state the circumstances under which the person was taken into custody or otherwise brought to a facility and the grounds supporting the finding of probable cause to believe that the person is a person with a substance use disorder likely to result in physical injury to the person or others if not detained. The order shall confirm the oral order authorizing the person’s detention including any order given to transport the person to an appropriate facility. The clerk shall provide a copy of that order to the attending physician and surgeon or osteopathic physician and surgeon at the facility to which the person was originally taken, any subsequent facility to which the person was transported, and to any law enforcement department or ambulance service that transported the person pursuant to the magistrate’s order. 3. The attending physician and surgeon or osteopathic physician and surgeon shall examine and may detain the

person pursuant to the magistrate's order for a period not to exceed forty-eight hours from the time the order is dated, excluding Saturdays, Sundays, and holidays, unless the order is dismissed by a magistrate. The facility may provide treatment which is necessary to preserve the person's life or to appropriately control the person's behavior if the behavior is likely to result in physical injury to the person or others if allowed to continue or is otherwise deemed medically necessary by the attending physician and surgeon or osteopathic physician and surgeon or mental health professional, but shall not otherwise provide treatment to the person without the person's consent. The person shall be discharged from the facility and released from detention no later than the expiration of the forty-eight-hour period, unless an application for involuntary commitment is filed with the clerk pursuant to section 125.75. The detention of a person by the procedure in this section, and not in excess of the period of time prescribed by this section, shall not render the peace officer, attending physician and surgeon or osteopathic physician and surgeon, or facility detaining the person liable in a criminal or civil action for false arrest or false imprisonment if the peace officer, attending physician and surgeon or osteopathic physician and surgeon, mental health professional, or facility had reasonable grounds to believe that the circumstances described in subsection 1 were applicable. 4. The cost of detention in a facility under the procedure prescribed in this section shall be paid in the same way as if the person had been committed to the facility pursuant to an application filed under section 125.75. Prompt evaluation, emergency services, and care and treatment as indicated by sound clinical practice. 2. Render informed consent, except for treatment provided pursuant to sections 125.81 and 125.91. If the person is incompetent, treatment may be consented to by the person's next of kin or guardian notwithstanding the person's refusal. If the person refuses treatment which in the opinion of the chief medical officer is necessary, or if the person is incompetent and the next of kin or guardian refuses to consent to the treatment or no next of kin or guardian is available, the facility may petition a court of appropriate jurisdiction for approval to treat the person. 3. The protection of the person's constitutional rights. 4. Enjoy all legal, medical, religious, social, political, personal, and working rights and privileges, which the person would enjoy if not detained, taken into immediate custody, or committed, consistent with the effective treatment of the person and of the other persons in the facility. If the person's rights are restricted, the physician and surgeon's or osteopathic physician and surgeon's or mental health professional's direction to that effect shall be noted in the person's record. The person or the person's next of kin or guardian shall be advised of the person's rights and be provided a written copy upon the person's admission to or arrival at the facility. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 126 - DRUGS, DEVICES, AND COSMETICS Section 126.10 - Drugs

and devices — misbranding — labeling.

126.10 Drugs and devices — misbranding — labeling. 1. A drug or device is misbranded under any of the following circumstances:

a. If its labeling is false or misleading in any particular. b. (1) If in a package form unless it bears a label containing both of the following: (a) The name and place of business of the manufacturer, packer, or distributor. (b) An accurate statement of the quantity of the contents in terms of weight, measure, or numerical count. (2) However, under subparagraph (1), subparagraph division (a), reasonable variations shall be permitted, and exemptions as to small packages shall be allowed, in accordance with rules adopted by the board. c. If any word, statement, or other information required by or under the authority of this chapter to appear on the label or labeling is not prominently placed thereon with such conspicuousness, as compared with other words, statements, designs, or devices, in the labeling, and in such terms as to render it likely to be read and understood by the ordinary individual under customary conditions of purchase and use. d. If it is for use by humans and contains any quantity of the narcotic or hypnotic substance alpha-eucaine, barbituric acid, beta-eucaine, bromal, cannabis, carbromal, chloral, coca, cocaine, codeine, heroin, marijuana, morphine, opium, paraldehyde, peyote, or sulphonmethane; or any chemical derivative of such a substance, which derivative, after investigation, has been designated as habit forming, by rules adopted by the board under this chapter or by regulations adopted by the secretary pursuant to section 502(d) of the federal Act; unless its label bears the name and quantity or proportion of such substance or derivative and in juxtaposition therewith the statement “Warning — May Be Habit Forming”. e. (1) If it is a drug, unless both of the following apply: (a) Its label bears, to the exclusion of any other nonproprietary name except the applicable systematic chemical name or the chemical formula: (i) The established name of the drug, as specified in subparagraph (3), if such exists; and (ii) If the drug is fabricated from two or more ingredients, the established name and quantity of each active ingredient, including the quantity, kind, and proportion of any alcohol, and also including, whether active or not, the established name and quantity or proportion of any bromides, ether, chloroform, acetanilide, acetophenetidin, amidopyrine, antipyrine, atropine, hyoscyne, hyoscyamine, arsenic, digitalis, digitalis glucosides, mercury, ouabain, strophanthin, strychnine, thyroid, or any derivative or preparation of any such substances, contained therein. However, the requirement for stating the quantity of the active ingredients, other than the quantity of those specifically named in this subparagraph subdivision, applies only to prescription drugs. (b) For a prescription drug, the established name of the prescription drug or of an ingredient is printed, on the label and on any labeling on which a name for the prescription drug or an ingredient is used, prominently and in type at least half as large as that used thereon for any proprietary name or designation for the prescription drug or ingredient. However, to the extent that compliance with subparagraph division (a), subparagraph subdivision (ii), or this subparagraph division is impracticable, exemptions shall be allowed under rules or regulations adopted by the board or the secretary under the federal Act. (2) If it is a device and it has an established name, unless its label bears, to the exclusion of any other nonproprietary name, its established name, as defined in subparagraph (4), prominently printed in type at least half as large as that used thereon for any proprietary name or designation for the device, except that to the extent compliance with this subparagraph is impracticable, exemptions shall be allowed under rules or regulations adopted by the board or the secretary under the federal Act. (3) As used in subparagraph (1), the term “established name”, with respect to a drug or ingredient thereof, means one of the following: (a) The applicable official name designated pursuant to section 508 of the federal Act. (b) If no such official name exists and the drug or ingredient is an article recognized in an official compendium, then its official title in the compendium. (c) If neither subparagraph division (a) nor (b) applies, then the common or usual name, if any, of the drug or ingredient. However, if subparagraph division (b) applies to an article recognized in the United States Pharmacopoeia National Formulary and in the Homeopathic Pharmacopoeia of the United States under different official titles, the official title used in the United States Pharmacopoeia National Formulary applies unless it is labeled and offered for sale as a homeopathic drug, in which case the official title used in the Homeopathic Pharmacopoeia of the United States applies. (4) As used in subparagraph (2), the term “established name” with respect to a device means one of the following: (a) The applicable official name of the device pursuant to section 508 of the federal Act. (b) If no such official name exists and the device is an article recognized in an official compendium, then its official title in the compendium. (c) If neither subparagraph division (a) nor (b) applies, then any common or usual name of the device. f. (1) Unless its labeling bears both of the following: (a) Adequate directions for use. (b) Adequate warnings against use in those pathological conditions, or by children, where its use may be dangerous to health, or against unsafe dosage or methods or durations of administration or application, in the manner and form necessary for the protection of users. (2) However, if a requirement of subparagraph (1), subparagraph division (a), as applied to a drug or device, is not necessary for the protection of the public health, the board or the secretary shall adopt rules or regulations exempting the drug or device from that requirement. g. If it purports to be a drug the name of which is recognized in an official compendium, unless it is packaged and labeled as prescribed in the official compendium. However, the method of packing may be modified with the consent of the board or the secretary. If a drug is recognized in both the United States Pharmacopoeia National Formulary and the Homeopathic Pharmacopoeia of the United States, it is subject to the requirements of the United States Pharmacopoeia National Formulary with respect to packaging and labeling unless it is labeled and offered for sale as a homeopathic drug, in which case it is subject to the Homeopathic Pharmacopoeia of the United States, and not to the United States Pharmacopoeia National Formulary. However, if an inconsistency exists between this paragraph and paragraph “e” as to the name by which the drug or its ingredients shall be designated, paragraph “e” prevails. h. If it has been found by the board or the secretary to be a drug liable to deterioration, unless it is packaged in the form and manner, and its label bears a statement of the precautions that the board or the secretary by rule or regulation requires as necessary for the protection of public health. Such a rule or regulation shall not be established for a drug recognized in an official compendium until the board or the secretary has informed the appropriate body charged with the revision of the official compendium of the need for such packaging or labeling requirements and that body has failed within a reasonable

time to prescribe such requirements. i. (1) If it is a drug and its container is so made, formed, or filled as to be misleading. (2) If it is an imitation of another drug. (3) If it is offered for sale under the name of another drug. j. If it is dangerous to health when used in the dosage or manner, or with the frequency or duration prescribed, recommended, or suggested in its labeling. k. If it is, or purports to be, or is represented as a drug composed wholly or partly of insulin, unless both of the following apply: (1) It is from a batch with respect to which a certificate or release has been issued pursuant to section 506 of the federal Act. (2) The certificate or release is in effect with respect to the drug. l. (1) If it is, or purports to be, or is represented as a drug, composed wholly or partly of any kind of penicillin, streptomycin, chlortetracycline, chloramphenicol, bacitracin, or any other antibiotic drug, or any derivative thereof, unless both of the following apply: (a) It is from a batch with respect to which a certificate or release has been issued pursuant to section 507 of the federal Act. (b) The certificate or release is in effect with respect to the drug. (2) However, this paragraph “l” does not apply to any drug or class of drugs exempted by regulations adopted under section 507(c) or 507(d) of the federal Act. m. If it is a color additive, the intended use of which is for the purpose of coloring only, unless its packaging and labeling are in conformity with the packaging and labeling requirements applicable to that color additive, as contained in regulations adopted under section 706 of the federal Act. n. If it is a prescription drug distributed or offered for sale in this state, unless the manufacturer, packer, or distributor includes in all advertising and other descriptive printed matter issued or caused to be issued by the manufacturer, packer, or distributor with respect to the prescription drug a true statement of all of the following: (1) The established name as defined in paragraph “e”, printed prominently and in type at least half as large as that used for any trade or brand name thereof. (2) The formula showing quantitatively each ingredient of the prescription drug to the extent required for labels under paragraph “e”. (3) Other information in brief summary relating to side effects, contraindications, and effectiveness as required in regulations adopted pursuant to section 701(e) of the federal Act. o. If it was manufactured, prepared, propagated, compounded, or processed in an establishment in this state not duly registered under section 510 of the federal Act, if it was not included on a list required by section 510(j) of the federal Act, if a notice or other information respecting it was not provided as required by that section or section 510(k) of the federal Act, or if it does not bear the symbols from the uniform system for identification of devices prescribed under section 510(e) of the federal Act that are required by regulation. p. If it is a drug and its packaging or labeling is in violation of an applicable regulation adopted pursuant to section 3 or 4 of the federal Poison Prevention Packaging Act of 1970, 15 U.S.C. §1471 et seq. q. If a trademark, trade name, or other identifying mark, imprint, or device of another trademark, trade name, mark, or imprint or any likeness of the foregoing has been placed thereon or upon its container with intent to defraud. r. In the case of a restricted device distributed or offered for sale in this state, if either of the following applies: (1) Its advertising is false or misleading in any particular. (2) It is sold, distributed, or used in violation of regulations adopted pursuant to section 520(e) of the federal Act. s. In the case of a restricted device distributed or offered for sale in this state, unless the manufacturer, packer, or distributor includes in all advertising and other descriptive printed matter issued by the manufacturer, packer, or distributor with respect to the device both of the following: (1) A true statement of the device’s established name as defined in paragraph “e”, printed prominently and in type at least half as large as that used for any trade or brand name thereof. (2) A brief statement of the intended uses of the device and relevant warnings, precautions, side effects, and contraindications; and in the case of a specific device made subject to regulations adopted pursuant to the federal Act, a full description of the components of the device or the formula showing quantitatively each ingredient of the device to the extent required in regulations under the federal Act. t. If it is a device subject to a performance standard established under section 514 of the federal Act, unless it bears labeling as prescribed in that performance standard. u. If it is a device and there was a failure or refusal to comply with any requirement prescribed under section 518 of the federal Act respecting the device, or to furnish material required by or under section 519 of the federal Act respecting the device. 2. If an article is alleged to be misbranded because the labeling or advertising is misleading, then in determining whether the labeling or advertising is misleading, there shall be taken into account, among other things, not only representations made or suggested by statement, word, design, device, or any combination thereof, but also the extent to which the labeling or advertising fails to reveal facts material in the light of such representations, or material with respect to consequences which may result from the use of the article to which the labeling or advertising relates, under the conditions of use prescribed in the labeling or advertising or under customary or usual conditions of use. 3. The representation of a drug, in its labeling, as an antiseptic shall be considered to be a representation that it is a germicide, except in the case of a drug purporting to be, or represented as, an antiseptic for inhibitory use as a wet dressing, ointment, dusting powder, or such other use as involves prolonged contact with the body. 89 Acts, ch 197, §10 CS89, §203B.10 C93, §126.10 2009 Acts, ch 41, §189 Referred to in §126.11

2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 126 - DRUGS, DEVICES, AND COSMETICS Section 126.11 - Exemptions in cases of drugs and devices — dispensing by prescription only.

126.11 Exemptions in cases of drugs and devices — dispensing by prescription only. 1. The board shall adopt rules exempting from any labeling or packaging requirement of this chapter drugs and devices which are, in accordance with the practice of the trade, to be processed, labeled, or repacked in substantial quantities at establishments other than those where originally processed or packaged, on condition that such drugs and devices are not adulterated or misbranded upon removal from the processing, labeling, or repacking establishment. 2. Drug and device labeling or packaging exemptions adopted pursuant to the federal Act shall apply to drugs and devices in this state except insofar as modified or rejected by rules adopted by the board. 3. a. (1) This paragraph “a” applies to a drug intended for use by humans which is any of the following: (a) Is a habit-forming drug to which section 126.10, subsection 1, paragraph “d” applies. (b) Because of its toxicity or other potentiality for harmful effect, or the method of its use, or the collateral measures necessary to its use, is not safe for use except under the supervision of a practitioner licensed by law to

administer the drug. (c) Is limited by an approved application under section 505 of the federal Act to use under the professional supervision of a practitioner licensed by law to administer the drug. (2) Such a drug shall be dispensed only upon a written, electronic, or facsimile prescription of a practitioner licensed by law to administer the drug, or upon an oral prescription of such a practitioner which is reduced promptly to writing and filed by the pharmacist, or by refilling any such written, electronic, facsimile, or oral prescription if the refilling is authorized by the prescriber either in the original written, electronic, or facsimile prescription or by oral order which is reduced promptly to writing and filed by the pharmacist. The act of dispensing a drug contrary to this paragraph “a” while the drug is held for sale results in the drug being misbranded. b. (2) Access the single contact repository to perform the required record checks. b. (1) If a hospital accesses the single contact repository to perform the required record checks pursuant to paragraph “a”, the hospital may utilize a third-party vendor to perform a comprehensive preliminary background check and provisionally employ a person being considered for employment pending completion of the required record checks through the single contact repository and the evaluation by the record check evaluation system, as applicable, subject to all of the following: (a) If the comprehensive preliminary background check determines that the person being considered for employment has been convicted of a crime, but the crime does not constitute a felony as defined in section 701.7 and is not a crime specified pursuant to chapter 708, 708A, 709, 709A, 710, 710A, 711, or 712, or pursuant to section 726.3, 726.27, or 726.28. (b) If the comprehensive preliminary background check determines the person being considered for employment does not have a record of founded child abuse or dependent adult abuse or if an exception pursuant to subsection 4 is applicable to the person. (c) If the hospital has requested an evaluation in accordance with subsection 2, paragraph “a”, to determine whether the crime warrants prohibition of the person’s employment in the hospital. (2) The provisional employment under this paragraph “b” may continue until such time as the required record checks through the single contact repository and the evaluation by the record check evaluation system, as applicable, are completed. c. A hospital shall inform all persons prior to employment regarding the performance of the record checks and shall obtain, from the persons, a signed acknowledgment of the receipt of the information. A hospital shall include the following inquiry in an application for employment: Do you have a record of founded child or dependent adult abuse or have you ever been convicted of a crime, in this state or any other state? 2. a. If it is determined that a person being considered for employment in a hospital has committed a crime, the department of public safety shall notify the hospital that upon the request of the hospital the record check evaluation system will perform an evaluation to determine whether the crime warrants prohibition of the person’s employment in the hospital. b. (1) If a person being considered for employment, other than employment involving the operation of a motor vehicle, has been convicted of a crime listed in subparagraph (2) but does not have a record of founded child or dependent adult abuse and the hospital has requested an evaluation in accordance with paragraph “a” to determine whether the crime warrants prohibition of the person’s employment, the hospital may employ the person for not more than sixty calendar days pending completion of the evaluation. (2) Subparagraph (1) applies to a crime that is a simple misdemeanor offense under section 123.47, and to a crime that is a first offense of operating a motor vehicle while intoxicated under section 321J.2, subsection 1. c. If a record check evaluation system child or dependent adult abuse record check shows that the person has a record of founded child or dependent adult abuse, the record check evaluation system shall notify the hospital that upon the request of the hospital the record check evaluation system will perform an evaluation to determine whether the founded child or dependent adult abuse warrants prohibition of the person’s employment in the hospital. d. An evaluation performed under this subsection shall be performed in accordance with procedures adopted for this purpose by the department of health and human services. e. (1) If a person owns or operates more than one hospital, and an employee of one of such hospitals is transferred to another such hospital without a lapse in employment, the hospital is not required to request additional criminal and child and dependent adult abuse record checks of that employee. (2) If the ownership of a hospital is transferred, at the time of transfer the record checks required by this section shall be performed for each employee for whom there is no documentation that such record checks have been performed. The hospital may continue to employ such employee pending the performance of the record checks and any related evaluation. 3. In an evaluation, the record check evaluation system shall consider the nature and seriousness of the crime or founded child or dependent adult abuse in relation to the position sought or held, the time elapsed since the commission of the crime or founded child or dependent adult abuse, the circumstances under which the crime or founded child or dependent adult abuse was committed, the degree of rehabilitation, the likelihood that the person will commit the crime or founded child or dependent adult abuse again, and the number of crimes or founded child or dependent adult abuses committed by the person involved. If the record check evaluation system performs an evaluation for the purposes of this section, the record check evaluation system has final authority in determining whether prohibition of the person’s employment is warranted. 4. a. Except as provided in subsection 1, paragraph “b”, subsection 2, and paragraph “b” of this subsection, a person who has committed a crime or has a record of founded child or dependent adult abuse shall not be employed in a hospital licensed under this chapter unless an evaluation has been performed by the record check evaluation system. b. A person with a criminal or abuse record who is or was employed by a hospital licensed under this chapter and is hired by another hospital shall be subject to the criminal history and abuse record checks required pursuant to subsection 1. However, if an evaluation was previously performed by the record check evaluation system concerning the person’s criminal or abuse record and it was determined that the record did not warrant prohibition of the person’s employment and the latest record checks do not indicate a crime was committed or founded abuse record was entered subsequent to that evaluation, the person may commence employment with the other hospital in accordance with the record check

evaluation system's evaluation and an exemption from the requirements in paragraph "a" for reevaluation of the latest record checks is authorized. Otherwise, the requirements of paragraph "a" remain applicable to the person's employment. Authorization of an exemption under this paragraph "b" from requirements for reevaluation of the latest record checks by the record check evaluation system is subject to all of the following provisions: (1) The position with the subsequent employer is substantially the same or has the same job responsibilities as the position for which the previous evaluation was performed. (2) Any restrictions placed on the person's employment in the previous evaluation by the record check evaluation system shall remain applicable in the person's subsequent employment. (3) The person subject to the record checks has maintained a copy of the previous evaluation and provides the evaluation to the subsequent employer or the previous employer provides the previous evaluation from the person's personnel file pursuant to the person's authorization. If a physical copy of the previous evaluation is not provided to the subsequent employer, the record checks shall be reevaluated. (4) Although an exemption under this lettered paragraph "b" may be authorized, the subsequent employer may instead request a reevaluation of the record checks and may employ the person while the reevaluation is being performed. 5. a. If a person employed by a hospital that is subject to this section is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person's employment application date, the person shall inform the hospital of such information within forty-eight hours of the criminal conviction or entry of the record of founded child or dependent adult abuse. The hospital shall act to verify the information within seven calendar days of notification. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied by the hospital to determine whether or not the person's employment is continued. The hospital may continue to employ the person pending the performance of an evaluation by the record check evaluation system to determine whether prohibition of the person's employment is warranted. A person who is required by this subsection to inform the person's employer of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor. b. If a hospital receives credible information, as determined by the hospital, that a person employed by the hospital has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after employment from a person other than the employee and the employee has not informed the hospital of such information within the period required under paragraph "a", the hospital shall act to verify the credible information within seven calendar days of receipt of the credible information. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied by the hospital to determine whether or not the person's employment is continued. c. The hospital may notify the county attorney for the county where the hospital is located of any violation or failure by an employee to notify the hospital of a criminal conviction or entry of an abuse record within the period required under paragraph "a". 6. A hospital licensed in this state may access the single contact repository established by the department pursuant to section 135C.33 as necessary for the hospital to perform record checks of persons employed or being considered for employment by the hospital. 7. The rules shall provide that a resident shall be involuntarily discharged for any of the following reasons: (1) (a) The resident has been diagnosed with a substance use disorder but continues to abuse alcohol or an illegal drug in violation of the resident's conditional or provisional agreement entered into at the time of admission, and all of the following conditions are met: (i) The resident has been provided sufficient notice of any changes in the resident's collaborative care plan. (4) The resident requires a level of licensed care not provided at the Iowa veterans home. The department shall prescribe by rule that any licensee or applicant for license desiring to make specific types of physical or functional alterations or additions to its facility or to construct new facilities shall, before commencing the alteration or additions or new construction, submit plans and specifications to the department for preliminary inspection and approval or recommendations with respect to compliance with the department's rules and standards. b. When the plans and specifications have been properly approved by the department or other appropriate state agency, for a period of at least five years from completion of the construction or alteration, the facility or the portion of the facility constructed or altered in accord with the plans and specifications shall not be considered deficient or ineligible for licensing by reason of failure to meet any rule or standard established subsequent to approval of the plans and specifications. c. When construction or alteration of a facility or portion of a facility has been completed in accord with plans and specifications submitted as required by this subsection and properly approved by the department or other appropriate state agency, and it is discovered that the facility or portion of a facility is not in compliance with a requirement of this chapter or of the rules or standards adopted pursuant to it and in effect at the time the plans and specifications were submitted, and the deficiency was apparent from the plans and specifications submitted but was not noted or objected to by the department or other appropriate state agency, the department or agency responsible for the oversight shall either waive the requirement or reimburse the licensee or applicant for any costs which are necessary to bring the new or reconstructed facility or portion of a facility into compliance with the requirement and which the licensee or applicant would not have incurred if the facility or portion of the facility had been constructed in compliance with the requirements of this chapter or of the rules or standards adopted pursuant to it and in effect at the time the plans and specifications were submitted. d. If within two years from the completion of the construction or alteration of the facility or portion thereof, a department or agency of the state orders that the new or reconstructed facility or portion thereof be brought into compliance with the requirements of this chapter or the rules or standards adopted pursuant to it and in effect at the time the plans and specifications were submitted, the state shall have a claim for damages to the extent of any reimbursement paid to the licensee or applicant against any person who designed the facility or portion thereof for negligence in the preparation of the plans and specifications therefor, subject to all defenses based upon the negligence of the state in reviewing and approving those plans and specifications, but not thereafter. e. The provisions of this subsection shall not apply where the deficiency presents a clear and present danger to the safety of the residents of the facility. 3. An authorized representative of the department may enter any licensed health care facility without a warrant, and may examine all records pertaining to the care provided residents of the facility. An authorized representative of the department may contact or interview any resident, employee, or any other person who might have knowledge about the operation of a health care facility. An authorized representative of the department of health and human services shall have the same right with respect to any facility where one or more residents are cared for entirely or partially at public expense, and an authorized representative of the designated protection and advocacy agency shall have the same right with respect to any facility where one or more residents have developmental disabilities or mental illnesses, and the director shall have the same right of entry into any facility and the right to inspect any records pertinent to fire safety practices and conditions within that facility, and an authorized representative of the office of long-term care ombudsman shall have the same right with respect to any nursing facility or residential care facility. If any such authorized representative has probable cause to believe that any institution, building, or agency not licensed as a health care facility is in fact a health care facility as defined by this chapter, and upon producing identification that the individual is an authorized representative is denied entry to the facility for the purpose of making an inspection, the authorized representative may, with the assistance of the

county attorney of the county in which the purported health care facility is located, apply to the district court for an order requiring the owner or occupant to permit entry and inspection of the premises to determine whether there have been any violations of this chapter. The inspector has an immediate family member who currently resides in the facility. 2. For purposes of this section, “immediate family member” means the same as set forth in 42 C.F.R. §488.301, and includes a husband or wife; natural or adoptive parent, child, or sibling; stepparent, stepchild, or stepsibling; father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law; or grandparent or grandchild. 2009 Acts, ch 156, §1

Other information relating to a health care facility obtained by the department which does not constitute the department's findings from an inspection of the facility shall not be made available to the public except in proceedings involving the citation of a facility for a violation under section 135C.40, or the denial, suspension, or revocation of a license under this chapter. The name of a person who files a complaint with the department shall be confidential. 2. a. A citation for a class I or class II violation which is issued to a health care facility and which has become final, or a copy of the citation, shall be prominently posted as prescribed in rules, until the violation is corrected to the department's satisfaction. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 135C - HEALTH CARE FACILITIES Section 135C.2 - Purpose — rules — special classifications — protection and advocacy agency.

135C.2 Purpose — rules — special classifications — protection and advocacy agency. 1. The purpose of this chapter is to promote and encourage adequate and safe care and housing for individuals who are aged or who, regardless of age, are infirm, convalescent, or mentally or physically dependent, by both public and private agencies by providing for the adoption and enforcement of rules and standards for all of the following: a. The housing, care, and treatment of individuals in health care facilities. b. The location, construction, maintenance, renovation, and sanitary operation of such health care facilities which will promote safe and adequate care of individuals in such homes so as to further the health, welfare, and safety of such individuals. 2. Rules and standards prescribed, promulgated, and enforced under this chapter shall not be arbitrary, unreasonable, or confiscatory and the department or agency prescribing, promulgating, or enforcing such rules or standards shall have the burden of proof to establish that such rules or standards meet such requirements and are consistent with the economic problems and conditions involved in the care and housing of persons in health care facilities. 3. a. The department shall establish by administrative rule the following special classifications: (1) Within the residential care facility category, a special license classification for residential facilities intended to serve persons with mental illness. (2) Within the nursing facility category, a special license classification for nursing facilities which designate and dedicate the facility or a special unit within the facility to provide care for persons who suffer from chronic confusion or a dementing illness. A nursing facility which designates and dedicates the facility or a special unit within the facility for the care of persons who suffer from chronic confusion or a dementing illness shall be specially licensed. For the purposes of this subsection, “designate” means to identify by a distinctive title or label and “dedicate” means to set apart for a definite use or purpose and to promote that purpose. b. The department may also establish by administrative rule special classifications within the residential care facility, intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, or nursing facility categories, for facilities intended to serve individuals who have special health care problems or conditions in common. Rules establishing a special classification shall define the problem or condition to which the special classification is relevant and establish requirements for an approved program of care commensurate with the problem or condition. The rules may grant special variances or considerations to facilities licensed within the special classification. c. The rules adopted for intermediate care facilities for persons with an intellectual disability shall be consistent with, but no more restrictive than, the federal standards for intermediate care facilities for persons with an intellectual disability established pursuant to the federal Social Security Act, §1905(c)(d), as codified in 42 U.S.C. §1396d, in effect on January 1, 1989. However, in order for an intermediate care facility for persons with an intellectual disability to be licensed, the director must certify to the department that the facility meets the applicable provisions of the rules adopted for such facilities by the director. The director’s rules shall be based upon such a facility’s compliance with either the provisions applicable to health care occupancies or residential board and care occupancies of the life safety code of the national fire protection association, 2000 edition. The department shall adopt additional rules for intermediate care facilities for persons with an intellectual disability pursuant to section 135C.14, subsection 8. d. Notwithstanding the limitations set out in this subsection regarding rules for intermediate care facilities for persons with an intellectual disability, the department shall consider the federal interpretive guidelines issued by the federal centers for Medicare and Medicaid services when interpreting the department’s rules for intermediate care facilities for persons with an intellectual disability. This use of the guidelines is not subject to the rulemaking provisions of sections 17A.4 and 17A.5, but the guidelines shall be published in the Iowa administrative bulletin and the Iowa administrative code. 4. The protection and advocacy agency designated in the state, under Pub. L. No. 98-527, the Developmental Disabilities Act of 1984, Pub. L. No. 99-319, the Protection and Advocacy for Mentally Ill Individuals Act of 1986, and Pub. L. No. 100-146, the federal Developmental Disabilities Assistance and Bill of Rights Act Amendments of 1987, is recognized as an agency legally authorized and constituted to ensure the implementation of the purposes of this chapter for populations under its authority and in the manner designated by Pub. L. No. 98-527, Pub. L. No. 99-319, and Pub. L. No. 100-146 and in the assurances of the governor of the state. 5. The department shall establish a special classification within the residential care facility category in order to foster the development of residential care facilities which serve persons with an intellectual disability, chronic mental illness, a developmental disability, or brain injury, as described under section 225C.26, and which contain five or fewer residents. A facility within the special classification established pursuant to this subsection is exempt from the requirements of section 10A.713. The department shall adopt rules which are consistent with rules previously developed for the waiver demonstration project pursuant to 1986 Iowa Acts, ch. 1246, §206, and which include all of the following provisions: a. A facility provider under the special classification must comply with rules adopted by the department for the special classification. However, a facility provider which has been accredited by the council on quality and leadership shall be deemed to be in compliance with the rules adopted by the department. b. A facility must be located in an area zoned for single or multiple-family housing or in an unincorporated area and must be constructed in compliance with applicable local requirements and the rules adopted for the special classification by the director in accordance with the concept of the least restrictive environment for the facility residents. Local requirements shall not be more restrictive than the rules adopted for the special classification by the director and the state building code requirements for single or multiple-family housing, under section 103A.7. c. Facility provider plans for the facility’s accessibility to residents must be in place. d. A written plan must be in place which documents that a facility meets the needs of the facility’s residents pursuant to individual program plans developed according to age appropriate and least restrictive program requirements. e. A written plan must be in place which documents that a facility’s residents have reasonable access to employment

or employment-related training, education, generic community resources, and integrated opportunities to promote interaction with the community. f. The facilities licensed under this subsection shall be eligible for funding utilized by other licensed residential care facilities for persons with an intellectual disability, or licensed residential care facilities for persons with mental illness, including but not limited to funding under or from the federal social services block grant, the state supplementary assistance program, state mental health and developmental disabilities services funds, and county funding provisions. 6. a. This chapter shall not apply to adult day services provided in a health care facility. However, adult day services shall not be provided by a health care facility to persons requiring a level of care which is higher than the level of care the facility is licensed to provide. b. The level of care certification provisions pursuant to sections 135C.3 and 135C.4, the license application and fee provisions pursuant to section 135C.7, and the involuntary discharge provisions pursuant to section 135C.14, subsection 8, shall not apply to respite care services provided in a health care facility. However, respite care services shall not be provided by a health care facility to persons requiring a level of care which is higher than the level of care the facility is licensed to provide. c. The department shall adopt rules to implement this subsection. 7. The rules adopted by the department regarding nursing facilities shall provide that a nursing facility may choose to be inspected either by the department or by the joint commission on accreditation of health care organizations. The rules regarding acceptance of inspection by the joint commission on accreditation of health care organizations shall include recognition, in lieu of inspection by the department, of comparable inspections and inspection findings of the joint commission on accreditation of health care organizations, if the department is provided with copies of all requested materials relating to the inspection process. 135C.20A Report cards — facility inspections — complaint procedures — availability to public — electronic access. 1. The department shall develop and utilize a report card system for the recording of the findings of any inspection of a health care facility. The report card shall include but is not limited to a summary of the findings of the inspection, any violation found, any enforcement action taken including any citations issued and penalties assessed, any actions taken to correct violations or deficiencies, and the nature and status of any action taken with respect to any uncorrected violation for which a citation was issued. 2. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 135C - HEALTH CARE FACILITIES Section 135C.23 - Express requirements for admission or residence.

135C.23 Express requirements for admission or residence. No individual shall be admitted to or permitted to remain in a health care facility as a resident, except in accordance with the requirements of this section. 1. Each resident shall be covered by a contract executed at the time of admission or prior thereto by the resident, or the resident's legal representative, and the health care facility, except as otherwise provided by subsection 5 with respect to residents admitted at public expense to a county care facility operated under chapter 347B. Each party to the contract shall be entitled to a duplicate original thereof, and the health care facility shall keep on file all contracts which it has with residents and shall not destroy or otherwise dispose of any such contract for at least one year after its expiration. Each such contract shall expressly set forth: a. The terms of the contract. b. The services and accommodations to be provided by the health care facility and the rates or charges therefor. c. Specific descriptions of any duties and obligations of the parties in addition to those required by operation of law. d. Any other matters deemed appropriate by the parties to the contract. No contract or any provision thereof shall be drawn or construed so as to relieve any health care facility of any requirement or obligation imposed upon it by this chapter or any standards or rules in force pursuant to this chapter, nor contain any disclaimer of responsibility for injury to the resident, or to relatives or other persons visiting the resident, which occurs on the premises of the facility or, with respect to injury to the resident, which occurs while the resident is under the supervision of any employee of the facility whether on or off the premises of the facility. 2. a. A health care facility shall not knowingly admit or retain a resident: (1) Who is dangerous to the resident or other residents. (2) Who is in an acute stage of alcoholism, drug addiction, or mental illness. (3) Whose condition or conduct is such that the resident would be unduly disturbing to other residents. (4) Who is in need of medical procedures, as determined by a physician, or services which cannot be or are not being carried out in the facility. b. This section does not prohibit the admission of a patient with a history of dangerous or disturbing behavior to an intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, nursing facility, or county care facility when the intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, nursing facility, or county care facility has a program which has received prior approval from the department to properly care for and manage the patient. An intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, nursing facility, or county care facility is required to transfer or discharge a resident with dangerous or disturbing behavior when the intermediate care facility for persons with mental illness, intermediate care facility for persons with an intellectual disability, nursing facility, or county care facility cannot control the resident's dangerous or disturbing behavior. The department, in coordination with the state mental health and disability services commission created in section 225C.5, shall adopt rules pursuant to chapter 17A for programs to be required in intermediate care facilities for persons with mental illness, intermediate care facilities for persons with an intellectual disability, nursing facilities, and county care facilities that admit patients or have residents with histories of dangerous or disturbing behavior. c. The denial of admission of a person to a health care facility shall not be based upon the patient's condition, which is the existence of a specific disease in the patient, but the decision to accept or deny admission of a patient with a specific disease shall be based solely upon the ability of the health care facility to provide the level of care required by the patient. 3. Except in emergencies, a resident who is not essentially capable of managing the resident's own affairs shall not be transferred out of a health care facility or discharged for any reason without prior notification to the next of kin, legal representative, or agency acting on the resident's behalf. When such next of kin, legal representative, or agency cannot be

reached or refuses to cooperate, proper arrangements shall be made by the facility for the welfare of the resident before the resident's transfer or discharge. 4. No owner, administrator, employee, or representative of a health care facility shall pay any commission, bonus, or gratuity in any form whatsoever, directly or indirectly, to any person for residents referred to such facility, nor accept any commission, bonus, or gratuity in any form whatsoever, directly or indirectly, for professional or other services or supplies purchased by the facility or by any resident, or by any third party on behalf of any resident, of the facility. 5. Each county which maintains a county care facility under chapter 347B shall develop a statement in lieu of, and setting forth substantially the same items as, the contracts required of other health care facilities by subsection 1. The statement must be approved by the county board of supervisors and by the department. When so approved, the statement shall be considered in force with respect to each resident of the county care facility. 135C.24 Personal property or affairs of patients or residents. The admission of a resident to a health care facility and the resident's presence therein shall not in and of itself confer on such facility, its owner, administrator, employees, or representatives any authority to manage, use, or dispose of any property of the resident, nor any authority or responsibility for the personal affairs of the resident, except as may be necessary for the safety and orderly management of the facility and as required by this section. 1. A health care facility shall keep complete and accurate records of all funds and other effects and property of its residents received by it for safekeeping. 4. Upon request the facility shall furnish the resident, the guardian, trustee or conservator, if any, for any resident, or any governmental unit or private charitable agency contributing funds or other property on account of any resident, a complete and certified statement of all funds or other property to which this subsection applies detailing the amounts and items received, together with their sources and disposition. 5. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 135C - HEALTH CARE FACILITIES Section 135C.30 - Operation of facility under receivership.

135C.30 Operation of facility under receivership. When so authorized by section 135C.11, subsection 2, or section 135C.12, subsection 1, the director may file a verified application in the district court of the county where a health care facility licensed under this chapter is located, requesting that an individual nominated by the director be appointed as receiver for the facility with responsibility to bring the operation and condition of the facility into conformity with this chapter and the rules or minimum standards promulgated under this chapter. 1. The court shall expeditiously hold a hearing on the application, at which the director shall present evidence in support of the application. The licensee against whose facility the petition is filed may also present evidence, and both parties may subpoena witnesses. The court may appoint a receiver for the health care facility in advance of the hearing if the director's verified application states that an emergency exists which presents an imminent danger of resultant death or physical harm to the residents of the facility. If the licensee against whose facility the receivership petition is filed informs the court at or before the time set for the hearing that the licensee does not object to the application, the court shall waive the hearing and at once appoint a receiver for the facility. 2. The court, on the basis of the verified application and evidence presented at the hearing, may order the facility placed under receivership, and if so ordered, the court shall direct either that the receiver assume the duties of administrator of the health care facility or that the receiver supervise the facility's administrator in conducting the day-to-day business of the facility. The receiver shall be empowered to control the facility's financial resources and to apply its revenues as the receiver deems necessary to the operation of the facility in compliance with this chapter and the rules or minimum standards promulgated under this chapter, but shall be accountable to the court for management of the facility's financial resources. 3. A receivership established under this section may be terminated by the district court which established it, after a hearing upon an application for termination. The application may be filed: a. Jointly by the receiver and the current licensee of the health care facility which is in receivership, stating that the deficiencies in the operation, maintenance or other circumstances which were the grounds for establishment of the receivership have been corrected and that there are reasonable grounds to believe that the facility will be operated in compliance with this chapter and the rules or minimum standards promulgated under this chapter. b. By the current licensee of the facility, alleging that termination of the receivership is merited for the reasons set forth in paragraph "a" of this subsection, but that the receiver has declined to join in the petition for termination of the receivership. c. By the receiver, stating that all residents of the facility have been relocated elsewhere and that there are reasonable grounds to believe it will not be feasible to again operate the facility on a sound financial basis and in compliance with this chapter and the rules or minimum standards promulgated under this chapter, and asking that the court approve surrender of the facility's license to the department and subsequent return of control of the facility's premises to the owners of the premises. 4. a. Payment of the expenses of a receivership established under this section is the responsibility of the facility for which the receiver is appointed, unless the court directs otherwise. The expenses include but are not limited to: (1) Salary of the receiver. (2) Expenses incurred by the facility for the continuing care of the residents of the facility. (3) Expenses incurred by the facility for the maintenance of buildings and grounds of the facility. (4) Expenses incurred by the facility in the ordinary course of business, such as employees' salaries and accounts payable. b. The receiver is not personally liable for the expenses of the facility during the receivership. The receiver is an employee of the state as defined in section 669.2, subsection 4, only for the purpose of defending a claim filed against the receiver. Chapter

669 applies to all suits filed against the receiver. 5. This section does not: a. Preclude the sale or lease of a health care facility, and the transfer or assignment of the facility's license in the manner prescribed by section 135C.8, while the facility is in receivership, provided these actions are not taken without approval of the receiver. b. Affect the civil or criminal liability of the licensee of the facility placed in receivership, for any acts or omissions of the licensee which occurred before the receiver was appointed. The department of inspections, appeals, and licensing, in cooperation with the department of health and human services, shall adopt rules to administer this section, including a provision that ensures that if a resident is eligible for benefits through the United States department of veterans affairs or other third-party payor, the payor of last resort for reimbursement to the health care facility is the medical assistance program. The health care facility shall also assist the Iowa department of veterans affairs in identifying individuals residing in such health care facilities on July 1, 2009, who are eligible for the prescription drug benefit. b. 2024 Iowa Code Title IV - PUBLIC HEALTH Chapter 135C - HEALTH CARE FACILITIES Section 135C.33 - Employees and certified nurse aide trainees — child or dependent adult abuse information and criminal record check options — evaluations — application to other providers — penalty.

135C.33 Employees and certified nurse aide trainees — child or dependent adult abuse information and criminal record check options — evaluations — application to other providers — penalty. 1. a. For the purposes of this section, the term "crime" does not include offenses under chapter 321 classified as a simple misdemeanor or equivalent simple misdemeanor offenses from another jurisdiction. b. Prior to employment of a person in a facility or with a provider as specified in subsection 5, the facility or provider shall do one of the following: (1) Request that the department of public safety perform a criminal history check and the record check evaluation system of the department of health and human services perform child and dependent adult abuse record checks of the person in this state. (2) Access the single contact repository to perform the required record checks. c. (1) If a facility or a provider as specified in subsection 5 accesses the single contact repository to perform the required record checks pursuant to paragraph "b", the facility or provider may utilize a third-party vendor to perform a comprehensive preliminary background check and provisionally employ a person being considered for employment pending completion of the required record checks through the single contact repository and the evaluation by the record check evaluation system, as applicable, subject to all of the following: (a) If the

comprehensive preliminary background check determines that the person being considered for employment has been convicted of a crime, but the crime does not constitute a felony as defined in section 701.7 and is not a crime specified pursuant to chapter 708, 708A, 709, 709A, 710, 710A, 711, or 712, or pursuant to section 726.3, 726.27, or 726.28. (b) If the comprehensive preliminary background check determines the person being considered for employment does not have a record of founded child abuse or dependent adult abuse or if an exception pursuant to subsection 4 is applicable to the person. (c) If the facility or provider has requested an evaluation in accordance with subsection 2, paragraph "a", to determine whether the crime warrants prohibition of the person's employment in the facility or with the provider. (2) The provisional employment under this paragraph "c" may continue until such time as the required record checks through the single contact repository and the evaluation by the record check evaluation system, as applicable, are completed. d. A facility or provider shall inform all persons prior to employment regarding the performance of the record checks and shall obtain, from the persons, a signed acknowledgment of the receipt of the information. A facility or provider shall include the following inquiry in an application for employment: Do you have a record of founded child or dependent adult abuse or have you ever been convicted of a crime other than a simple misdemeanor offense relating to motor vehicles and laws of the road under chapter 321 or equivalent provisions, in this state or any other state? 2. a. If it is determined that a person being considered for employment in a facility or with a provider has been convicted of a crime under a law of any state, the department of public safety shall notify the facility or provider that upon the request of the facility or provider the record check evaluation system will perform an evaluation to determine whether the crime warrants prohibition of the person's employment in the facility or with the provider. b. (1) If a person being considered for employment, other than employment involving the operation of a motor vehicle, has been convicted of a crime listed in subparagraph (2) but does not have a record of founded child or dependent adult abuse and the facility or provider has requested an evaluation in accordance with paragraph "a" to determine whether the crime warrants prohibition of the person's employment, the facility or provider may employ the person for not more than sixty calendar days pending completion of the evaluation. (2) Subparagraph (1) applies to a crime that is a simple misdemeanor offense under section 123.47, and to a crime that is a first offense of operating a motor vehicle while intoxicated under section 321J.2, subsection 1. c. If a record check evaluation system child or dependent adult abuse record check shows that such person has a record of founded child or dependent adult abuse, the record check evaluation system shall notify the facility or provider that upon the request of the facility or provider the record check evaluation system will perform an evaluation to determine whether the founded child or dependent adult abuse warrants prohibition of employment in the facility or with the provider. d. An evaluation performed under this subsection shall be performed in accordance with procedures adopted for this purpose by the department of health and human services. e. (1) If a person owns or operates more than one facility or a provider owns or operates more than one location, and an employee of one of such facilities or provider locations is transferred to another such facility or provider location without a lapse in employment, the facility or provider is not required to request additional criminal and child and dependent adult abuse record checks of that employee. (2) If the ownership of a facility or provider is transferred, at the time of transfer the record checks required by this section shall be performed for each employee for whom there is no documentation that such record checks have been performed. The facility or provider may continue to employ such employee pending the performance of the record checks and any related evaluation. 3. In an evaluation, the record check evaluation system shall consider the nature and seriousness of the crime or founded child or dependent adult abuse in relation to the position sought or held, the time elapsed since the commission of the crime or founded child or dependent adult abuse, the circumstances under which the crime or founded child or dependent adult abuse was committed, the degree of rehabilitation, the likelihood that the person will commit the crime or founded child or dependent adult abuse again, and the number of crimes or founded child or dependent adult abuses committed by the person involved. If the record check evaluation system performs an evaluation for the purposes of this section, the record check evaluation system has final authority in determining whether prohibition of the person's employment is warranted. 4. a. Except as provided in subsection 1, paragraph "c", subsection 2, and paragraph "b" of this subsection, a person who has committed a crime or has a record of founded child or dependent adult abuse shall not be employed in a facility or with a provider unless an evaluation has been performed by the record check evaluation system. b. A person with a criminal or abuse record who is or was employed by a facility or provider and is hired by another facility or provider shall be subject to the criminal history and abuse record checks required pursuant to subsection 1. However, if an evaluation was previously performed by the record check evaluation system concerning the person's criminal or abuse record and it was determined that the record did not warrant prohibition of the person's employment and the latest record checks do not indicate a crime was committed or founded abuse record was entered subsequent to that evaluation, the person may commence employment with the other facility or provider in accordance with the record check evaluation system's evaluation and an exemption from the requirements in paragraph "a" for reevaluation of the latest record checks is authorized. Otherwise, the requirements of paragraph "a" remain applicable to the person's employment. Authorization of an exemption under this paragraph "b" from requirements for reevaluation of the latest record checks by the record check evaluation system is subject to all of the following provisions: (1) The position with the subsequent employer is substantially the same or has the same job responsibilities as the position for which the previous evaluation was performed. (2) Any restrictions placed on the person's employment in the previous evaluation by the record check evaluation system shall remain applicable in the person's subsequent employment. (3) The person subject to the record checks has maintained a copy of the previous evaluation and provides the evaluation to the subsequent employer or the previous employer provides the previous evaluation from the person's personnel file pursuant to the person's authorization. If a physical copy of the previous evaluation is not provided to the subsequent employer, the record checks shall be reevaluated. (4) Although an exemption under this paragraph "b" may be authorized, the subsequent employer may instead request a reevaluation of the record checks and may employ the person while the reevaluation is being performed. 5. a. This section shall also

apply to prospective employees of all of the following, if the provider is regulated by the state or receives any state or federal funding: (1) An employee of a homemaker-home health aide, home care aide, adult day services, or other provider of in-home services if the employee provides direct services to consumers. (2) An employee of a hospice, if the employee provides direct services to consumers. (3) An employee who provides direct services to consumers under a federal home and community-based services waiver. (4) An employee of an elder group home certified under chapter 231B, if the employee provides direct services to consumers. (5) An employee of an assisted living program certified under chapter 231C, if the employee provides direct services to consumers. b. In substantial conformance with the provisions of this section, including the provision authorizing provisional employment following completion of a comprehensive preliminary background check, prior to the employment of such an employee, the provider shall request the performance of the criminal and child and dependent adult abuse record checks. The provider shall inform the prospective employee and obtain the prospective employee's signed acknowledgment. The record check evaluation system shall perform the evaluation of any criminal record or founded child or dependent adult abuse record and shall make the determination of whether a prospective employee of a provider shall not be employed by the provider. 6. a. This section shall also apply to an employee of a temporary staffing agency that provides staffing for a facility, service, program, or other provider regulated by this section if the employee provides direct services to consumers. b. In substantial conformance with the provisions of this section, including the provision authorizing provisional employment following completion of a comprehensive preliminary background check, prior to the employment of such an employee, the temporary staffing agency shall request the performance of the criminal and child and dependent adult abuse record checks. The temporary staffing agency shall inform the prospective employee and obtain the prospective employee's signed acknowledgment. The record check evaluation system shall perform the evaluation of any criminal record or founded child or dependent adult abuse record and shall make the determination of whether a prospective employee of a temporary staffing agency shall not be employed by the assisted living program as defined in section 231C.2, the Medicare certified home health agency, or the facility, service, program, or other provider regulated by this section. c. If a person employed by a temporary staffing agency that is subject to this section is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person's employment application date, the person shall inform the temporary staffing agency within forty-eight hours and the temporary staffing agency shall inform the facility, service, program, or other provider within two hours. d. If a temporary staffing agency fails to comply with the requirements of this section, the temporary staffing agency shall be liable to the facility, service, program, or other provider for any actual damages, including civil penalties, and reasonable attorney fees. e. This section shall not apply to employees employed by a temporary staffing agency for a position that does not provide direct services to consumers. 7. a. The department of inspections, appeals, and licensing, in conjunction with other departments and agencies of state government involved with criminal history and abuse registry information, shall establish a single contact repository for facilities and other providers to have electronic access to data to perform background checks for purposes of employment, as required of the facilities and other providers under this section. b. The department may access the single contact repository for any of the following purposes: (1) To verify data transferred from the department's nurse aide registry to the repository. (2) To conduct record checks of applicants for employment with the department. 8. a. If a person employed by a facility, service, or program employer that is subject to this section is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the person's employment application date, the person shall inform the employer of such information within forty-eight hours of the criminal conviction or entry of the record of founded child or dependent adult abuse. The employer shall act to verify the information within seven calendar days of notification. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied by the employer to determine whether or not the person's employment is continued. The employer may continue to employ the person pending the performance of an evaluation by the record check evaluation system to determine whether prohibition of the person's employment is warranted. A person who is required by this subsection to inform the person's employer of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor. b. If a facility, service, or program employer receives credible information, as determined by the employer, that a person employed by the employer has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after employment from a person other than the employee and the employee has not informed the employer of such information within the period required under paragraph "a", the employer shall act to verify the credible information within seven calendar days of receipt of the credible information. If the information is verified, the requirements of subsections 2, 3, and 4 regarding employability and evaluations shall be applied to determine whether or not the person's employment is continued. c. The employer may notify the county attorney for the county where the employer is located of any violation or failure by an employee to notify the employer of a criminal conviction or entry of an abuse record within the period required under paragraph "a". 9. a. For the purposes of this subsection, unless the context otherwise requires: (1) "Certified nurse aide training program" means a program approved in accordance with the rules for such programs adopted by the department of health and human services for the training of persons seeking to be a certified nurse aide for employment in any of the facilities or programs this section applies to or in a hospital, as defined in section 135B.1. (2) "Student" means a person applying for, enrolled in, or returning to a certified nurse aide training program. b. (1) Prior to a student beginning or returning to a certified nurse aide training program, the program shall do one of the following: (a) Request that the department of public safety perform a criminal history check and the record check evaluation system perform child and dependent adult abuse record checks, in this state, of the student. (b) Access the single contact repository to perform the required record checks. (2) If a program accesses the single contact repository to perform the required record checks pursuant to subparagraph (1), the program may utilize a third-party vendor to perform a comprehensive preliminary background check to allow a person to

provisionally participate in the clinical component of the certified nurse aide training program pending completion of the required record checks through the single contact repository and the evaluation by the record check evaluation system, as applicable, subject to all of the following: (a) If the comprehensive preliminary background check determines that the person being considered for provisional participation has been convicted of a crime but the crime does not constitute a felony as defined in section 701.7 and is not a crime specified pursuant to chapter 708, 708A, 709, 709A, 710, 710A, 711, or 712, or pursuant to section 726.3, 726.27, or 726.28. (b) If the comprehensive preliminary background check determines the person being considered for provisional participation does not have a record of founded child abuse or dependent adult abuse or if an exception pursuant to subsection 4 is applicable to the person. (c) If the program has requested an evaluation in accordance with subsection 2, paragraph “a”, to determine whether the crime warrants prohibition of the person’s provisional participation. (d) The provisional participation under this subparagraph (2) may continue until such time as the required record checks through the single contact repository and the evaluation by the record check evaluation system, as applicable, are completed. c. If a student has a criminal record or a record of founded child or dependent adult abuse, the student shall not be involved in a clinical education component of the certified nurse aide training program involving children or dependent adults unless an evaluation has been performed by the record check evaluation system. Upon request of the certified nurse aide training program, the record check evaluation system shall perform an evaluation to determine whether the record warrants prohibition of the student’s involvement in a clinical education component of the certified nurse aide training program involving children or dependent adults. The evaluation shall be performed in accordance with the criteria specified in subsection 3, and the record check evaluation system shall report the results of the evaluation to the certified nurse aide training program. The record check evaluation system has final authority in determining whether prohibition of the student’s involvement in the clinical education component is warranted. d. (1) If a student’s clinical education component of the training program involves children or dependent adults but does not involve operation of a motor vehicle, and the student has been convicted of a crime listed in subparagraph (2), but does not have a record of founded child or dependent adult abuse, and the training program has requested an evaluation in accordance with paragraph “c” to determine whether the crime warrants prohibition of the student’s involvement in such clinical education component, the training program may allow the student’s participation in the component for not more than sixty days pending completion of the evaluation. (2) Subparagraph (1) applies to a crime that is a simple misdemeanor offense under section 123.47, and to a crime that is a first offense of operating a motor vehicle while intoxicated under section 321J.2, subsection 1. e. (1) If a student is convicted of a crime or has a record of founded child or dependent adult abuse entered in the abuse registry after the record checks and any evaluation have been performed, the student shall inform the certified nurse aide training program of such information within forty-eight hours of the criminal conviction or entry of the record of founded child or dependent adult abuse. The program shall act to verify the information within seven calendar days of notification. If the information is verified, the requirements of paragraph “c” shall be applied by the program to determine whether or not the student’s involvement in a clinical education component may continue. The program may allow the student involvement to continue pending the performance of an evaluation by the record check evaluation system. A student who is required by this subparagraph to inform the program of a conviction or entry of an abuse record and fails to do so within the required period commits a serious misdemeanor. (2) If a program receives credible information, as determined by the program, that a student has been convicted of a crime or a record of founded child or dependent adult abuse has been entered in the abuse registry after the record checks and any evaluation have been performed, from a person other than the student and the student has not informed the program of such information within the period required under subparagraph (1), the program shall act to verify the credible information within seven calendar days of receipt of the credible information.
