Stealing leased or rented property — evidence of intent to violate, when — law enforcement procedure — venue — penalties. —1. A person commits the offense of stealing leased or rented property if, with the intent to deprive the owner thereof, such person: (1) Purposefully fails to return leased or rented personal property to the place and within the time specified in an agreement in writing providing for the leasing or renting of such personal property; (2) Conceals or aids or abets the concealment of the property from the owner; (3) Sells, encumbers, conveys, pawns, loans, abandons or gives away the leased or rented property or any part thereof, without the written consent of the lessor, or without informing the person to whom the property is transferred to that the property is subject to a lease; (4) Returns the property to the lessor at the end of the lease term, plus any agreed upon extensions, but does not pay the lease charges agreed upon in the written instrument, with the intent to wrongfully deprive the lessor of the agreed upon charges. 2. The provisions of this section shall apply to all forms of leasing and rental agreements, including, but not limited to, contracts which provide the consumer options to buy the leased or rented personal property, lease-purchase agreements and rent-to-own contracts. For the purpose of determining if a violation of this section has occurred, leasing contracts which provide options to buy the merchandise are owned by the owner of the property until such time as the owner endorses the sale and transfer of ownership of the leased property to the lessee. 3. Evidence that a lessee used a false, fictitious, or not current name, address, or place of employment in obtaining the property or that a lessee fails or refuses to return the property or pay the lease charges to the lessor within seven days after written demand for the return has been sent by certified mail, return receipt requested, to the address the person set forth in the lease agreement, or in the absence of the address, to the person's last known place of residence, shall be evidence of intent to violate the provisions of this section, except that if a motor vehicle has not been returned within seventy-two hours after the expiration of the lease or rental agreement, such failure to return the motor vehicle shall be prima facie evidence of the intent of the crime of stealing leased or rented property. Any law enforcement officer which stops such a motor vehicle may seize the motor vehicle and notify the lessor that he may recover such

motor vehicle after it is photographed and its vehicle identification number is recorded for evidentiary purposes. Where the leased or rented property is not a motor vehicle, if such property has not been returned within the seven-day period prescribed in this subsection, the owner of the property shall report the failure to return the property to the local law enforcement agency, and such law enforcement agency may within five days notify the person who leased or rented the property that such person is in violation of this section, and that failure to immediately return the property may subject such person to arrest for the violation. 4. This section shall not apply if such personal property is a vehicle and such return is made more difficult or expensive by a defect in such vehicle which renders such vehicle inoperable, if the lessee shall notify the lessor of the location of such vehicle and such defect before the expiration of the lease or rental agreement, or within ten days after proper notice. 5. Any person who has leased or rented personal property of another who destroys such property so as to avoid returning it to the owner commits the offense of property damage pursuant to section 569.100 or 569.120, in addition to being in violation of this section. 6. Suspension or revocation of endorsements and permits, when — renewal procedures — change of name or residence notification requirements — active military members, two-month renewal period. —1. A concealed carry endorsement issued prior to August 28, 2013, shall be suspended or revoked if the concealed carry endorsement holder becomes ineligible for such endorsement under the criteria established in subdivisions (3), (4), (5), (8), and (11) of subsection 2 of section 571.101 or upon the issuance of a valid full order of protection. The following procedures shall be followed: (1) When a valid full order of protection, or any arrest warrant, discharge, or commitment for the reasons listed in subdivision (3), (4), (5), (8), or (11) of subsection 2 of section 571.101, is issued against a person holding a concealed carry endorsement issued prior to August 28, 2013, upon notification of said order, warrant, discharge or commitment or upon an order of a court of competent jurisdiction in a criminal proceeding, a commitment proceeding or a full order of protection proceeding ruling that a person holding a concealed carry endorsement presents a risk of harm to themselves or others, then upon notification of such order, the holder of the concealed carry endorsement shall surrender the driver's license or nondriver's license containing the concealed carry endorsement to the court, officer, or other official serving the order, warrant, discharge, or commitment. The official to whom the driver's license or nondriver's license containing the concealed carry endorsement is surrendered shall issue a receipt to the licensee for the license upon a form, approved by the director of revenue, that serves as a driver's license or a nondriver's license and clearly states the concealed carry endorsement has been suspended. The official shall then transmit the driver's license or a nondriver's license containing the concealed carry endorsement to the circuit court of the county issuing the order, warrant, discharge, or commitment. The concealed carry endorsement issued prior to August 28, 2013, shall be suspended until the order is terminated or until the arrest results in a dismissal of all charges. The official to whom the endorsement is surrendered shall administratively suspend the endorsement in the concealed carry permit system established under subsection 5 of section 650.350 until such time as the order is terminated or until the charges are dismissed. Upon dismissal, the court holding the driver's license or nondriver's license containing the concealed carry endorsement shall return such license to the individual, and the official to whom the endorsement was surrendered shall administratively return the endorsement to good standing within the concealed carry permit system. Upon conviction, the court shall forward a notice of conviction or action and the driver's license or nondriver's license with the concealed carry endorsement to the department of revenue. The department of revenue shall notify the sheriff of the county which issued the certificate of qualification for a concealed carry endorsement. The sheriff who issued the certificate of qualification prior to August 28, 2013, shall report the change in status of the endorsement to the concealed carry permit system established under subsection 5 of section 650.350. The director of revenue shall immediately remove the endorsement issued prior to August 28, 2013, from the individual's driving record within three days of the receipt of the notice from the court. The director of revenue shall notify the licensee that he or she must apply for a new license pursuant to chapter 302 which does not contain such endorsement. This requirement does not affect the driving privileges of the licensee. The notice issued by the department of revenue shall be mailed to the last known address shown on the individual's driving record. The notice is deemed received three days after mailing. 2. A concealed carry permit issued pursuant to sections 571.101 to 571.121 after August 28, 2013, shall be suspended or revoked if the concealed carry permit holder becomes ineligible for such permit or endorsement under the criteria established in subdivisions (3), (4), (5), (8), and (11) of subsection 2 of section 571.101 or upon the issuance of a valid full order of protection. The following procedures shall be followed: (1) When a valid full order of protection or any arrest warrant, discharge, or commitment for the reasons listed in subdivision (3), (4), (5), (8), or (11) of subsection 2 of section 571.101 is issued against a person holding a concealed carry permit, upon notification of said order, warrant, discharge, or commitment or upon an order of a court of competent jurisdiction in a criminal proceeding, a commitment proceeding, or a full order of protection proceeding ruling that a person holding a concealed carry permit presents a risk of harm to themselves or others, then upon notification of such order, the holder of the concealed carry permit shall surrender the permit to the court, officer, or other official serving the order, warrant, discharge, or commitment. The permit shall be suspended until the order is terminated or until the arrest results in a dismissal of all charges. The official to whom the permit is surrendered shall administratively suspend the permit in the concealed carry permit system until the order is terminated or the charges are dismissed. Upon dismissal, the court holding the permit shall return such permit to the individual and the official to whom the permit was surrendered shall administratively return

the permit to good standing within the concealed carry permit system; (2) Any conviction, discharge, or commitment specified in sections 571.101 to 571.121 shall result in a revocation. Upon conviction, the court shall forward a notice of conviction or action and the permit to the issuing county sheriff. The sheriff who issued the concealed carry permit shall report the change in status of the concealed carry permit to the concealed carry permit system. 3. A concealed carry permit shall be renewed for a qualified applicant upon receipt of the properly completed renewal application and the required renewal fee by the sheriff of the county of the applicant's residence. The renewal application shall contain the same required information as set forth in subsection 3 of section 571.101, except that in lieu of the fingerprint requirement of subsection 5 of section 571.101 and the firearms safety training, the applicant need only display his or her current concealed carry permit. A name-based inquiry of the National Instant Criminal Background Check System shall be completed for each renewal application. The sheriff shall review the results of the report from the National Instant Criminal Background Check System, and when the sheriff has determined the applicant has successfully completed all renewal requirements and is not disqualified under any provision of section 571.101, the sheriff shall issue a new concealed carry permit which contains the date such permit was renewed. The process for renewing a concealed carry endorsement issued prior to August 28, 2013, shall be the same as the process for renewing a permit, except that in lieu of the fingerprint requirement of subsection 5 of section 571.101 and the firearms safety training, the applicant need only display his or her current driver's license or nondriver's license containing an endorsement. Upon successful completion of all renewal requirements, the sheriff shall issue a new concealed carry permit as provided under this subsection. 4. After six months, the sheriff who issued the expired concealed carry permit or certificate of qualification shall notify the concealed carry permit system that such permit is expired and cancelled. If the person has a concealed carry endorsement issued prior to August 28, 2013, the sheriff who issued the certificate of qualification for the endorsement shall notify the director of revenue that such certificate is expired regardless of whether the endorsement holder has applied for a concealed carry permit under subsection 3 of this section. The director of revenue shall immediately remove such endorsement from the individual's driving record and notify the individual that his or her driver's license or nondriver's license has expired. The notice shall be conducted in the same manner as described in subsection 1 of this section. Any person who has been issued a concealed carry permit pursuant to sections 571.101 to 571.121, or a concealed carry endorsement issued prior to August 28, 2013, who fails to renew his or her application within the six-month period must reapply for a new concealed carry permit and pay the fee for a new application. 5. The permit or endorsement holder shall furnish proof to the sheriff in the new jurisdiction that the permit or endorsement holder has changed his or her residence. The sheriff in the new jurisdiction shall notify the sheriff in the old jurisdiction of the permit holder's change of address and the sheriff in the old jurisdiction shall transfer any information on file for the permit holder to the sheriff in the new jurisdiction within thirty days. The sheriff of the new jurisdiction may charge a processing fee of not more than ten dollars for any costs associated with notification of a change in residence. The sheriff shall report the residence change to the concealed carry permit system, take possession and destroy the old permit, and then issue a new permit to the permit holder. The new address shall be accessible by the concealed carry permit system within three days of receipt of the information. If the person has a concealed carry endorsement issued prior to August 28, 2013, the endorsement holder shall also furnish proof to the department of revenue of his or her residence change. In such cases, the change of residence shall be made by the department of revenue onto the individual's driving record. 6. Any person issued a concealed carry permit pursuant to sections 571.101 to 571.121, or a concealed carry endorsement issued prior to August 28, 2013, shall notify the sheriff or his or her designee of the permit or endorsement holder's county or city of residence within seven days after actual knowledge of the loss or destruction of his or her permit or driver's license or nondriver's license containing a concealed carry endorsement. The permit or endorsement holder shall furnish a statement to the sheriff that the permit or driver's license or nondriver's license containing the concealed carry endorsement has been lost or destroyed. After notification of the loss or destruction of a permit or driver's license or nondriver's license containing a concealed carry endorsement, the sheriff may charge a processing fee of ten dollars for costs associated with replacing a lost or destroyed permit or driver's license or nondriver's license containing a concealed carry endorsement and shall reissue a new concealed carry permit within three working days of being notified by the concealed carry permit or endorsement holder of its loss or destruction. The new concealed carry permit shall contain the same personal information, including expiration date, as the original concealed carry permit. 7. If a person issued a concealed carry permit, or endorsement issued prior to August 28, 2013, changes his or her name, the person to whom the permit or endorsement was issued shall obtain a corrected or new concealed carry permit with a change of name from the sheriff who issued the original concealed carry permit or the original certificate of qualification for an endorsement upon the sheriff's verification of the name change. The sheriff may charge a processing fee of not more than ten dollars for any costs associated with obtaining a corrected or new concealed carry permit. The permit or endorsement holder shall furnish proof of the name change to the sheriff within thirty days of changing his or her name and display his or her concealed carry permit or current driver's license or nondriver's license containing a concealed carry endorsement. The sheriff shall report the name change to the concealed carry permit system, and the new name shall be accessible by the concealed carry permit system within three days of receipt of the information. 8. The person with a concealed carry permit, or endorsement issued prior to August 28, 2013, shall notify the sheriff of a name or address change within thirty days of the change. A concealed carry permit and,

if applicable, endorsement shall be automatically invalid after one hundred eighty days if the permit or endorsement holder has changed his or her name or changed his or her residence and not notified the sheriff as required in subsections 5 and 7 of this section. The sheriff shall assess a late penalty of ten dollars per month for each month, up to six months and not to exceed sixty dollars, for the failure to notify the sheriff of the change of name or address within thirty days. 9. (1) As used in this subsection, the term"active military member"means any person who is on active duty in the United States Armed Forces, on active state duty, on full-time National Guard duty under Title 32 of the United States Code. (2) Notwithstanding any provision of this section to the contrary, if a concealed carry permit, or endorsement issued prior to August 28, 2013, expires while the person issued the permit or endorsement is an active military member, the permit shall be renewed if the person completes the renewal requirements under subsection 3 of this section within two months of returning to Missouri after discharge from such duty or recovery from such incapacitation. Once the two-month period has expired, the provisions of subsection 4 of this section shall apply except the penalties shall begin to accrue upon the expiration of the two-month period described in this subsection rather than on the expiration date of the permit or endorsement. (3) Beginning August 28, 2020, an active military member may complete the renewal of his or her endorsement or permit under subdivision (2) of this subsection*by mail. To renew an endorsement or permit by mail, an active military member shall mail to the sheriff who issued his or her permit a renewal application, a copy of his or her current concealed carry permit, a military identification acceptable for in-person renewal of permits, and the renewal fee. The active military member may pick up the renewed permit in person or may request the permit be mailed to a provided address by certified mail. The sheriff may require the active military member to pay the postage and insurance costs associated with mailing the permit, but the costs shall not exceed ten dollars. ---------- (L. 2003 H.B. 349, et al., § 571.094, subsecs. 13 to 19, A.L. 2010 H.B. 1692, et al., A.L. 2013 S.B. 75, A.L. 2014 S.B. 745, A.L. 2016 S.B. 656, A.L. 2020 S.B. 656) *Word "section" appears in original rolls.

Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 572 572.010. Chapter definitions. —As used in this chapter the following terms mean: (1)"Advance gambling activity", a person advances gambling activity if, acting other than as a player, he or she engages in conduct that materially aids any form of gambling activity. Conduct of this nature includes but is not limited to conduct directed toward the creation or establishment of the particular game, lottery, contest, scheme, device or activity involved, toward the acquisition or maintenance of premises, paraphernalia, equipment or apparatus therefor, toward the solicitation or inducement of persons to participate therein, toward the actual conduct of the playing phases thereof, toward the arrangement or communication of any of its financial or recording phases, or toward any other phase of its operation. A person advances gambling activity if, having substantial proprietary control or other authoritative control over premises being used with his or her knowledge for purposes of gambling activity, he or she permits that activity to occur or continue or makes no effort to prevent its occurrence or continuation. The supplying, servicing and operation of a licensed excursion gambling boat under sections 313.800 to 313.840 does not constitute advancing gambling activity; (2)"Bookmaking", advancing gambling activity by unlawfully accepting bets from members of the public as a business, rather than in a casual or personal fashion, upon the outcomes of future contingent events; (3)"Contest of chance", any contest, game, gaming scheme or gaming device in which the outcome depends in a material degree upon an element of chance, notwithstanding that the skill of the contestants may

also be a factor therein; (4)"Gambling", a person engages in gambling when he or she stakes or risks something of value upon the outcome of a contest of chance or a future contingent event not under his or her control or influence, upon an agreement or understanding that he or she will receive something of value in the event of a certain outcome. Gambling does not include bona fide business transactions valid under the law of contracts, including but not limited to contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including but not limited to contracts of indemnity or guaranty and life, health or accident insurance; nor does gambling include playing an amusement device that confers only an immediate right of replay not exchangeable for something of value. Gambling does not include any licensed activity, or persons participating in such games which are covered by sections 313.800 to 313.840; (5)"Gambling device", any device, machine, paraphernalia or equipment that is used or usable in the playing phases of any gambling activity, whether that activity consists of gambling between persons or gambling by a person with a machine. However, lottery tickets, policy slips and other items used in the playing phases of lottery and policy schemes are not gambling devices within this definition; (6)"Gambling record", any article, instrument, record, receipt, ticket, certificate, token, slip or notation used or intended to be used in connection with unlawful gambling activity; (7)"Lottery"or"policy", an unlawful gambling scheme in which for a consideration the participants are given an opportunity to win something of value, the award of which is determined by chance; (8)"Player", a person who engages in any form of gambling solely as a contestant or bettor, without receiving or becoming entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of the particular gambling activity. A person who gambles at a social game of chance on equal terms with the other participants therein does not otherwise render material assistance to the establishment, conduct or operation thereof by performing, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor and supplying cards or other equipment used therein. A person who engages in "bookmaking" as defined in subdivision (2) of this section is not a player; (9)"Professional player", a player who engages in gambling for a livelihood or who has derived at least twenty percent of his or her income in any one year within the past five years from acting solely as a player; (10)"Profit from gambling activity", a person profits from gambling activity if, other than as a player, he or she accepts or receives money or other property pursuant to an agreement or understanding with any person whereby he participates or is to participate in the proceeds of gambling activity; (11)"Slot machine", a gambling device that as a result of the insertion of a coin or other object operates, either completely automatically or with the aid of some physical act by the player, in such a manner that, depending upon elements of chance, it may eject something of value. A device so constructed or readily adaptable or convertible to such use is no less a slot machine because it is not in working order or because some mechanical act of manipulation or repair is required to accomplish its adaptation, conversion or workability. Nor is it any less a slot machine because apart from its use or adaptability as such it may also sell or deliver something of value on a basis other than chance; (12)"Something of value", any money or property, any token, object or article exchangeable for money or property, or any form of credit or promise directly or indirectly contemplating transfer of money or property or of any interest therein or involving extension of a service, entertainment or a privilege of playing at a game or scheme without charge; (13)"Unlawful", not specifically authorized by law. ---------- (L. 1977 S.B. 60, A.L. 1991 H.B. 149 Adopted by Referendum, Proposition A, November 3, 1992, A.L. 2014 S.B. 491) Effective 1-01-17

2024 Missouri Revised StatutesTitle XXXVIII - Crimes and Punishment; Peace Officers and Public DefendersChapter 573 - Pornography and Related OffensesSection 573.525 - Purpose — findings.

Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 573 573.525. Purpose — findings. —1. It is the purpose of sections 573.525 to 573.537 to regulate sexually oriented businesses in order to promote the health, safety, and general welfare of the citizens of this state, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within the state. The provisions of sections 573.525 to 573.537 have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of sections 573.525 to 573.537 to restrict or deny access by adults to sexually oriented materials protected by the first amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of sections 573.525 to 573.537 to condone or legitimize the distribution of obscene material. 2. The general assembly finds that: (1) Sexually oriented businesses, as a category of commercial enterprises, are associated with a wide variety of adverse secondary effects, including but not limited to personal and property crimes, prostitution, potential spread of disease, lewdness, public indecency, obscenity, illicit drug use and drug trafficking, negative impacts on surrounding properties, urban blight, litter, and sexual assault and exploitation; (2) Sexually oriented businesses should be separated from sensitive land uses to minimize the impact of their secondary effects upon such uses, and should be separated from other sexually oriented businesses, to minimize the secondary effects associated with such uses and to prevent an unnecessary concentration of sexually oriented businesses in one area; (3) Each of the foregoing negative secondary effects constitutes a harm which the state has a substantial interest in preventing or abating, or both. Such substantial government interest in preventing secondary effects, which is the state's rationale for sections 573.525 to 573.537, exists

independent of any comparative analysis between sexually oriented and nonsexually oriented businesses. Additionally, the state's interest in regulating sexually oriented businesses extends to preventing future secondary effects of current or future sexually oriented businesses that may locate in the state. ---------- (L. 2010 S.B. 586 & 617)

Where there was no evidence that officer was making an arrest nor was there any evidence that defendant knew that the officer was making an arrest, there was no evidence to sustain a conviction for resisting arrest. State v. Dossett, 851 S.W.2d 750 (Mo. App. W.D.). (2019) Section making it a felony to resist an arrest for a felony does not require evidence of the arresting officer's subjective state of mind. R. W. v. Sanders, 168 S.W.3d 65 (Mo.banc). (2006) Sections 589.400 to 589.425 are constitutional under ex post facto, due process, equal protection, bill of attainder, and special law provisions; however, application of registration requirement to persons who pled guilty or were found guilty prior to sections' effective date of January 1, 1995, violates constitutional ban on laws retrospective in operation. Doe v. Phillips, 194 S.W.3d 833 (Mo.banc). (2023) Section mandates lifetime registration requirement in Missouri if the offender "has been" subject to federal registration requirements under Sex Offender Registration and Notification Act, even if that federal obligation has expired. Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 589 589.401. Removal from registry, petition, procedure. —1. A person on the sexual offender registry may file a petition in the division of the circuit court in the county or city not within a county in which the offense requiring registration was committed to have his or her name removed from the sexual offender registry. 2. A person who is required to register in this state because of an offense that was adjudicated in another jurisdiction shall file his or her petition for removal according to the laws of the state, territory, tribal, or military jurisdiction, the District of Columbia, or foreign country in which his or her offense was adjudicated. Upon the grant of the petition for removal in the jurisdiction where the offense was adjudicated, such judgment may be registered in this state by sending the information required under subsection 5 of this section as well as one authenticated copy of the order granting removal from the sexual offender registry in the jurisdiction where the offense was adjudicated to the court in the county or city not within a county in which the offender is required to register. On receipt of a request for registration removal, the registering court shall cause the order to be filed as a foreign judgment, together with one copy of the documents and information, regardless of their form. The petitioner shall be responsible for costs associated with filing the petition. 3. A person required to register as a tier III offender shall not file a petition under this section unless the requirement to register results from a juvenile adjudication. 4. The petition shall be dismissed without prejudice if the following time periods have not elapsed since the date the person was required to register for his or her most recent offense under sections 589.400 to 589.425: (1) For a tier I offense, ten years; (2) For a tier II offense, twenty-five years; or (3) For a tier III offense adjudicated delinquent, twenty-five years. 5. The petition shall name as respondents the Missouri state highway patrol and the chief law enforcement official in the county or city not within a county in which the petition is filed. 7. All proceedings under this section shall be governed under the Missouri supreme court rules of civil procedure. 8. The person seeking removal or exemption from the registry shall provide the prosecuting attorney in the circuit court in which the petition is filed with notice of the petition. The prosecuting attorney may present evidence in opposition to the requested relief or may otherwise demonstrate the reasons why the petition should be denied. Failure of the person seeking removal or exemption from the registry to notify the prosecuting attorney of the petition shall result in an automatic denial of such person's petition. 9. The prosecuting attorney in the circuit court in which the petition is filed shall have access to all applicable records concerning the petitioner including, but not limited to, criminal history records, mental health records, juvenile records, and records of the department of corrections or probation and parole. 10. The prosecuting attorney shall make reasonable efforts to notify the victim of the crime for which the person was required to register of the petition and the dates and times of any hearings or other proceedings in connection with such petition. 11. The court shall not enter an order directing the removal of the petitioner's name from the sexual offender registry unless it finds the petitioner: (1) Has not been adjudicated or does not have charges pending for any additional nonsexual offense for which imprisonment for more than one year may be imposed since the date the offender was required to register for his or her current tier level; (2) Has not been adjudicated or does not have charges pending for any additional sex offense that would require registration under sections 589.400 to 589.425 since the date the offender was required to register for his or her current tier level, even if the offense was punishable by less than one year imprisonment; (3) Has successfully completed any required periods of supervised release, probation, or parole without revocation since the date the offender was required to register for his or her current tier level; (4) Has successfully completed an appropriate sex offender treatment program as approved by a court of competent jurisdiction or the Missouri department of corrections; and (5) Is not a current or potential threat to public safety. 12. In order to meet the criteria required by subdivisions (1) and (2) of subsection 11 of this section, the fingerprints filed in the case shall be examined by the Missouri state highway patrol. The petitioner shall be responsible for all costs associated with the fingerprint-based criminal history check of both state and federal files under section 43.530. 13. If the petition is denied due to an

adjudication in violation of subdivision (1) or (2) of subsection 11 of this section, the petitioner shall not file a new petition under this section until: (1) Fifteen years have passed from the date of the adjudication resulting in the denial of relief if the petitioner is classified as a tier I offender; (2) Twenty-five years have passed from the date of adjudication resulting in the denial of relief if the petitioner is classified as a tier II offender; or (3) Twenty-five years have passed from the date of the adjudication resulting in the denial of relief if the petitioner is classified as a tier III offender on the basis of a juvenile adjudication. 14. If the petition is denied due to the petitioner having charges pending in violation of subdivision (1) or (2) of subsection 11 of this section, the petitioner shall not file a new petition under this section until: (1) The pending charges resulting in the denial of relief have been finally disposed of in a manner other than adjudication; or (2) If the pending charges result in an adjudication, the necessary time period has elapsed under subsection 13 of this section. 15. If the petition is denied for reasons other than those outlined in subsection 11 of this section, no successive petition requesting such relief shall be filed for at least five years from the date the judgment denying relief is entered. 16. If the court finds the petitioner is entitled to have his or her name removed from the sexual offender registry, the court shall enter judgment directing the removal of the name. A copy of the judgment shall be provided to the respondents named in the petition. 17. Any person subject to the judgment requiring his or her name to be removed from the sexual offender registry is not required to register under sections 589.400 to 589.425 unless such person is required to register for an offense that was different from that listed on the judgment of removal. 18. The court shall not deny the petition unless the petition failed to comply with the provisions of sections 589.400 to 589.425 or the prosecuting attorney provided evidence demonstrating the petition should be denied. ---------- (L. 2018 S.B. 655)

Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 589 589.503. Purpose. —The compacting states to this Interstate Compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized pursuant to the Bylaws and Rules of this compact to travel across state lines both to and from each compacting state in such a manner as to track the location of offenders, transfer supervision authority in an orderly and efficient manner, and when necessary return offenders to the originating jurisdictions. The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. Section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime. It is the purpose of this compact and the Interstate Commission created hereunder, through means of joint and cooperative action among the compacting states: to provide the framework for the promotion of public safety and protect the rights of victims through the control and regulation of the interstate movement of offenders in the community to provide for the effective tracking, supervision, and rehabilitation of these offenders by the sending and receiving states; and to equitably distribute the costs, benefits and obligations of the compact among the compacting states. In addition, this compact will: create an Interstate Commission which will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the jurisdiction of courts, paroling authorities, corrections or other criminal justice agencies which will promulgate rules to achieve the purpose of this compact; ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines; establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of Compact activities to heads of state councils, state executive, judicial, and legislative branches and criminal justice administrators; monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity. The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any offender under supervision subject to the provisions of this compact and Bylaws and Rules promulgated hereunder. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of public policies and are therefore public business. ---------- (L. 2000 H.B. 1321) Effective 6-19-02, see § 589.548

Law enforcement officer shall not include any officer who is the highest ranking officer in the law enforcement agency. 2. Whenever a law enforcement officer is under administrative investigation or is subjected to administrative questioning that the officer reasonably believes could lead to disciplinary action, demotion, dismissal, transfer, or placement on a status that could lead to economic loss, the investigation or questioning shall be conducted under the following conditions: (1) The law enforcement officer who is the subject of the investigation shall be informed, in writing, of the existence and nature of the alleged violation and the individuals who will be conducting the investigation. Notice shall be provided to the officer along with a copy of the complaint at least twenty-four hours prior to any interrogation or interview of the officer; (2) Any person, including members of the same agency or department as the officer under investigation, filing a complaint against a law enforcement officer shall have the complaint supported by a written statement outlining the complaint that includes the personal identifying information of the person filing the complaint. All personal identifying information shall be held confidential by the investigating agency; (3) When a law enforcement officer is questioned or interviewed regarding matters pertaining to his or her law enforcement duties or actions taken within the scope of his or her employment, such questioning shall be conducted for a reasonable length of time and only while the officer is on duty unless reasonable circumstances exist that necessitate questioning the officer while he or she is off duty; (4) Any interviews or questioning shall be conducted at a secure location at the agency that is conducting the investigation or at the place where the officer reports to work, unless the officer consents to another location; (5) Law enforcement officers shall be questioned by up to two investigators and shall be informed of the name, rank, and command of the investigator or investigators conducting the investigation; except that, separate investigators shall be assigned to investigate alleged department policy violations and alleged criminal violations; (6) Interview sessions shall be for a reasonable period of time. There shall be times provided for the officer to allow for such personal necessities and rest periods as are reasonably necessary; (7) Prior to an interview session, the investigator or investigators conducting the investigation shall advise the law enforcement officer of the rule set out in Garrity v. The attorney or representative shall be permitted to confer with the officer but shall not unduly disrupt or interfere with the interview. The agency shall determine the disposition of the complaint and render a disciplinary decision, if any, within ninety days. The agency is limited to two extensions per investigation; except that, if there is an ongoing criminal investigation there shall be no limitation on the amount of sixty-day extensions. For good cause shown, the internal investigation may be tolled until the conclusion of a concurrent criminal investigation arising out of the same alleged conduct. Absent consent from the officer being investigated, the administering authority overseeing the administration of discipline shall set the matter for hearing and shall provide notice of the hearing to the law enforcement officer under investigation. The officer shall have the right to attend the hearing and to present evidence and arguments against extension; (12) Within five days of the conclusion of the administrative investigation, the investigator shall inform the officer, in writing, of the investigative findings and any recommendation for further action, including discipline; (13) A complete record of the administrative investigation shall be kept by the law enforcement agency conducting such investigation. Upon completion of the investigation, a copy of the entire record, including, but not limited to, audio, video, and transcribed statements, shall be provided to the officer or the officer's representative within five business days of the officer's written request. The components of the hearing shall include, at a minimum: (1) The right to be represented by an attorney or other individual of their choice during the hearing; (2) Seven days' notice of the hearing date and time; (3) An opportunity to access and review documents, at least seven days in advance of the hearing, that are in the employer's possession and that were used as a basis for the disciplinary action; (4) The right to refuse to testify at the hearing if the officer is concurrently facing criminal charges in connection with the same incident. A law enforcement officer's decision not to testify shall not result in additional internal charges or discipline; (5) A complete record of the hearing shall be kept by the agency for purposes of appeal. The record shall be provided to the officer or his or her attorney upon written request; (6) The entire record of the hearing shall remain confidential and shall not be subject to disclosure under chapter 610, except by lawful subpoena or court order. 4. Any decision, order, or action taken following the hearing shall be in writing and shall be accompanied by findings of fact. The findings shall consist of a concise statement upon each issue in the case. The department of public safety shall investigate such claim, prior to the opening of formal proceedings. The claimant shall be notified of the date and time of any hearing on such claim. In determining the amount of compensation for which a claimant is eligible, the department shall consider the facts stated on the application filed pursuant to section 595.015, and: (1) Need not consider whether or not the alleged assailant has been apprehended or brought to trial or the result of any criminal proceedings against that person; however, if any person is convicted of the crime which is the basis for an application for compensation, proof of the conviction shall be conclusive evidence that the crime was committed; (2) Shall determine the amount of the loss to the claimant, or the victim's survivors or dependents; (3) Shall determine the degree or extent to which the victim's acts or conduct provoked, incited, or contributed to the injuries or death of the victim. 4. The claimant may present evidence and testimony on his own behalf or may retain counsel. The department of public safety may, as part of any award entered under sections 595.010 to 595.075, determine and allow reasonable attorney's fees, which shall not exceed fifteen percent of the amount awarded as compensation under sections 595.010 to 595.075, which fee shall be paid out of, but not in addition to, the amount of compensation, to the attorney representing the claimant. No attorney for the claimant shall ask for, contract for or receive any larger sum than the amount so allowed. 5. The person filing a claim shall, prior to any hearing thereon, submit reports, if available, from all hospitals, physicians, surgeons, or other health care providers who treated or examined the victim for the injury for which compensation is sought. A hospital, physician, surgeon, or other health care provider may submit reports on behalf of the person filing a claim. If, in the opinion of the department of public safety, an examination of the injured victim and a report thereon, or a report on the cause of death of the victim, would be of material aid, the department of public safety may appoint a duly qualified, impartial physician to make such examination and report. 6. Each and every payment shall be exempt from attachment, garnishment or any other remedy available to creditors for the collection of a debt. 7. Payments of compensation shall not be made directly to any person legally incompetent to receive them but shall be made to the parent, guardian or conservator for the benefit of such minor, disabled or incapacitated person. ---------- (L. 1981 H.B. 41, et al. § 4, A.L. 1985 H.B. 715, A.L. 1989 H.B. 502, et al., A.L. 1994 S.B. 554, A.L. 1996 S.B. 769, A.L. 2009 S.B. 338, A.L. 2018 H.B. 1355)

Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 595 595.030. Compensation, paid when — medical care, requirements — counseling, requirements — maximum award — joint claimants, distribution — method, timing of payment determined by department — negotiations with providers. —1. No compensation shall be paid unless the department of public safety finds that a crime was committed, that such crime directly resulted in personal injury to, or the death of, the victim, and that police, court, or other official records show that such crime was reported to the proper authorities. In lieu of other records the claimant may provide a sworn statement by the applicant under paragraph (c) of subdivision (2) of section 589.663 that the applicant has good reason to believe that he or she is a victim of domestic violence, rape, sexual assault, human trafficking, or stalking, and fears further violent acts from his or her assailant. If the victim is under eighteen years of age such report may be made by the victim's parent, guardian or custodian; by a physician, a nurse, or hospital emergency room personnel; by the children's division personnel; or by any other member of the victim's family. In the case of a sexual offense, filing

a report of the offense to the proper authorities may include, but not be limited to, the filing of the report of the forensic examination by the appropriate medical provider, as defined in section 595.220, with the prosecuting attorney of the county in which the alleged incident occurred, receiving a forensic examination, or securing an order of protection. 2. No compensation shall be paid for medical care if the service provider is not a medical provider as that term is defined in section 595.027, and the individual providing the medical care is not licensed by the state of Missouri or the state in which the medical care is provided. 3. No compensation shall be paid for psychiatric treatment or other counseling services, including psychotherapy, unless the service provider is a: (1) Physician licensed pursuant to chapter 334 or licensed to practice medicine in the state in which the service is provided; (2) Psychologist licensed pursuant to chapter 337 or licensed to practice psychology in the state in which the service is provided; (3) Clinical social worker licensed pursuant to chapter 337; (4) Professional counselor licensed pursuant to chapter 337; or (5) Board-certified psychiatric-mental health clinical nurse specialist or board certified psychiatric-mental health nurse practitioner licensed under chapter 335 or licensed in the state in which the service is provided. 4. Any compensation paid pursuant to sections 595.010 to 595.075 for death or personal injury shall be in an amount not exceeding out-of-pocket loss, together with loss of earnings or support from gainful employment, not to exceed four hundred dollars per week, resulting from such injury or death. In the event of death of the victim, an award may be made for reasonable and necessary expenses actually incurred for preparation and burial not to exceed five thousand dollars. 5. Any compensation for loss of earnings or support from gainful employment shall be in an amount equal to the actual loss sustained not to exceed four hundred dollars per week; provided, however, that no award pursuant to sections 595.010 to 595.075 shall exceed twenty-five thousand dollars. If two or more persons are entitled to compensation as a result of the death of a person which is the direct result of a crime or in the case of a sexual assault, the compensation shall be apportioned by the department of public safety among the claimants in proportion to their loss. 6. The method and timing of the payment of any compensation pursuant to sections 595.010 to 595.075 shall be determined by the department. 7. The department shall have the authority to negotiate the costs of medical care or other services directly with the providers of the care or services on behalf of any victim receiving compensation pursuant to sections 595.010 to 595.075. ---------- (L. 1981 H.B. 41, et al. § 5, A.L. 1985 H.B. 715, A.L. 1989 H.B. 502, et al., A.L. 1993 S.B. 19, A.L. 1994 S.B. 554, A.L. 1995 H.B. 174, et al., A.L. 2001 S.B. 267, A.L. 2007 H.B. 583, A.L. 2009 S.B. 338, A.L. 2014 H.B. 1299 Revision, A.L. 2015 S.B. 141 , A.L. 2016 S.B. 921, A.L. 2018 H.B. 1355)

Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 595 595.035. Award standards to be established — amount of award, factors to be considered — purpose of fund, reduction for other compensation received by victim, exceptions. —1. For the purpose of determining the amount of compensation payable pursuant to sections 595.010 to 595.075, the department of public safety shall, insofar as practicable, formulate standards for the uniform application of sections 595.010 to 595.075, taking into consideration the provisions of sections 595.010 to 595.075, the rates and amounts of compensation payable for injuries and death pursuant to other laws of this state and of the United States, excluding pain and suffering, and the availability of funds appropriated for the purpose of sections 595.010 to 595.075. All decisions of the department of public safety on claims pursuant to sections 595.010 to 595.075 shall be in writing, setting forth the name of the claimant, the amount of compensation and the reasons for the decision. 2. The crime victims' compensation fund is not a state health program and is not intended to be used as a primary payor to other health care assistance programs, but is a public, quasi-charitable fund whose fundamental purpose is to assist victims of violent crimes through a period of financial hardship, as a payor of last resort. Accordingly, any compensation paid pursuant to sections 595.010 to 595.075 shall be reduced by the amount of any payments, benefits or awards received or to be received as a result of the injury or death: (1) From or on behalf of the offender; (2) Under private or public insurance programs, including Tricare, Medicare, Medicaid and other state or federal programs, but not including any life insurance proceeds; or (3) From any other public or private funds, including an award payable pursuant to the workers' compensation laws of this state. 3. In determining the amount of compensation payable, the department of public safety shall determine whether, because of the victim's consent, provocation, incitement or negligence, the victim contributed to the infliction of the victim's injury or death, and shall reduce the amount of the compensation or deny the claim altogether, in accordance with such determination; provided, however, that the department of public safety may disregard the responsibility of the victim for his or her own injury where such responsibility was attributable to efforts by the victim to aid a victim, or to prevent a crime or an attempted crime from occurring in his or her presence, or to apprehend a person who had committed a crime in his or her presence or had in fact committed a felony. 4. In determining the amount of compensation payable pursuant to sections 595.010 to 595.075, monthly Social Security disability or retirement benefits received by the victim shall not be considered by the department as a factor for reduction of benefits. ---------- (L. 1981 H.B. 41, et al. § 6, A.L. 1982 S.B. 497, A.L. 1983 H.B. 713 Revision, A.L. 1985 H.B. 715, A.L. 1988 H.B. 1195, A.L. 1993 S.B. 19, A.L. 1994 S.B. 554, A.L. 2001 S.B. 267, A.L. 2009 S.B. 338, A.L. 2018 H.B. 1355)

All information submitted to the department and any hearing of the department on a claim filed pursuant to sections 595.010 to 595.075 shall be open to the public except for the following claims which shall be deemed closed and confidential: (1) A claim in which the alleged assailant has not been brought to trial and disclosure of the information or a public hearing would adversely affect either the apprehension, or the trial, of the alleged assailant; (2) A claim in which the offense allegedly perpetrated against the victim is rape, sodomy or sexual abuse and it is determined by the department to be in the best interest of the victim or of the victim's dependents that the information be kept confidential or that the public be excluded from the hearing; (3) A claim in which the victim or alleged assailant is a minor; or (4) A claim in which any record or report obtained by the department, the confidentiality of which is protected by any other law, shall remain confidential subject to such law. 2. Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 595 595.040. Subrogation, state's right, when — attorney general to bring action — lien for injuries, proceeding by claimant to recover damages, department may intervene — department may receive restitution. —1. Acceptance of any compensation under sections 595.010 to 595.075 shall subrogate this state, to the extent of such compensation paid, to any right or right of action accruing to the claimant or to the victim to recover payments on account of losses resulting from the crime with respect to which the compensation has been paid. The attorney general may enforce the subrogation, and he shall bring suit to recover from any person to whom compensation is paid, to the extent of the compensation actually paid under sections 595.010 to 595.075, any amount received by the claimant from any source exceeding the actual loss to the victim. 2. The department shall have a lien on any compensation received by the claimant, in addition to compensation received under provisions of sections 595.010 to 595.075, for injuries or death resulting from the incident upon which the claim is based. The claimant shall retain, as trustee for the department, so much of the recovered funds as necessary to reimburse the Missouri crime victims' compensation fund to the extent that compensation was awarded to the claimant from that fund. 3. If a claimant initiates any legal proceeding to recover restitution or damages related to the crime upon which the claim is based, or if the claimant enters into negotiations to receive any proceeds in settlement of a claim for restitution or damages related to the crime, the claimant shall give the department written notice within fifteen days of the filing of the action or entering into negotiations. The department may intervene in the proceeding of a complainant to recover the compensation awarded. If a claimant fails to give such written notice to the department within the stated time period, or prior to any attempt by claimant to reach a negotiated settlement of claims for recovery of damages related to the crime upon which the claim is based, the department's right of subrogation to receive or recover funds from claimant, to the extent that compensation was awarded by the department, shall not be reduced in any amount or percentage by the costs incurred by claimant attributable to such legal proceedings or settlement, including, but not limited to, attorney's fees, investigative cost or cost of court. If such notice is given, attorney fees may be awarded in an amount not to exceed fifteen percent of the amount subrogated to the department. 4. Whenever compensation is awarded to a claimant who is entitled to restitution from a criminal defendant, the department may initiate restitution hearings in such criminal proceedings or intervene in the same. The department shall be entitled to receive restitution in such proceedings to the extent compensation was awarded; provided, however, the department shall be exempt from the payment of any fees or other charges for the recording of restitution orders in the offices of the judges of probate. The claimant shall notify this department when restitution is ordered. Failure to notify the department will result in possible forfeiture of any amount already received from the department. 5. Whenever the department shall deem it necessary to protect, maintain or enforce the department's right to subrogation or to exercise any of its powers or to carry out any of its duties or responsibilities, the attorney general may initiate legal proceedings or intervene in legal proceedings as the department's legal representative. ---------- (L. 1981 H.B. 41, et al. § 7, A.L. 1994 S.B. 554, A.L. 2009 S.B. 338)

Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 595 595.045. Funding — costs for certain violations, amount, distribution of funds, audit — judgments in certain cases, amount — failure to pay, effect, notice — court cost deducted — insufficient funds to pay claims, procedure — interest earned, disposition. —1. There is established in the state treasury the "Crime Victims' Compensation Fund". A surcharge of seven dollars and fifty cents shall be assessed as costs in each court proceeding filed in any court in the state in all criminal cases including violations of any county ordinance or any violation of criminal or traffic laws of the state, including an infraction and violation of a municipal ordinance; except that no such fee shall be collected in any proceeding in any court when the proceeding or the defendant has been dismissed by the court or when costs are to be paid by the state, county, or municipality. A surcharge of seven dollars and fifty cents shall be assessed as costs in a juvenile court proceeding in which a child is found by the court to come within the applicable provisions of subdivision (3) of subsection 1 of section 211.031. 2. Notwithstanding any other provision of law to the contrary, the moneys collected by clerks of the courts pursuant to the provisions of subsection 1 of this section shall be collected and disbursed in accordance with sections 488.010 to 488.020 and shall be payable to the director of the department of revenue. 3. The director of revenue shall deposit annually the amount of two hundred fifty thousand dollars to the state forensic laboratory account administered by the department of public safety to provide financial assistance to defray expenses of crime laboratories if such analytical laboratories are registered with the federal Drug Enforcement Agency or the Missouri department of health and senior services. Subject to appropriations made therefor, such funds shall be distributed by the department of public safety to the crime laboratories serving the courts of this state making analysis of a controlled substance or analysis of blood, breath or urine in relation to a court proceeding. 4. The remaining funds collected under subsection 1 of this section shall be denoted to the payment of an annual appropriation for the administrative and operational costs of the office for victims of crime and, if a statewide automated crime victim notification system is established pursuant to section 650.310, to the monthly payment of expenditures actually incurred in the operation of such system. Additional remaining funds shall be subject to the following provisions: (1) On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055; (2) Beginning on September 1, 2004, and on the first of each month, the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section 595.100. 5. The director of revenue or such director's designee shall at least monthly report the moneys paid pursuant to this section into the crime victims' compensation fund and the services to victims fund to the department of public safety. 6. The moneys collected by clerks of municipal courts pursuant to subsection 1 of this section shall be collected and disbursed as provided by sections 488.010 to 488.020. Five percent of such moneys shall be payable to the city treasury of the city from which such funds were collected. The remaining ninety-five percent of such moneys shall be payable to the director of revenue. The funds received by the director of revenue pursuant to this subsection shall be distributed as follows: (1) On the first of every month, the director of revenue or the director's designee shall determine the balance of the funds in the crime victims' compensation fund available to satisfy the amount of compensation payable pursuant to sections 595.010 to 595.075, excluding sections 595.050 and 595.055; (2) Beginning on September 1, 2004, and on the first of each month the director of revenue or the director's designee shall deposit fifty percent of the balance of funds available to the credit of the crime victims' compensation fund and fifty percent to the services to victims' fund established in section 595.100. 7. These funds shall be subject to a biennial audit by the Missouri state auditor. Such audit shall include all records associated with crime victims' compensation funds collected, held or disbursed by any state agency. 8. In addition to the moneys collected pursuant to subsection 1 of this section, the court shall enter a judgment in favor of the state of Missouri, payable to the crime victims' compensation fund, of sixty-eight dollars upon a plea of guilty or a finding of guilt for a class A or B felony; forty-six dollars upon a plea of guilty or finding of guilt for a class C or D felony; and ten dollars upon a plea of guilty or a finding of guilt for any misdemeanor under Missouri law except for those in chapter 252 relating to fish and game, chapter 302 relating to drivers' and commercial drivers' license, chapter 303 relating to motor vehicle financial responsibility, chapter 304 relating to traffic regulations, chapter 306 relating to watercraft regulation and licensing, and chapter 307 relating to vehicle equipment regulations. Any clerk of the court receiving moneys pursuant to such judgments shall collect and disburse such crime victims' compensation judgments in the manner provided by sections 488.010 to 488.020. Such funds shall be payable to the state treasury and deposited to the credit of the crime victims' compensation fund. 9. The clerk of the court processing such funds shall maintain records of all dispositions described in subsection 1 of this section and all dispositions where a judgment has been entered against a defendant in favor of the state of Missouri in accordance with this section; all payments made on judgments for alcohol-related traffic offenses; and any judgment or portion of a judgment entered but not collected. These records shall be subject to audit by the state auditor. The clerk of each court transmitting such funds shall report separately the amount of dollars collected on judgments entered for alcohol-related traffic offenses from other crime victims' compensation collections or services to victims collections. 10. The department of revenue shall maintain records of funds transmitted to the crime victims' compensation fund by each reporting court and collections pursuant to subsection 16 of this section and shall maintain

separate records of collection for alcohol-related offenses. 11. The state courts administrator shall include in the annual report required by section 476.350 the circuit court caseloads and the number of crime victims' compensation judgments entered. 12. All awards made to injured victims under sections 595.010 to 595.105 and all appropriations for administration of sections 595.010 to 595.105, except sections 595.050 and 595.055, shall be made from the crime victims' compensation fund. Any unexpended balance remaining in the crime victims' compensation fund at the end of each biennium shall not be subject to the provision of section 33.080 requiring the transfer of such unexpended balance to the ordinary revenue fund of the state, but shall remain in the crime victims' compensation fund. In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no funds in the crime victims' compensation fund, then no claim shall be paid until funds have again accumulated in the crime victims' compensation fund. When sufficient funds become available from the fund, awards which have not been paid shall be paid in chronological order with the oldest paid first. In the event an award was to be paid in installments and some remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this subsection is specifically not a claim against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund. 13. When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections. 14. All interest earned as a result of investing funds in the crime victims' compensation fund shall be paid into the crime victims' compensation fund and not into the general revenue of this state. 15. Any person who knowingly makes a fraudulent claim or false statement in connection with any claim hereunder is guilty of a class A misdemeanor. 16. The department may receive gifts and contributions for the benefit of crime victims. Such gifts and contributions shall be credited to the crime victims' compensation fund as used solely for compensating victims under the provisions of sections 595.010 to 595.075. ---------- (L. 1981 H.B. 41, et al. § 8, A.L. 1982 S.B. 497, A.L. 1984 H.B. 1226, A.L. 1985 H.B. 715, A.L. 1986 H.B. 1554 Revision, A.L. 1988 H.B. 1195, A.L. 1989 S.B. 364 merged with S.B. 138, A.L. 1990 H.B. 974, A.L. 1992 S.B. 638, A.L. 1993 S.B. 19, A.L. 1996 S.B. 769 repealed by L. 1997 S.B. 248, A.L. 1996 S.B. 869, A.L. 2001 S.B. 267, A.L. 2004 H.B. 1188 merged with S.B. 1211, A.L. 2009 S.B. 338) CROSS REFERENCES: Crime laboratory assistance program, 650.100, 650.105 Multinational banks, securities and obligations of, investment in, when, 409.950

Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 600 600.051. Waiver of counsel, when permitted. —1. Any judge of a court of competent jurisdiction may permit a waiver of counsel to be filed in any criminal case wherein a defendant may receive a jail sentence or confinement if the court first determines that defendant has made a knowledgeable and intelligent waiver of the right to assistance of counsel and the waiver is signed before and witnessed by the judge or clerk of the court, providing further that the waiver contains at least the following information which the defendant has read or which has been read to the defendant before the signing thereof: (1) That the defendant has been charged with the offense of _____ (nature of charge must be inserted before signing); (2) That the defendant has a right to a trial on the charge and further that the defendant has a right to a trial by a jury; (3) That the maximum possible sentence on the charge is _____ imprisonment in jail and a fine in the amount of _____ dollars or by both imprisonment and fine. That the minimum possible sentence is _____ imprisonment in jail or by a fine in the amount of _____ dollars or by both such confinement and fine; (4) That the defendant is aware that any recommendations by a prosecuting attorney or other prosecuting official are not binding on the judge and that any such recommendations may or may not be accepted by judge; (5) That if defendant pleads guilty or is found guilty of the charge, the judge is most likely to impose a sentence of confinement; (6) That, if indigent, and unable to employ an attorney, the defendant has

a right to request the judge to appoint counsel to assist the defendant in his defense against the charge. 2. Such a waiver and procedure shall be required if the judge imposes an order of probation, parole or suspension of sentence whereby subsequently the defendant may be ordered confined thereunder. Whenever a judge has permitted the filing of a waiver and a plea of guilty or a finding of guilty on the charge is entered and before the imposition of a sentence of confinement (including probation, parole or suspended sentence), the judge shall determine: (1) That if a plea of guilty has been entered, there is a factual basis for such a plea and, upon inquiry of defendant, that defendant is in fact guilty of the charge; (2) That the defendant does not know of the existence of any witness or of any fact, circumstances or evidence which was not presented to the court, which would exonerate defendant of the charge; (3) That upon inquiry of the prosecuting attorney there are no witnesses or evidence which would cast a reasonable doubt about the defendant's guilt or defenses available to defendant not disclosed to the court. ---------- (L. 1976 H.B. 1095 § 600.046)

Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 600 600.063. Caseload concerns, motion to court, procedure — rulemaking authority. —1. Upon approval by the director or the commission, any district defender may file a motion to request a conference to discuss caseload issues involving any individual public defender or defenders, but not the entire office, with the presiding judge of any circuit court served by the district office. The motion shall state the reasons why the individual public defender or public defenders will be unable to provide effective assistance of counsel due to caseload concerns. When a motion to request a conference has been filed, the clerk of the court shall immediately provide a copy of the motion to the prosecuting or circuit attorney who serves the circuit court. 2. If the presiding judge approves the motion, a date for the conference shall be set within thirty days of the filing of the motion. The court shall provide notice of the conference date and time to the district defender and the prosecuting or circuit attorney. 3. Within thirty days of the conference, the presiding judge shall issue an order either granting or denying relief. If relief is granted, it shall be based upon a finding that the individual public defender or defenders will be unable to provide effective assistance of counsel due to caseload issues. The judge may order one or more of the following types of relief in any appropriate combination: (1) Appoint private counsel to represent any eligible defendant pursuant to the provisions of section 600.064; (2) Investigate the financial status of any defendant determined to be eligible for public defender representation under section 600.086 and make findings regarding the eligibility of such defendants; (3) Determine, with the express concurrence of the prosecuting or circuit attorney, whether any cases can be disposed of without the imposition of a jail or prison sentence and allow such cases to proceed without the provision of counsel to the defendant; (4) Modify the conditions of release ordered in any case in which the defendant is being represented by a public defender, including, but not limited to, reducing the amount of any bond required for release; (5) Place cases on a waiting list for defender services, taking into account the seriousness of the case, the incarceration status of the defendant, and such other special circumstances as may be brought to the attention of the court by the prosecuting or circuit attorney, the district defender, or other interested parties; and (6) Grant continuances. 4. Upon receiving the order, the prosecuting or circuit attorney and the district defender shall have ten days to file an application for review to the appropriate appellate court. Such appeal shall be expedited by the court in every manner practicable. 5. Nothing in this section shall deny any party the right to seek any relief authorized by law nor shall any provisions of this section be construed as providing a basis for a claim for post-conviction relief by a defendant. 6. The commission and the supreme court may make such rules and regulations to implement this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created by the commission under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void. ---------- (L. 2013 H.B. 215)

Title XXXVIII CRIMES AND PUNISHMENT; PEACE OFFICERS AND PUBLIC DEFENDERS Chapter 600 600.064. Private counsel, appointment of, requirements — expenses. —1. Before a circuit court judge appoints private counsel to represent an indigent defendant, the judge shall: (1) Investigate the defendant's financial status to verify that the defendant does not have the

means to obtain counsel; (2) Provide each appointed lawyer, upon request, with an evidentiary hearing as to the propriety of the appointment, taking into consideration the lawyer's right to earn a livelihood and be free from involuntary servitude. If the judge determines after the hearing that the appointment will cause any undue hardship to the lawyer, the judge shall appoint another lawyer; and (3) Determine whether the private counsel to be appointed possesses the necessary experience, education, and expertise in criminal defense to provide effective assistance of counsel. 2. No judge shall require a lawyer to advance personal funds in any amount for the payment of litigation expenses to prepare a proper defense for an indigent defendant. 3. If an employee of the general assembly is appointed to represent an indigent defendant during the time period beginning January first and ending June first of each year, or whenever the general assembly is in a veto session or special session or is holding out-of-session committee hearings, the judge who made the appointment shall postpone the trial and all other proceedings of any kind or nature to a date that does not fall within such time period or appoint a different lawyer who is not an employee of the general assembly to represent the defendant. 4. A person shall be considered eligible for representation under sections 600.011 to 600.048 and 600.086 to 600.096 when it appears from all the circumstances of the case including his ability to make bond, his income and the number of persons dependent on him for support that the person does not have the means at his disposal or available to him to obtain counsel in his behalf and is indigent as hereafter determined. 2. Within the parameters set by subsection 1 of this section, the commission may establish and enforce such further rules for courts and defenders in determining indigency as may be necessary. 3. The determination of indigency of any person seeking the services of the state public defender system shall be made by the defender or anyone serving under him at any stage of the proceedings. Upon motion by either party, the court in which the case is pending shall have authority to determine whether the services of the public defender may be utilized by the defendant. Upon the courts finding that the defendant is not indigent, the public defender shall no longer represent the defendant. Any such person claiming indigency shall file with the court an affidavit which shall contain the factual information required by the commission under rules which may be established by the commission in determining indigency. 4. Any person who intentionally falsifies such affidavit in order to obtain state public defender system services shall be guilty of a class A misdemeanor. 5. The director or anyone serving under him may institute an investigation into the financial status of any person seeking the services of the state public defender system at such times as the circumstances shall warrant. (1) If a person is determined to be eligible for the services provided by the state public defender system and if, at the time such determination is made, he is able to provide a limited cash contribution toward the cost of his representation without imposing a substantial hardship upon himself or his dependents, such contribution shall be required as a condition of his representation by the state public defender system. (2) If at any time, either during or after the disposition of his case, such defendant becomes financially able to meet all or some part of the cost of services rendered to him, he shall be required to reimburse the commission in such amounts as he can reasonably pay, either by a single payment or by installments of reasonable amounts, in accordance with a schedule of charges for public defender services prepared by the commission. (3) No difficulty or failure in the making of such payment shall reduce or in any way affect the rendering of public defender services to such persons. 2. (1) The reasonable value of the services rendered to a defendant pursuant to sections 600.011 to 600.048 and 600.086 to 600.096 may in all cases be a lien on any and all property to which the defendant shall have or acquire an interest. The public defender shall effectuate such lien whenever the reasonable value of the services rendered to a defendant appears to exceed one hundred fifty dollars and may effectuate such lien where the reasonable value of those services appears to be less than one hundred fifty dollars. (2) To effectuate such a lien, the public defender shall, prior to the final disposition of the case or within ten days thereafter, file a notice of lien setting forth the services rendered to the defendant and a claim for the reasonable value of such services with the clerk of the circuit court. The defendant shall be personally served with a copy of such notice of lien. The court shall rule on whether all or any part of the claim shall be allowed. The portion of the claim approved by the court as the value of defender services which has been provided to the defendant shall be a judgment at law. The public defender shall not be required to pay filing or recording fees for or relating to such claim. (3) Such judgment shall be enforceable in the name of the state on behalf of the commission by the prosecuting attorney of the circuit in which the judgment was entered. (4) The prosecuting attorney may compromise and make settlement of, or, with the concurrence of the director, forego any claims for services performed for any person pursuant to this chapter whenever the financial circumstances of such person are such that the best interests of the state will be served by such action. 3. The commission may contract with private attorneys for the collection and enforcement of liens and other judgments owed to the state for services rendered by the state public defender system. 4. The lien created by this section shall be from the time filed in the court by the defender a charge or claim against any assets of the defendant; provided further that the same shall be served upon the person in possession of the assets or shall be recorded in the office of the recorder of deeds in the county in which the person resides or in which the assets are located. 5. Funds collected pursuant to this section and section 600.093 shall be credited to the "Legal Defense and Defender Fund" which is hereby created. The moneys credited to the legal defense and defender fund shall be used for the purpose of training public defenders, assistant public defenders, deputy public defenders and other personnel pursuant to subdivision (7) of subsection 1 of section 600.042, and may be used to pay for expert witness fees, the costs of depositions, travel expenses incurred by witnesses in case preparation and trial, expenses incurred for changes of venue and for other lawful expenses as authorized by the public defender commission. 6. The state treasurer shall be the custodian of the legal defense and defender fund, moneys in the legal defense and defender fund shall be deposited the same as are other state funds, and any interest accruing to the legal defense and defender fund shall be added to the legal defense and defender fund. The legal defense and defender fund shall be subject to audit, the same as other state funds and accounts, and shall be protected by the general bond given by the state treasurer. 7. Upon the request of the director of the office of state public defender, the commissioner of administration shall approve disbursements from the legal defense and defender fund.
