§21-142.9. Waiver of physician-patient privilege - Mental or physical examination - Reports - Advisory panel - Limiting compensation for treatment - Debt collection.

A. Any person filing a claim under the provisions of Section 142.1 et seq. of this title shall be deemed to have waived any physician-patient privilege as to communications or records relevant to an issue of the physical, mental or emotional conditions of the claimant.

B. If the mental, physical or emotional condition of a claimant is material to a claim, the Crime Victims Compensation Board upon good cause shown may order the claimant to submit to a mental or physical examination. The examination report shall set out the findings of the person making the report, including results of all tests made, diagnoses, prognoses and other conclusions and reports of earlier examinations of the same conditions.

C. The Board shall furnish a copy of the examination report. If the victim is deceased, the Board, on request, shall furnish a copy of the report to the claimant.

D. The Board may require the claimant to supply any additional medical or psychological reports available relating to the injury or death for which compensation is claimed.

E. In certain cases wherein mental health expenses are being claimed, the Board and Administrator of the Crime Victims Compensation Board may request assistance from a panel of professionals in the mental health field. The panel of professionals may only act in an advisory capacity to the Board.

F. The Board shall have the authority to set limits of compensation on any medical or mental health treatment, and require that providers of medical or mental health treatment be licensed prior to compensating for said treatment. Awards for all medical services shall not exceed eighty percent (80%) of the total cost of the service less any other reduction for contributory conduct, as determined by the Board. Any medical provider that receives payment from the Crime Victims Compensation Revolving Fund for medical, dental or psychological services, or any provider that supplies equipment pursuant to an award under the Oklahoma Crime Victims Compensation Act shall, as a condition of the receipt of such payment, accept such payment as discharging in full any and all obligations of the claimant to pay, reimburse or compensate the provider for medical services, supplies or equipment that have been reimbursed pursuant to the Oklahoma Crime Victims Compensation Act. In the event the claimant has paid for a medical service, the claimant will be reimbursed for the out-of-pocket loss, less any reductions for contributory conduct, as determined by the Board.

G. All records and information given to the Board to process a claim on behalf of a crime victim shall be confidential. Such exhibits, medical records, psychological records, counseling records, work records, criminal investigation records, criminal court case records, witness statements, telephone records, and other records of any type or nature whatsoever gathered for the purpose of

evaluating whether to compensate a victim shall not be obtainable by any party to any civil or criminal action through any discovery process except:

1. In the event of an appeal under the Administrative Procedures Act from a decision of the Board and then only to the extent narrowly and necessarily to obtain court review; or

2. Upon a strict showing to the court in a separate civil or criminal action that particular information or documents are not obtainable after diligent effort from any independent source, and are known to exist otherwise only in Board records, the court may inspect in camera such records to determine whether the specific requested information exists. If the court determines the specific information sought exists in the Board's records, the documents may then be released only by court order if the court finds as part of its order that the documents will not pose any threat to the safety of the victim or any other person whose identity may appear in the Board's records.

H. When a person files a claim, all providers that have been given notice of a pending claim shall refrain from all debt collection activities relating to medical treatment or other services received by the person in connection with such claim until an award is made on the claim or until a claim is determined to be noncompensable pursuant to the provisions of this act. The statute of limitations for collection of such debt shall be tolled during the period in which the applicable health care provider or other service provider is required to refrain from debt collection activities under this subsection. For the purposes of this subsection, "debt collection activities" means repeatedly calling or writing to the claimant and threatening either to turn the matter over to a debt collection agency or to an attorney for collection, enforcement, or filing of other process. The term shall not include routine billing about the status of the claim.

§21-142.10. Award of compensation - Criteria - Amount - Denial, withdrawal or reduction - Reconsideration.

A. Compensation shall not be awarded:

1. Unless the claim has been filed with the Crime Victims Compensation Board within thirty (30) months after the injury or death upon which the claim is based. If the victim is under a mental or cognitive disability or is a child under eighteen (18) years of age, the Board may use the date the criminal incident was disclosed to a responsible adult when establishing whether or not the claim was timely filed. In cases involving sexual assault of an

adult eighteen (18) years of age or older, the Board may use the date the sexual assault forensic evidence kit was tested when establishing whether the claim was timely filed. The Board may, at its discretion, extend the filing period beyond one (1) year upon a showing of good cause or in all cases of sexual assault;

2. To a claimant who was the offender, or an accomplice of the offender;

3. To another person if the award would unjustly benefit the offender or accomplice; or

4. Unless after the criminally injurious conduct resulting in injury or death:

- a. such conduct was reported to a law enforcement officer within seventy-two (72) hours after its occurrence,
- b. in the case of sexual assault, the victim undergoes a forensic medical examination within one hundred twenty (120) hours after its occurrence, or
- c. the Board finds there was good cause for the failure to report the crime or obtain a forensic medical examination within the time specified in subparagraph a or b of this paragraph.

B. Compensation otherwise payable to a claimant shall be diminished to the extent:

1. That the economic loss is recouped from collateral sources; or

2. Of the degree of responsibility for the cause of the injury or death attributable to the victim as determined by the Board. Provided, a self-inflicted injury shall not be attributable to the victim when the Board finds the injury is a direct result of the crime committed against the victim.

C. The Board, upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies, may deny, withdraw or reduce an award of compensation. Victims of sexual assault who undergo a forensic medical examination within one hundred twenty (120) hours after the sexual assault shall be found to have fully cooperated. The Board may extend this period of time for good cause.

D. The Board, on its own motion or on request of the claimant, may reconsider a decision granting or denying an award or determining its amount. The motion or request to reconsider a decision shall be made within six (6) months from the date of the last action by the Board on the claim at issue. An order on reconsideration of an award shall not require a refund of amounts previously paid unless the award was obtained by fraud. The right of reconsideration does not affect the finality of a Board decision for the purpose of judicial review. On claims which are denied by the Board, reconsideration may only be granted within six (6) months of the last Board action.

E. The provisions of subsections A and B of this section shall not apply to claimants eligible for compensation pursuant to the Murrah Crime Victims Compensation Act who make claims under the Oklahoma Crime Victims Compensation Act.

Added by Laws 1981, c. 93, § 10. Amended by Laws 1989, c. 348, § 10, eff. Nov. 1, 1989; Laws 1990, c. 93, § 2, eff. Sept. 1, 1990; Laws 1993, c. 325, § 8, emerg. eff. Nov. 1, 2021; Laws 2023, c. 119, § 1, eff. Nov. 1, 2023.

§21-142.11. Prosecution, conviction or adjudication not required - Proof of conviction or copy of adjudication order - Suspension of proceedings.

An award may be made whether or not any person is prosecuted or, convicted as an adult offender or adjudicated a delinquent child. Proof of conviction of a person whose acts give rise to a claim or a copy of the adjudication order for a delinquent child whose acts give rise to a claim is conclusive evidence that the crime was committed, unless an application for rehearing, an appeal of the conviction, certiorari or adjudication is pending, or a rehearing or new trial has been ordered. The Board may suspend the proceedings pending disposition of a criminal prosecution or delinquent child adjudication that has been commenced or is imminent, but may make a tentative award under Section 143.13 of this title.

Laws 1981, c. 93, § 11.

§21-142.12. Recovery from collateral source - Subrogation of state - Retention of funds in trust - Notice to Board.

A. If compensation is awarded, the state shall be subrogated to all the rights of a claimant to receive or recover from a collateral source to the extent that compensation was awarded.

B. In the event the claimant recovers compensation, other than under the provisions of this act, for injuries or death resulting from criminally injurious conduct, the claimant shall retain, as trustee, so much of the recovered funds as necessary to reimburse the Victims Compensation Revolving Fund to the extent that compensation was awarded to the claimant from that Fund. The funds retained in trust shall be promptly deposited in the Victims Compensation Revolving Fund.

C. If a claimant brings an action to recover damages related to the criminally injurious conduct upon which compensation is claimed or awarded, the claimant shall give the Board written notice of the action. After receiving the notice, the Board may join in the action as a party plaintiff to recover the compensation awarded.

Laws 1981, c. 93, § 12.

§21-142.13. Payment of award - Exemption from process - Assignment - Counseling expenses.

A. The Crime Victims Compensation Board may compensate for work loss, replacement services loss, dependent's economic loss and dependent's replacement service loss. Compensation for a caregiver who has out-of-pocket wage loss as a result of caring for the victim who was injured as a result of criminally injurious conduct may not exceed Three Thousand Dollars (\$3,000.00).

B. Compensation payable to a victim and to all other claimants sustaining economic loss because of injury to or death of that victim may not exceed Twenty-five Thousand Dollars (\$25,000.00) in the aggregate. The Board may, after approval of an initial award of Twenty-five Thousand Dollars (\$25,000.00), grant an additional sum not to exceed Twenty-five Thousand Dollars (\$25,000.00), specifically for loss of wages for the victim or loss of support for dependents of a deceased victim, provided there is verifiable economic loss after deducting payments from other sources. In no event shall compensation payable to a victim and to all other claimants sustaining economic loss because of injury to or death of that victim exceed Fifty Thousand Dollars (\$50,000.00) in the aggregate.

C. The Board may provide for the payment to a claimant in a lump sum or in installments. At the request of the claimant, the Board may convert future economic loss, other than allowable expense, to a lump sum.

D. An award payable in a lump sum or installments for loss of support for a dependent of the deceased victim may be computed through a formula which calculates the net loss of support for dependents based upon an estimated date of retirement or an estimated date of adulthood for dependent children, beginning with the date of death of the victim and ending with the least of one of the following time periods for each dependent filing loss of support:

1. The amount of time from the date of death of the victim to the date the victim would have been expected to reach sixty-two (62) years of age;

2. The amount of time from the date of death of the victim to the date the spouse of the victim is expected to reach sixty-two (62) years of age; or

3. The amount of time from the date of death of the victim to the date a dependent child is expected to reach eighteen (18) years of age or twenty-three (23) years of age if the dependent child is enrolled as a full-time student. An award payable in installments for future loss of support may be modified by the Board in the event a dependent child receiving loss of support is between the ages of eighteen (18) and twenty-three (23) years of age and is no longer enrolled as a full-time student, the dependent dies before all

installments are paid or the dependent receiving installments moves and leaves no forwarding address with the Board office.

E. An award shall not be subject to execution, attachment, garnishment or other process, except for child support and except that an award for allowable expense shall not be exempt from a claim of a creditor to the extent that such creditor has provided products, services or accommodations, the costs of which are included in the award.

F. An assignment by the claimant to any future award under the provisions of Section 142.1 et seq. of this title is unenforceable, except:

1. An assignment of any award for work loss to assure payment of court ordered alimony, maintenance or child support; or

2. An assignment of any award for allowable expense to the extent that the benefits are for the cost of products, services or accommodations necessitated by the injury or death on which the claim is based and are provided or to be provided by the assignee.

G. The Board may, in its discretion, approve payment of crisis counseling, occurring within three (3) years of the crime, in an amount not to exceed Three Thousand Dollars (\$3,000.00) for each family member of a homicide victim; provided, the counselor is a qualified mental health care provider. Medical and pharmaceutical treatment is not compensable for any family member of a deceased victim.

H. Outpatient counseling expenses for a victim of criminally injurious conduct may be considered by the Board provided the counseling is focused on the crime and the counselor is a qualified mental health care provider. A total not to exceed Three Thousand Dollars (\$3,000.00) may be awarded for individual counseling sessions for victims of criminally injurious conduct. Sessions between the mental health care provider and nonoffending parents of a victimized child under eighteen (18) years of age may also be included in the award provided the combined total for the counseling and parental sessions does not exceed Three Thousand Dollars (\$3,000.00) and the parental sessions relate to the victimization. In extreme cases, the Board may, in its discretion, waive the three-thousand-dollar limit. Inpatient mental health treatment will be reviewed on a case-by-case basis and may be compensated, at the discretion of the Board, in an amount not to exceed Twenty Thousand Dollars (\$20,000.00).

I. Reasonable funeral, cremation or burial expenses shall not exceed Seven Thousand Five Hundred Dollars (\$7,500.00).

J. Reasonable costs associated with crime scene cleanup shall not exceed Two Thousand Dollars (\$2,000.00).

K. Loss of income of a caregiver shall not exceed Three Thousand Dollars (\$3,000.00).

L. Reasonable costs for vehicle impound fees are limited to violent crimes occurring in a vehicle owned by the victim of the violent crime or an eligible claimant, provided such fee is associated with the collection and security of crime scene evidence. Reimbursement for vehicle impound fees shall not exceed Seven Hundred Fifty Dollars (\$750.00).

§21-142.14. Advancement on award.

If the Board determines that the claimant will suffer financial hardship unless an advance award is made, an amount may be paid to the claimant and shall be deducted from the final award, or shall be repaid by and recoverable from the claimant to the extent that it exceeds the final award.

Laws 1981, c. 93, § 14.

§21-142.15. Reports to be made by Board.

The Board shall prepare and transmit annually to the Governor and the Speaker of the House of Representatives and the President Pro Tempore of the Senate, a report of its activities, including the amount of compensation awarded and a statistical summary of claims and awards made and denied.

Laws 1981, c. 93, § 15.

§21-142.16. False claims.

The filing of a false claim for compensation pursuant to this act shall constitute a misdemeanor, and shall be punishable by a fine not to exceed One Thousand Dollars (\$1,000.00) or by imprisonment in the county jail for a term not to exceed one (1) year, or by both such fine and imprisonment.

Laws 1981, c. 93, § 16.

§21-142.17. Crime Victims Compensation Revolving Fund.

There is hereby created in the State Treasury a revolving fund for the Crime Victims Compensation Board to be designated the "Crime Victims Compensation Revolving Fund". The Fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all monies received by the Crime Victims Compensation Board from any source excluding appropriated funds. All monies accruing to the credit of said Fund are hereby appropriated and, except for those monies specifically authorized by the Legislature

to be expended by the District Attorneys Council for administration of the Crime Victims Compensation Board or operating expenses for administering federal grant programs, may be budgeted and expended by the Board for the purpose of implementing the provisions of the Oklahoma Crime Victims Compensation Act including the provisions set forth in Section 142.20 of this title. In imposing this penalty, the court shall consider factors such as the severity of the crime, the prior criminal record, the expenses of the victim of the crime, and the ability of the defendant to pay, as well as the economic impact of the victim compensation assessment on the dependents of the defendant.

B. In addition to the imposition of any costs, penalties or fines imposed pursuant to law, any person convicted of, pleading guilty to or agreeing to a deferred judgment procedure under the provisions set forth in the Oklahoma Statutes for a felony or misdemeanor offense, not including traffic offenses and not including misdemeanor offenses of the Oklahoma Wildlife Conservation Code or statutes relating to water safety, not described in subsection A of this section, the court shall levy a victim compensation assessment of at least Forty-five Dollars (\$45.00), but not to exceed One Thousand Dollars (\$1,000.00) for each felony and at least Thirty Dollars (\$30.00), but not to exceed Three Hundred Dollars (\$300.00) for each misdemeanor upon every fine, penalty, and forfeiture imposed and collected. In any municipal court of record in which the defendant is ordered by the court to pay municipal court costs as a result of a crime involving violence, the threat of violence, or sexual assault, the court shall levy and collect a victims compensation assessment of Thirty-five Dollars (\$35.00). The municipal court clerk collecting said assessment is authorized to deduct ten percent (10%) of the amount collected from said Thirty-five Dollars (\$35.00) for administrative costs. In any municipal court of record in which the defendant is ordered by the court to pay municipal court costs as a result of driving under the influence of alcohol or other intoxicating substance, or both alcohol and other intoxicating substance, the court shall levy and collect a victims compensation assessment of Twenty-five Dollars (\$25.00). The municipal court clerk collecting said assessment is authorized to deduct ten percent (10%) of the amount collected from said Twenty-five Dollars (\$25.00) for administrative costs. §21-566.1. Noncompliance with child support order - Indirect civil contempt.

A. When a court of competent jurisdiction has entered an order compelling a parent to furnish child support, necessary food, clothing, shelter, medical support, payment of child care expenses, or other remedial care for the minor child of the parent:

 - d. the parent was present in court at the time the order was pronounced; and
2. Proof of noncompliance with the order,

shall be prima facie evidence of an indirect civil contempt of court.

B. 1. In the case of indirect contempt for the failure to comply with an order for child support, child support arrears, or other support, punishment shall be, at the discretion of the court:

- a. incarceration in the county jail not exceeding six (6) months, or
- b. incarceration in the county jail on weekends or at other times that allow the obligor to be employed, seek employment or engage in other activities ordered by the court.

A problem-solving court program is an immediate and highly structured judicial intervention process for the obligor and requires completion of a participation agreement by the obligor and monitoring by the court. A problem-solving court program differs in practice and design from the traditional adversarial contempt prosecution and trial systems. The obligors in this program shall be required to sign an agreement to participate in this program as a condition of the

Department of Human Services agreement to stay contempt proceedings or in lieu of incarceration after a finding of guilt. The court liaisons assess the needs of the obligor, develop a community referral network, make referrals, monitor the compliance of the obligor in the program, and provide status reports to the court, and

- b. participation in programs such as counseling, treatment, educational training, social skills training or employment training to which the obligor reports daily or on a regular basis at specified times for a specified length of time.

D. In the case of indirect contempt for the failure to comply with an order for child support, child support arrears, or other support, the Supreme Court shall promulgate guidelines for determination of the sentence and purge fee. If the court fails to follow the guidelines, the court shall make a specific finding stating the reasons why the imposition of the guidelines would result in inequity. The factors that shall be used in determining the sentence and purge fee are:

1. The proportion of the child support, child support arrearage payments, or other support that was unpaid in relation to the amount of support that was ordered paid;

2. The proportion of the child support, child support arrearage payments, or other support that could have been paid by the party found in contempt in relation to the amount of support that was ordered paid;

3. The present capacity of the party found in contempt to pay any arrearages;

4. Any willful actions taken by the party found in contempt to reduce the capacity of that party to pay any arrearages;

5. The past history of compliance or noncompliance with the support order; and

Three unexcused absences in succession or seven unexcused absences in a period of fifty-two (52) weeks from any court-ordered domestic abuse counseling or treatment program shall be prima facie evidence of the violation of the conditions of probation for the district attorney to seek acceleration or revocation of any probation entered by the court.

- b. The court shall set a second review hearing after the completion of the counseling or treatment to assure the attendance and compliance of the defendant with the provisions of this subsection and the domestic abuse counseling or treatment requirements. The court shall retain continuing jurisdiction over the defendant during the course of ordered counseling through the final review hearing;

4. The court may set subsequent or other review hearings as the court determines necessary to assure the defendant attends and fully complies with the provisions of this subsection and the domestic abuse counseling or treatment requirements;

5. At any review hearing, if the defendant is not satisfactorily attending individual counseling or a domestic abuse counseling or treatment program or is not in compliance with any domestic abuse counseling or treatment requirements, the court may order the defendant to further or continue counseling, treatment, or other necessary services. The court may revoke all or any part of a suspended sentence, deferred sentence, or probation pursuant to Section 991b of Title 22 of the Oklahoma Statutes and subject the defendant to any or all remaining portions of the original sentence;

6. At the first review hearing, the court shall require the defendant to appear in court. Thereafter, for any subsequent review hearings, the court may accept a report on the progress of the defendant from individual counseling, domestic abuse counseling, or the treatment program. There shall be no requirement for the victim to attend review hearings; and

7. If funding is available, a referee may be appointed and assigned by the presiding judge of the district court to hear designated cases set for review under this subsection. the same manner and procedure as set forth in Sections 1-8-103 and 2-2-702 of Title 10A of the Oklahoma Statutes pertaining to referees appointed in juvenile proceedings.

For the purposes of subsections C and G of this section, "child" may be any child whether or not related to the victim or the defendant.

I. For the purposes of subsections C and G of this section, any conviction for assault and battery against an intimate partner or a family or household member as defined by Section 60.1 of Title 22 of the Oklahoma Statutes shall constitute a sufficient basis for a felony charge:

1. If that conviction is rendered in any state, county or parish court of record of this or any other state; or

2. If that conviction is rendered in any municipal court of record of this or any other state for which any jail time was served; provided, no conviction in a municipal court of record entered prior to November 1, 1997, shall constitute a prior conviction for purposes of a felony charge.

J. Any person who commits any assault and battery by strangulation or attempted strangulation against an intimate partner or a family or household member as defined by Section 60.1 of Title 22 of the Oklahoma Statutes shall, upon conviction, be guilty of domestic abuse by strangulation and shall be punished by imprisonment in the custody of the Department of Corrections for a period of not less than one (1) year nor more than three (3) years, or by a fine of not more than Three Thousand Dollars (\$3,000.00), or by both such fine and imprisonment. Upon a second or subsequent conviction for a violation of this section, the defendant shall be punished by imprisonment in the custody of the Department of Corrections for a period of not less than three (3) years nor more than ten (10) years, or by a fine of not more than Twenty Thousand Dollars (\$20,000.00), or by both such fine and imprisonment. The provisions of Section 51.1 of this title shall apply to any second or subsequent conviction of a violation of this subsection. As used in this subsection, "strangulation" means any form of asphyxia; including, but not limited to, asphyxia characterized by closure of the blood vessels or air passages of the neck as a result of external pressure on the neck or the closure of the nostrils or mouth as a result of external pressure on the head.

K. Any district court of this state and any judge thereof shall be immune from any liability or prosecution for issuing an order that requires a defendant to:

1. Attend a treatment program for domestic abusers certified by the Attorney General;

2. Attend counseling or treatment services ordered as part of any suspended or deferred sentence or probation; and

3. Attend, complete, and be evaluated before and after attendance by a treatment program for domestic abusers, certified by the Attorney General.

L. There shall be no charge of fees or costs to any victim of domestic violence, stalking, or sexual assault in connection with the prosecution of a domestic violence, stalking, or sexual assault offense in this state.

M. In the course of prosecuting any charge of domestic abuse, stalking, harassment, rape, or violation of a protective order, the prosecutor shall provide the court, prior to sentencing or any plea agreement, a local history and any other available history of past convictions of the defendant within the last ten (10) years relating to domestic abuse, stalking, harassment, rape, violation of a protective order, or any other violent misdemeanor or felony convictions.

N. Any plea of guilty or finding of guilt for a violation of subsection C, F, G, I or J of this section shall constitute a conviction of the offense for the purpose of this act or any other criminal statute under which the existence of a prior conviction is relevant for a period of ten (10) years following the completion of any court imposed probationary term; provided, the person has not, in the meantime, been convicted of a misdemeanor involving moral turpitude or a felony.

O. For purposes of subsection F of this section, "great bodily injury" means bone fracture, protracted and obvious disfigurement, protracted loss or impairment of the function of a body part, organ or mental faculty, or substantial risk of death.

P. Any pleas of guilty or nolo contendere or finding of guilt to a violation of any provision of this section shall constitute a conviction of the offense for the purpose of any subsection of this section under which the existence of a prior conviction is relevant for a period of ten (10) years following the completion of any sentence or court imposed probationary term.

- c. To investigate the effectiveness of additional batterers' intervention models, the Attorney General, beginning February 1, 2026, may certify two pilot batterers' intervention programs for a period of thirty-six (36) months located in Oklahoma and Tulsa Counties. Proposals for certification as a pilot batterers' intervention program may be approved only if made by an organization that was dually certified as a batterers' intervention program and a domestic violence and sexual assault program on or before January 1, 2025, or by an organization certified as a batterers' intervention program on or before January 1, 2025, pursuant to a written agreement with an organization certified as a domestic violence and sexual assault program on or before January 1, 2025. The counseling may be ordered in addition to the treatment of domestic abuse or per evaluation as set forth below. If, after sufficient evaluation and attendance at required treatment sessions, the domestic violence treatment program determines that the defendant does not evaluate as a perpetrator of domestic violence or does evaluate as a perpetrator of domestic violence and should complete other programs of treatment simultaneously or prior to or subsequent to domestic violence treatment, including but not limited to programs related to the mental health, apparent substance or alcohol abuse or inability or refusal to manage anger, the defendant shall be ordered to complete the counseling as per the recommendations of the domestic violence treatment program;
3. a. The court shall set a review hearing no more than one hundred twenty (120) days after the defendant is ordered to undergo treatment for domestic abuse to assure the attendance and compliance of the defendant with the provisions of this subsection. Such proof shall be presented to the court by the defendant no later than one hundred twenty (120) days after the defendant is ordered to such treatment. At such time, the court may complete sentencing, beginning the period of the sentence from the date that proof of enrollment is presented to the court, and schedule reviews as required by subparagraphs a and b of this paragraph and paragraphs 4 and 5 of this subsection. Three unexcused absences in succession or seven unexcused absences in a period of fifty-two (52) weeks from any court-ordered treatment program shall be prima facie evidence of the violation of the conditions of probation for the district attorney to seek acceleration or revocation of any probation entered by the court.

- b. The court shall set a second review hearing after the completion of the treatment to assure the attendance and compliance of the defendant with the provisions of this subsection and the treatment requirements. The court shall retain continuing jurisdiction over the defendant during the course of ordered counseling through the final review hearing;

4. The court may set subsequent or other review hearings as the court determines necessary to assure the defendant attends and fully complies with the provisions of this subsection and the treatment requirements;

5. At any review hearing, if the defendant is not satisfactorily attending a treatment program or is not in compliance with treatment requirements, the court may order the defendant to further or continue treatment or other necessary services. The court may revoke all or any part of a suspended sentence, deferred sentence, or probation pursuant to Section 991b of Title 22 of the Oklahoma Statutes and subject the defendant to any or all remaining portions of the original sentence;

6. At the first review hearing, the court shall require the defendant to appear in court. Thereafter, for any subsequent review hearings, the court may accept a report on the progress of the defendant from the treatment program. There shall be no requirement for the victim to attend review hearings; and

7. If funding is available, a referee may be appointed and assigned by the presiding judge of the district court to hear designated cases set for review under this subsection. the same manner and procedure as set forth in Sections 1-8-103 and 2-2-702 of Title 10A of the Oklahoma Statutes pertaining to referees appointed in juvenile proceedings.

K. Any district court of this state and any judge thereof shall be immune from any liability or prosecution for issuing an order that requires a defendant to:

1. Attend a treatment program for domestic abusers certified by the Attorney General;

2. Attend counseling or treatment services ordered as part of any suspended or deferred sentence or probation; and

3. Attend, complete, and be evaluated before and after attendance by a treatment program for domestic abusers, certified by the Attorney General.

§21-701.10. Sentencing proceeding - Murder in the first degree - State seeking death penalty.

A. Upon conviction or adjudication of guilt of a defendant of murder in the first degree, wherein the state is seeking the death penalty, the court shall conduct a separate sentencing proceeding to determine whether the defendant should be sentenced to death, life imprisonment without parole or life imprisonment. The proceeding shall be conducted by the trial judge before the same trial jury as soon as practicable without presentence investigation.

B. If the trial jury has been waived by the defendant and the state, or if the defendant pleaded guilty or nolo contendere, the sentencing proceeding shall be conducted before the court.

C. In the sentencing proceeding, evidence may be presented as to any mitigating circumstances or as to any of the aggravating circumstances enumerated in Section 701.7 et seq. of this title. Only such evidence in aggravation as the state has made known to the defendant prior to his trial shall be admissible. In addition, the state may introduce evidence about the victim and about the impact of the murder on the family of the victim.

§21-701.10-1. Sentencing proceeding - Murder in the first degree - Life imprisonment.

A. Upon conviction or adjudication of guilt of a defendant of murder in the first degree, wherein the state is not seeking the death penalty but has alleged that the defendant has prior felony convictions, the court shall conduct a separate sentencing proceeding to determine whether the defendant should be sentenced to life imprisonment without parole or life imprisonment, wherein the state shall be given the opportunity to prove any prior felony convictions beyond a reasonable doubt. The proceeding shall be conducted by the trial judge before the same trial jury as soon as practicable without presentence investigation.

B. If the trial jury has been waived by the defendant and the state, or if the defendant pleaded guilty or nolo contendere, the sentencing proceeding shall be conducted before the court.

§21-701.10a. Sentencing proceeding on remand - Murder in the first degree - Admissibility of evidence.

Notwithstanding subsection A of Section 701.10 of this title, which requires that the same jury sit in the sentencing phase of a capital murder trial, the following shall apply:

1. Upon any appeal by the defendant where the sentence is of death, the appellate court, if it finds prejudicial error in the sentencing proceeding only, may set aside the sentence of death and remand the case to the trial court in the jurisdiction in which the defendant was originally sentenced. No error in the sentencing proceeding shall result in the reversal of the conviction for a capital felony. When a capital case is remanded after vacation of a death sentence, the prosecutor may:

- a. move the trial court to impose any sentence authorized by law at the time of the commission of the crime, which the trial court shall impose after a non-jury sentencing proceeding, provided, the original sentencing proceeding was conducted before the court or the original sentencing proceeding was conducted before a jury and both the defendant and the state waive jury sentencing after remand; or
- b. move the trial court to impanel a new sentencing jury who shall determine the sentence of the defendant, which may be any sentence authorized by law at the time of the commission of the crime, provided, the original sentencing proceeding was conducted before a jury;

2. If the prosecutor elects to utilize the procedure provided in paragraph b of subsection 1 of this section, the trial court shall impanel a new jury for the purpose of conducting new sentencing proceedings;

3. Resentencing proceedings shall be governed by the provisions of Sections 701.10, 701.11 and 701.12 of this title;

4. All exhibits and a transcript of all testimony and other evidence properly admitted in the prior trial and sentencing shall be admissible in the new sentencing proceeding; additional relevant evidence may be admitted including testimony of witnesses who testified at the previous trial;

5. The provisions of this section are procedural and shall apply retroactively to any defendant sentenced to death;

6. This section shall not be construed to amend the provisions of Section 701.10 of this title, requiring the same jury to sit in both the guilt and sentencing phases of the original trial.

§21-701.10b. Death sentence prohibited for defendants who were intellectually disabled prior to age 18 - Sentencing proceedings.

A. For purposes of this section:

1. "Intellectual disability" or "intellectually disabled" means significantly subaverage general intellectual functioning, existing concurrently with significant limitations in adaptive functioning;

2. "Significant limitations in adaptive functioning" means significant limitations in two or more of the following adaptive skill areas: communication, self-care, home living, social skills, community use, self-direction, health, safety, functional academics, leisure skills and work skills; and

3. "Significantly subaverage general intellectual functioning" means an intelligence quotient of seventy (70) or below.

B. Regardless of any provision of law to the contrary, no defendant who is intellectually disabled shall be sentenced to death; provided, however, the onset of the intellectual disability must have been manifested before the defendant attained the age of eighteen (18) years.

C. The defendant has the burden of production and persuasion to demonstrate intellectual disability by showing significantly subaverage general intellectual functioning, significant limitations in adaptive functioning, and that the onset of the intellectual disability was manifested before the age of eighteen (18) years. An intelligence quotient of seventy (70) or below on an individually administered, scientifically recognized standardized intelligence quotient test administered by a licensed psychiatrist or psychologist is evidence of significantly subaverage general intellectual functioning; however, it is not sufficient without evidence of significant limitations in adaptive functioning and without evidence of manifestation before the age of eighteen (18) years. In determining the intelligence quotient, the standard measurement of error for the test administered shall be taken into account.

However, in no event shall a defendant who has received an intelligence quotient of seventy-six (76) or above on any individually administered, scientifically recognized, standardized intelligence quotient test administered by a licensed psychiatrist or psychologist, be considered intellectually disabled and, thus, shall not be subject to any proceedings under this section.

D. A defendant charged with capital murder who intends to raise an intellectual disability as a bar to the death sentence shall provide to the state notice of such intention at least ninety (90) days after formal arraignment or within ninety (90) days after the filing of a bill of particulars, whichever is later. The notice shall include a brief but detailed statement specifying the witnesses, nature and type of evidence sought to be introduced. The

notice must demonstrate sufficient facts that demonstrate a good-faith belief as to the intellectual disability of the defendant.

E. The district court shall conduct an evidentiary hearing to determine whether the defendant is intellectually disabled. If the court determines, by clear and convincing evidence, that the defendant is intellectually disabled, the defendant, if convicted, shall be sentenced to life imprisonment or life without parole. If the district court determines that the defendant is not intellectually disabled, the capital trial of the offense may proceed. A request for a hearing under this section shall not waive entitlement by the defendant to submit the issue of an intellectual disability to a jury during the sentencing phase in a capital trial if convicted of an offense punishable by death. The court's determination on the issue of an intellectual disability shall not be the subject of an interlocutory appeal.

F. The court shall submit a special issue to the jury as to whether the defendant is intellectually disabled. This special issue shall be considered and answered by the jury during the sentencing stage and prior to the determination of sentence. If the jury unanimously determines that the defendant is intellectually disabled, the defendant may only be sentenced to life imprisonment or life without parole. The defendant has the burden of production and persuasion to demonstrate an intellectual disability to the jury by a preponderance of the evidence.

G. If the jury determines that the defendant is not intellectually disabled or is unable to reach a unanimous decision, the jury shall proceed to determine the existence of aggravating and mitigating factors in determining whether the sentence of death shall be imposed. In those deliberations, the jury may consider any evidence of an intellectual disability as a mitigating factor in sentencing the defendant.

H. If the jury determines that the defendant is not intellectually disabled and imposes a death sentence, the trial court shall make findings of fact and conclusions of law relating to the issue of whether the determination on the issue of an intellectual disability was made under the influence of passion, prejudice, or any other arbitrary factor. The findings shall be attached as an exhibit to the report of the trial judge required under Section 701.13 of Title 21 of the Oklahoma Statutes. If the trial court finds that the determination of an intellectual disability was not supported by the evidence, the issue may be raised on appeal to the Oklahoma Court of Criminal Appeals for consideration as part of its mandatory sentence review.

I. The standard of review for a trier of fact intellectual disability determination shall be whether, after reviewing the evidence in the light most favorable to the state, any rational trier of fact could have found the defendant not intellectually

disabled as defined by this section, giving full deference to the findings of the trier of fact.

J. The court shall give appropriate instructions in those cases in which evidence of the intellectual disability of the defendant requires the consideration by the jury of the provisions of this section.

§21-701.11. Instructions - Jury findings of aggravating circumstance.

In the sentencing proceeding, the statutory instructions as determined by the trial judge to be warranted by the evidence shall be given in the charge and in writing to the jury for its deliberation. The jury, if its verdict be a unanimous recommendation of death, shall designate in writing, signed by the foreman of the jury, the statutory aggravating circumstance or circumstances which it unanimously found beyond a reasonable doubt. In nonjury cases the judge shall make such designation. Unless at least one of the statutory aggravating circumstances enumerated in this act is so found or if it is found that any such aggravating circumstance is outweighed by the finding of one or more mitigating circumstances, the death penalty shall not be imposed. If the jury cannot, within a reasonable time, agree as to punishment, the judge shall dismiss the jury and impose a sentence of imprisonment for life without parole or imprisonment for life.

Nothing in this act shall be construed to impair or abrogate the use of clemency by way of commutation or pardon.

Amended by Laws 1987, c. 96, § 3, eff. Nov. 1, 1987.

§21-701.12. Aggravating circumstances.

Aggravating circumstances shall be:

1. The defendant was previously convicted of a felony involving the use or threat of violence to the person;
2. The defendant knowingly created a great risk of death to more than one person;
3. The person committed the murder for remuneration or the promise of remuneration or employed another to commit the murder for remuneration or the promise of remuneration;
4. The murder was especially heinous, atrocious, or cruel;
5. The murder was committed for the purpose of avoiding or preventing a lawful arrest or prosecution;
6. The murder was committed by a person while serving a sentence of imprisonment on conviction of a felony;

7. The existence of a probability that the defendant would commit criminal acts of violence that would constitute a continuing threat to society; or

8. The victim of the murder was a peace officer as defined by Section 99 of this title, or correctional employee of an institution under the control of the Department of Corrections, and such person was killed while in performance of official duty.

§21-701.13. Death penalty - Review of sentence.

A. Whenever the death penalty is imposed, and upon the judgment becoming final in the trial court, the sentence shall be reviewed on the record by the Oklahoma Court of Criminal Appeals. The court reporter of the trial court shall prepare all transcripts necessary for appeal within six (6) months of the imposition of the sentence.

The clerk of the trial court, within ten (10) days after receiving the transcript, shall transmit the entire record and transcript to the Oklahoma Court of Criminal Appeals together with a notice prepared by the clerk and a report prepared by the trial judge. The notice shall set forth the title and docket number of the case, the name of the defendant and the name and address of his attorney, a narrative statement of the judgment, the offense, and the punishment prescribed. The report shall be in the form of a standard questionnaire prepared and supplied by the Oklahoma Court of Criminal Appeals.

B. The Oklahoma Court of Criminal Appeals shall consider the punishment as well as any errors enumerated by way of appeal.

C. With regard to the sentence, the court shall determine:

1. Whether the sentence of death was imposed under the influence of passion, prejudice, or any other arbitrary factor; and

2. Whether the evidence supports the jury's or judge's finding of a statutory aggravating circumstance as enumerated in Section 701.12 of this title.

D. Both the defendant and the state shall have the right to submit briefs within the time provided by the court, and to present oral argument to the court. The defendant shall have one hundred twenty (120) days from the date of receipt by the court of the record, transcript notice, and report provided for in subsection A of this section, in which to submit a brief. The state shall have sixty (60) days from the date of filing of the defendant's brief to file a reply brief. The defendant may file a reply brief within a time period established by the court, however the receipt of the reply brief, the hearing of oral arguments, and the rendering of a decision by the court all shall be concluded within one (1) year after the date of the filing of the reply brief. If the defendant

or the state fails to submit their respective briefs within the period prescribed by law, the defendant or the state shall transmit a written statement of explanation to the Presiding Judge of the Court of Criminal Appeals who shall have the authority to grant an extension of the time to submit briefs, based upon a showing of just cause. Failure to submit briefs in the required time may be punishable as indirect contempt of court.

E. In addition to its authority regarding correction of errors, the court, with regard to review of death sentences, shall be authorized to:

1. Affirm the sentence of death; or
2. Set the sentence aside and remand the case for resentencing by the trial court.

F. The sentence review shall be in addition to direct appeal, if taken, and the review and appeal shall be consolidated for consideration. The court shall render its decision on legal errors enumerated, the factual substantiation of the verdict, and the validity of the sentence.

G. If the court reporter of the trial court fails to complete preparation of the transcripts necessary for appeal within the six-month period required by the provisions of subsection A of this section, the court reporter shall transmit a written statement of explanation of such failure to the Chief Justice of the Oklahoma Supreme Court, the Presiding Judge of the Court of Criminal Appeals, and the Administrative Director of the Courts. The Court of Criminal Appeals shall have the authority to grant an extension of the time for filing the transcripts, based upon a showing of just cause. Failure to complete the transcripts in the required time may be punishable as indirect contempt of court and except for just cause shown may result in revocation of the license of the court reporter.

§21-776. Publication, what constitutes.

To sustain the charge of publishing libel it is not needful that the words complained of should have been read by any person; it is enough and sufficient evidence that the accused knowingly parted with the immediate custody of the libel under circumstances which exposed it to be read by any person other than himself.

R.L.1910, § 2385.

A. A person who is the parent, guardian, or person having custody or control over a child as defined in Section 1-1-105 of

1. The decedent, provided the decedent has entered into a pre-need funeral services contract or executed a written document that meets the requirements of the State of Oklahoma;

2. A representative appointed by the decedent by means of an executed and witnessed written document meeting the requirements of the State of Oklahoma;

3. The surviving spouse;

§21-1158a. Court authority to award the right of disposition of body of decedent.

The district court for the county where the decedent resided may award the right of disposition to the person determined by the court to be the most fit and appropriate to carry out the right of disposition, and may make decisions regarding the remains of the decedent if those sharing the right of disposition cannot agree. The following provisions shall apply to the determination of the court under this section:

1. If the persons holding the right of disposition are two or more persons with the same relationship to the decedent and cannot, by majority vote, make a decision regarding the disposition of the remains of the decedent, any of the persons or a funeral director with custody of the remains may file a petition asking the district court to make a determination in the matter;

2. In making a determination under this section, the district court shall consider the following:

- a. the reasonableness and practicality of the proposed funeral arrangements and disposition,
- b. the degree of the personal relationship between the decedent and each person claiming the right of disposition,
- c. the desires of the person or persons who are ready, willing and able to pay the cost of the funeral arrangements and disposition,
- d. the convenience and needs of other families and friends wishing to pay respects,
- e. the desires of the decedent, and
- f. the degree to which the funeral arrangements would allow maximum participation by all wishing to pay respect;

3. In the event of a dispute regarding the right of disposition, a funeral director shall not be liable for refusing to accept the remains or to inter or otherwise dispose of the remains of the decedent or complete the arrangements for the final disposition of the remains until the funeral director receives a court order or other written agreement signed by the parties in the disagreement that decides the final disposition of the remains. If the funeral director retains the remains for final disposition while the parties are in disagreement, the funeral director may embalm, refrigerate, or shelter the body in order to preserve it while awaiting the final decision of the district court and may add the cost of embalming, refrigeration or sheltering to the final disposition costs. If a funeral director brings an action under this section, the funeral director may add the legal fees and court costs associated with a petition under this section to the cost of final disposition. This section shall not be construed to require or to impose a duty on a funeral director to bring an action under this section. A funeral director shall not be held criminally or civilly liable for choosing not to bring an action under this section; and

4. Except to the degree it may be considered by the district court under subparagraph c of paragraph 2 of this section, the fact that a person has paid or agreed to pay for all or part of the funeral arrangements and final disposition does not give that person a greater right to the right of disposition than the person would otherwise have. The personal representative of the estate of the decedent does not, by virtue of being the personal representative, have a greater claim to the right of disposition than the person would otherwise have.

A funeral establishment shall have the right to rely on such funeral service contract or authorization and shall have the authority to carry out the instructions of the person or persons who the funeral director reasonably believes holds the right of disposition. The funeral director shall have no responsibility to contact or to independently investigate the existence of any next of kin or relative of the decedent. If there is more than one person in a class who are equal in priority and the funeral director has no knowledge of any objection by other members of such class, the funeral director shall

be entitled to rely on and act according to the instructions of the first person in the class to make funeral and disposition arrangements; provided that no other person in such class provides written notice of objections to the funeral director.

1. a. The person against whom the defensive force was used was in the process of unlawfully and forcefully entering, or had unlawfully and forcibly entered, a dwelling, residence, occupied vehicle, place of business, occupied premises, or place of worship, or

if that person had removed or was attempting to remove another against the will of that person from the dwelling, residence, occupied vehicle, place of business, occupied premises, or place of worship.

C. The presumption set forth in subsection B of this section does not apply if:

1. The person against whom the defensive force is used has the right to be in or is a lawful resident of the dwelling, residence, or vehicle, such as an owner, lessee, or titleholder, and there is not a protective order from domestic violence in effect or a written pretrial supervision order of no contact against that person;

J. A person pointing a weapon at a perpetrator in self-defense or in order to thwart, stop or deter a forcible felony or attempted forcible felony shall not be deemed guilty of committing a criminal act.

K. 1. The defensive display of a firearm or other deadly weapon by a person is justified when and to the extent a reasonable person believes that physical force is immediately necessary to protect himself, herself, or another person against the use or attempted use of unlawful physical or deadly force by a person, premises owner or controller in self-defense, or in defense of real or private property, located on any premises, owned, rented, leased, or occupied by permission of the premises owner or controller, whether or not a person is in possession of a valid handgun license issued pursuant to the provisions of the Oklahoma Self-Defense Act, and shall not be deemed a criminal act.

1. An eligible person may request an application packet for a handgun license from the Oklahoma State Bureau of Investigation or the county sheriff's office either in person or by mail. The Bureau may provide application packets to each sheriff not exceeding two hundred packets per request. The Bureau shall provide the following information in the application packet:

No duplicate, copy, facsimile or other reproduction of the certificate of training, certificate of competency and qualification or exemption from training certificate shall be acceptable as proof of training as required by the provisions of the Oklahoma Self-Defense Act;

3. The application form shall be completed and delivered by the applicant, in person, to the sheriff of the county wherein the applicant resides;

4. The person shall deliver to the sheriff at the time of delivery of the completed application form a fee of One Hundred Dollars (\$100.00) for processing the application through the Oklahoma State Bureau of Investigation and processing the required fingerprints through the Federal Bureau of Investigation. The processing fee shall be in the form of:

- b. a nationally recognized credit card issued to the applicant. For purposes of this paragraph, "nationally recognized credit card" means any instrument or device, whether known as a credit card, credit plate, charge plate, or by any other name, issued with or without fee by the issuer for the use of the cardholder in obtaining goods, services, or anything else of value on credit which is accepted by over one thousand merchants in the state. The Oklahoma State Bureau of Investigation shall determine which nationally recognized credit cards will be accepted by the Bureau, or
- c. electronic funds transfer.

Any person paying application fees to the Oklahoma State Bureau of Investigation by means of a nationally recognized credit card or by means of an electronic funds transfer shall be required to complete and submit his or her application through the online application process of the Bureau.

The processing fee shall not be refundable in the event of a denial of a handgun license or any suspension or revocation subsequent to the issuance of a license. Persons making application for a firearms instructor shall not be required to pay the application fee as provided in this section, but shall be required to pay the costs provided in paragraphs 6 and 8 of this subsection;

5. The completed application form shall be signed by the applicant in person before the sheriff. The signature shall be given voluntarily upon a sworn oath that the person knows the contents of the application and that the information contained in the application is true and correct. Any person making any false or misleading statement on an application for a handgun license shall, upon conviction, be guilty of perjury as defined by Section 491 of

this title. Any conviction shall be punished as provided in Section 500 of this title. In addition to a criminal conviction, the person shall be denied the right to have a handgun license pursuant to the provisions of Section 1290.10 of this title and the Oklahoma State Bureau of Investigation shall revoke the handgun license, if issued;

6. Two passport-size photographs of the applicant shall be submitted with the completed application. The cost of the photographs shall be the responsibility of the applicant. The sheriff is authorized to take the photograph of the applicant for purposes of the Oklahoma Self-Defense Act and, if such photographs are taken by the sheriff, the cost of the photographs shall not exceed Ten Dollars (\$10.00) for the two photos. All money received by the sheriff from photographing applicants pursuant to the provisions of this paragraph shall be retained by the sheriff and deposited into the Sheriff's Service Fee Account;

7. The sheriff shall witness the signature of the applicant and review or take the photographs of the applicant and shall verify that the person making application for a handgun license is the same person in the photographs submitted and the same person who signed the application form. Proof of a valid Oklahoma driver license with a photograph of the applicant or an Oklahoma state photo identification for the applicant shall be required to be presented by the applicant to the sheriff for verification of the person's identity;

8. Upon verification of the identity of the applicant, the sheriff shall take two complete sets of fingerprints of the applicant. Both sets of fingerprints shall be submitted by the sheriff with the completed application, certificate of training, certificate of competency and qualification or an exemption from training certificate, photographs and processing fee to the Oklahoma State Bureau of Investigation within fourteen (14) days of taking the fingerprints. The cost of the fingerprints shall be paid by the applicant. The sheriff may charge a fee of up to Twenty-five Dollars (\$25.00) for the two sets of fingerprints. All fees collected by the sheriff from taking fingerprints pursuant to the provisions of this paragraph shall be retained by the sheriff and deposited into the Sheriff's Service Fee Account;

The sheriff shall submit to the Oklahoma State Bureau of Investigation within the fourteen-day period, together with the completed application, including the certificate of training, certificate of competency and qualification, exemption from training certificate, photographs, processing fee and legible fingerprints meeting the Oklahoma State Bureau of Investigation's Automated Fingerprint Identification System (AFIS) submission standards, and a report of information deemed pertinent to an investigation of the applicant for a handgun license. The sheriff shall make a preliminary investigation of pertinent information about the

applicant and the court clerk shall assist the sheriff in locating pertinent information in court records for this purpose. If no pertinent information is found to exist either for or against the applicant, the sheriff shall so indicate in the report;

10. The Oklahoma State Bureau of Investigation, upon receipt of the application and required information from the sheriff, shall forward one full set of fingerprints of the applicant to the Federal Bureau of Investigation for a national criminal history records search. The cost of processing the fingerprints nationally shall be paid from the processing fee collected by the Oklahoma State Bureau of Investigation;

11. Notwithstanding the provisions of the Oklahoma Self-Defense Act, or any other provisions of law, any person who has been granted a permanent victim protective order by the court, as provided for in the Protection from Domestic Abuse Act, may be issued a temporary handgun license for a period not to exceed six (6) months. A temporary handgun license may be issued if the person has successfully passed the required weapons course, completed the application process for the handgun license, passed the preliminary investigation by the sheriff and court clerk, and provided the sheriff proof of a certified permanent victim protective order and a valid Oklahoma state photo identification card or driver license. The sheriff shall issue a temporary handgun license on a form approved by the Oklahoma State Bureau of Investigation, at no cost. Any person who has been issued a temporary license shall carry the temporary handgun license and a valid Oklahoma state photo identification on his or her person at all times, and shall be subject to all the requirements of the Oklahoma Self-Defense Act when carrying a handgun. The person may proceed with the handgun licensing process. In the event the victim protective order is no longer enforceable, the temporary handgun license shall cease to be valid;

12. The Oklahoma State Bureau of Investigation shall make a reasonable effort to investigate the information submitted by the applicant and the sheriff to ascertain whether or not the issuance of a handgun license would be in violation of the provisions of the Oklahoma Self-Defense Act. The investigation by the Bureau of an applicant shall include, but shall not be limited to: a statewide criminal history records search, a national criminal history records search, a Federal Bureau of Investigation fingerprint search, a check of the National Instant Criminal Background Check System (NICS), an Immigration Alien Query (IAQ) for non-United-States citizens and, if applicable, an investigation of medical records or other records or information deemed by the Bureau to be relevant to the application.

- a. In the course of the investigation by the Bureau, it shall present the name of the applicant along with any

known aliases, the address of the applicant and the Social Security number of the applicant to the Department of Mental Health and Substance Abuse Services. The Department of Mental Health and Substance Abuse Services shall respond within ten (10) days of receiving such information to the Bureau as follows:

- (1) with a "Yes" answer, if the records of the Department indicate that the person was involuntarily committed to a mental institution in Oklahoma,
 - (2) with a "No" answer, if there are no records indicating the name of the person as a person involuntarily committed to a mental institution in Oklahoma, or
 - (3) with an "Inconclusive" answer if the records of the Department suggest the applicant may be a formerly committed person. In the case of an inconclusive answer, the Bureau shall ask the applicant whether he or she was involuntarily committed. If the applicant states under penalty of perjury that he or she has not been involuntarily committed, the Bureau shall continue processing the application for a license.
- b. In the course of the investigation by the Bureau, it shall check the name of any applicant who is twenty-eight (28) years of age or younger along with any known aliases, the address of the applicant and the Social Security number of the applicant against the records in the Juvenile Online Tracking System (JOLTS) of the Office of Juvenile Affairs. The Office of Juvenile Affairs shall provide the Bureau direct access to check the applicant against the records available on JOLTS:
- (1) if the Bureau finds a record on JOLTS that indicates the person was adjudicated a delinquent for an offense that would constitute a felony offense if committed by an adult within the last ten (10) years, the Bureau shall deny the license,
 - (2) if the Bureau finds no record on JOLTS indicating the named person was adjudicated delinquent for an offense that would constitute a felony offense if committed by an adult within the last ten (10) years, the Bureau shall continue processing the application for a license, or

- (3) if the records suggest the applicant may have been adjudicated delinquent for an offense that would constitute a felony offense if committed by an adult but such record is inconclusive, the Bureau shall ask the applicant whether he or she was adjudicated a delinquent for an offense that would constitute a felony offense if committed by an adult within the last ten (10) years. If the applicant states under penalty of perjury that he or she was not adjudicated a delinquent within ten (10) years, the Bureau shall continue processing the application for a license; and

13. If the background check set forth in paragraph 12 of this subsection reveals no records pertaining to the applicant, the Oklahoma State Bureau of Investigation shall either issue a handgun license or deny the application within sixty (60) days of the date of receipt of the applicant's completed application and the required information from the sheriff. In all other cases, the Oklahoma State Bureau of Investigation shall either issue a handgun license or deny the application within ninety (90) days of the date of the receipt of the applicant's completed application and the required information from the sheriff. The Bureau shall deny a license when the applicant fails to properly complete the application form or application process or, based on the background check set forth in paragraph 12 of this subsection, is determined not to be eligible as specified by the provisions of Section 1290.9, 1290.10 or 1290.11 of this title. The Bureau shall approve an application in all other cases. If an application is denied, the Bureau shall notify the applicant in writing of its decision. The notification shall state the grounds for the denial and inform the applicant of the right to an appeal as may be provided by the provisions of the Administrative Procedures Act. All notices of denial shall be mailed by first-class mail to the address of the applicant listed in the application. Within sixty (60) calendar days from the date of mailing a denial of application to an applicant, the applicant shall notify the Bureau in writing of the intent to appeal the decision of denial or the right of the applicant to appeal shall be deemed waived. Any administrative hearing on a denial which may be provided shall be conducted by a hearing examiner appointed by the Bureau. The decision of the hearing examiner shall be a final decision appealable to a district court in accordance with the Administrative Procedures Act. When an application is approved, the Bureau shall issue the license and shall mail the license by first-class mail to the address of the applicant listed in the application.

B. Nothing contained in any provision of the Oklahoma Self-Defense Act shall be construed to require or authorize the

registration, documentation or providing of serial numbers with regard to any firearm. For purposes of the Oklahoma Self-Defense Act, the sheriff may designate a person to receive, fingerprint, photograph or otherwise process applications for handgun licenses. SAFETY AND TRAINING COURSE

A. Each applicant for a license to carry a concealed or unconcealed handgun pursuant to the Oklahoma Self-Defense Act must successfully complete a firearms safety and training course in this state conducted by a registered and approved firearms instructor as provided by the provisions of this section or from an interactive online firearms safety and training course available electronically via the Internet approved and certified by the Council on Law Enforcement Education and Training. The applicant must further demonstrate competence and qualification with an authorized pistol to carry as a concealed or unconcealed handgun pursuant to the provisions of the Oklahoma Self-Defense Act, except certain persons may be exempt from such training requirement as provided by the provisions of Section 1290.15 of this title.

B. The Council on Law Enforcement Education and Training (CLEET) shall establish criteria for approving firearms instructors and interactive online firearms safety and training courses available electronically via the Internet for purposes of training and qualifying individuals for a handgun license pursuant to the provisions of the Oklahoma Self-Defense Act. Prior to submitting an application for CLEET approval as a firearms instructor, applicants shall attend a firearms instructor school, meeting the following minimum requirements:

1. Firearms instructor training conducted by one of the following entities:
 - a. Council on Law Enforcement Education and Training,
 - b. National Rifle Association,
 - c. Oklahoma Rifle Association,
 - d. federal law enforcement agencies, or
 - e. other professionally recognized organizations;
2. The course shall be at least sixteen (16) hours in length;
3. Upon completion of the course, the applicant shall be qualified to provide instruction on pistols; and
4. Receive a course completion certificate.

All firearms instructors shall be required to meet the eligibility requirements for a handgun license as provided in

Sections 1290.9, 1290.10, and 1290.11 of this title and the application shall be processed as provided for applicants in Section 1290.12 of this title, including the state and national criminal history records search and fingerprint search. A firearms instructor shall be required to pay a fee of One Hundred Dollars (\$100.00) to the Council on Law Enforcement Education and Training (CLEET) each time the person makes application for CLEET approval as a firearms instructor pursuant to the provisions of the Oklahoma Self-Defense Act. The fee shall be retained by CLEET and shall be deposited into the Firearms Instructors Revolving Fund. CLEET shall promulgate the rules, forms and procedures necessary to implement the approval of firearms instructors as authorized by the provisions of this subsection. CLEET shall periodically review each approved instructor during a training and qualification course to assure compliance with the rules and course contents. Any violation of the rules may result in the revocation or suspension of CLEET and Oklahoma State Bureau of Investigation approval. Unless the approval has been revoked or suspended, a firearms instructor's CLEET approval shall be for a term of five (5) years. CLEET shall be responsible for notifying all approved firearms instructors of statutory and policy changes related to the Oklahoma Self-Defense Act. A firearms instructor shall not be required to submit his or her fingerprints for a fingerprint search when renewing a firearms instructor's CLEET approval.

C. 1. All firearms instructors approved by CLEET to train and qualify individuals for a handgun license shall be required to apply for registration with the Oklahoma State Bureau of Investigation after receiving CLEET approval. All firearms instructors teaching the approved course for a handgun license must display their registration certificate during each training and qualification course. Each approved firearms instructor shall complete a registration form provided by the Bureau and shall have the option to pay a registration fee of either One Hundred Dollars (\$100.00) for a five-year registration certificate or Two Hundred Dollars (\$200.00) for a ten-year registration certificate to the Bureau at the time of each application for registration, except as provided in paragraph 2 of this subsection. Registration certificates issued by the Bureau shall be valid for a period of five (5) years or ten (10) years from the date of issuance. The Bureau shall issue a five-year or ten-year handgun license to an approved firearms instructor at the time of issuance of a registration certificate and no additional fee shall be required or charged. The Bureau shall maintain a current listing of all registered firearms instructors in this state. Nothing in this paragraph shall be construed to eliminate the requirement for registration and training with CLEET as provided in subsection B of this section. Failure to register or be trained

as required shall result in a revocation or suspension of the instructor certificate by the Bureau.

2. Registered instructors listed in subparagraphs a and b of this paragraph shall not be required to renew the firearms instructor registration certificate with the Oklahoma State Bureau of Investigation at the expiration of the registration term, provided the instructor is not subject to any suspension or revocation of the firearms instructor certificate. The firearms instructor registration with the Oklahoma State Bureau of Investigation shall automatically renew together with the handgun license authorized in paragraph 1 of this subsection for an additional five-year term and no additional cost or fee may be charged for the following individuals:

- a. an active duty law enforcement officer of this state or any of its political subdivisions or of the federal government who has a valid CLEET approval as a firearms instructor pursuant to the Oklahoma Self-Defense Act, and
- b. a retired law enforcement officer authorized to carry a firearm pursuant to Section 1289.8 of this title who has a valid CLEET approval as a firearms instructor pursuant to the Oklahoma Self-Defense Act.

D. The Oklahoma State Bureau of Investigation shall approve registration for a firearms instructor applicant who is in full compliance with CLEET rules regarding firearms instructors and the provisions of subsection B of this section, if completion of the federal fingerprint search is the only reason for delay of registration of that firearms instructor applicant. Upon receipt of the federal fingerprint search information, if the Bureau receives information which precludes the person from having a handgun license, the Bureau shall revoke both the registration and the handgun license previously issued to the firearms instructor.

E. The required firearms safety and training course and the actual demonstration of competency and qualification required of the applicant shall be designed and conducted in such a manner that the course can be reasonably completed by the applicant within an eight-hour period. CLEET shall establish the course content and promulgate rules, procedures and forms necessary to implement the provisions of this subsection. For the training and qualification course, an applicant may be charged a fee which shall be determined by the instructor or entity that is conducting the course. The maximum class size shall be determined by the instructor conducting the course; provided, however, practice shooting sessions shall not have more than ten participating students at one time. CLEET may establish criteria for assistant instructors and any other requirements deemed necessary to conduct a safe and effective training and qualification course. The course content shall include

a safety inspection of the firearm to be used by the applicant in the training course; instruction on pistol handling, safety and storage; dynamics of ammunition and firing; methods or positions for firing a pistol; information about the criminal provisions of the Oklahoma law relating to firearms; the requirements of the Oklahoma Self-Defense Act as it relates to the applicant; self-defense and the use of appropriate force; a practice shooting session; and a familiarization course. The firearms instructor shall refuse to train or qualify any person when the pistol to be used or carried by the person is either deemed unsafe or unfit for firing or is a weapon not authorized by the Oklahoma Self-Defense Act. The course shall provide an opportunity for the applicant to qualify himself or herself with a pistol; provided, no pistol shall be capable of firing larger than .45 caliber ammunition. Any applicant who successfully trains and qualifies himself or herself with a pistol shall be approved by the firearms instructor on the training certificate. Upon successful completion of the training and qualification course, a certificate of training and a certificate of competency and qualification shall be issued to each applicant who successfully completes the course. The certificate of training and certificate of competency and qualification shall comply with the forms established by CLEET and shall be submitted with an application for a handgun license pursuant to the provisions of paragraph 2 of subsection A of Section 1290.12 of this title. The certificate of training and certificate of competency and qualification issued to an applicant shall be valid for a period of three (3) years.

F. There is hereby created a revolving fund for the Council on Law Enforcement Education and Training (CLEET), to be designated the "Firearms Instructors Revolving Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all funds received for approval of firearms instructors for purposes of the Oklahoma Self-Defense Act. All funds received shall be deposited to the fund. All monies accruing to the credit of the fund are hereby appropriated and may be budgeted and expended by the Council on Law Enforcement Education and Training, for implementation of the training and qualification course contents, approval of firearms instructors and any other CLEET requirement pursuant to the provisions of the Oklahoma Self-Defense Act or as may otherwise be deemed appropriate by CLEET. Expenditures from the fund shall be made upon warrants issued by the State Treasurer against claims filed as prescribed by law with the Director of the Office of Management and Enterprise Services for approval and payment.

G. Firearms instructors shall keep on file for a period of not less than three (3) years a roster of each training class, the safety test score of each individual, the caliber and the weapon

each individual used when qualifying and whether or not each individual successfully completed the training course. Firearms instructors shall be authorized to destroy all training documents and records upon expiration of the three-year time period.

§21-1290.16. Statistical report.

STATISTICAL REPORT

By January 15, 1997, and by January 15 of each year thereafter, the Bureau shall submit a statistical report for the preceding calendar year to the Governor, the President Pro Tempore of the Senate, and the Speaker of the House of Representatives, including, but not limited to, data on the numbers of handgun licenses approved and issued and the numbers of licenses suspended, revoked or denied in the following categories: age, sex, race, county and any other category deemed relevant by the Bureau.

Added by Laws 1995, c. 272, § 16, eff. Sept. 1, 1995.

§21-1290.17. Suspension and revocation of license.

SUSPENSION AND REVOCATION OF LICENSE

A. The Oklahoma State Bureau of Investigation shall have authority pursuant to the provisions of the Oklahoma Self-Defense Act and any other provision of law to suspend or revoke any handgun license issued pursuant to the provisions of the Oklahoma Self-Defense Act. A person whose license has been suspended or revoked or against whom a fine has been assessed shall be entitled to an appeal through a hearing in accordance with the Administrative Procedures Act. Any administrative hearing on suspensions, revocations or fines shall be conducted by a hearing examiner appointed by the Bureau. The hearing examiner's decision shall be a final decision appealable to a district court in accordance with the Administrative Procedures Act. After a handgun license has been issued, the discovery of or the occurrence of any condition which directly affects a person's eligibility for a handgun license as provided by the provisions of Section 1290.9 or 1290.10 of this title shall require a revocation of the license by the Bureau. The discovery of or the occurrence of any condition pursuant to Section 1290.11 of this title, after a license has been issued, shall cause

a suspension of the handgun license for a period of time as prescribed for the condition. Any provision of law that requires a revocation of a handgun license upon a conviction shall cause the Bureau to suspend the handgun license upon the discovery of the arrest of the person for such offense until a determination of the criminal case at which time the Bureau shall proceed with the appropriate administrative action. A licensee may voluntarily surrender a license to the Oklahoma State Bureau of Investigation at any time. Such surrender of a handgun license will render the license invalid. Nothing in this section may be interpreted to prevent a subsequent new application for a license. The licensee shall be informed and acknowledge in writing as follows:

1. The licensee understands that the voluntary surrender of the license will not be deemed a suspension or revocation by the Bureau;

2. A voluntary surrender of a license will not be reviewable by a hearing examiner or subject to judicial review under the Administrative Procedures Act; and

3. By surrendering the license, the licensee shall forfeit all fees paid to date.

B. Any handgun license which is subsequently suspended or revoked shall be immediately returned to the Oklahoma State Bureau of Investigation upon notification. Any person refusing or failing to return a license after notification of its suspension or revocation shall, upon conviction, be guilty of a misdemeanor punishable by a fine of not exceeding Five Hundred Dollars (\$500.00), by imprisonment in the county jail for not exceeding six (6) months, or by both such fine and imprisonment. In addition, the person shall be subject to an administrative fine of Five Hundred Dollars (\$500.00), upon a hearing and determination by the Bureau that the person is in violation of the provisions of this subsection.

C. Any law enforcement officer of this state shall confiscate a handgun license in the possession of any person and return it to the Oklahoma State Bureau of Investigation for appropriate administrative proceedings against the licensee when the license is no longer needed as evidence in any criminal proceeding, as follows:

1. Upon the arrest of the person for any felony offense;

2. Upon the arrest of the person for any misdemeanor offense enumerated as a preclusion to a handgun license;

3. For any violation of the provisions of the Oklahoma Self-Defense Act;

4. When the officer has been called to assist or is investigating any situation which would be a preclusion to having a handgun license; or

5. As provided in subsection D of Section 1290.8 of this title.

D. Any administrative fine assessed in accordance with the provisions of the Oklahoma Self-Defense Act shall be paid in full

within thirty (30) days of assessment. The Oklahoma State Bureau of Investigation shall, without a hearing, suspend the handgun license of any person who fails to pay in full any administrative fine assessed against the person in accordance with the provisions of this subsection. The suspension of any handgun license shall be automatic and shall begin thirty (30) days from the date of the assessment of the administrative fine. The suspension shall be removed and the handgun license returned to its prior standing upon payment of the administrative fine being paid in full to the Bureau.

E. Whenever a handgun license has been suspended in accordance with the provisions of this act or the administrative rules of the Bureau promulgated for purposes of this act, the license shall remain under suspension and shall not be reinstated until:

1. The person whose license has been suspended applies for reinstatement in accordance with the administrative rules of the Bureau. The Bureau shall not charge any fee in conjunction with an application for a license reinstatement. The person whose license has been suspended must demonstrate that the condition or preclusion which was the basis for the suspension has lapsed and is no longer in effect; and

2. Any and all administrative fines assessed against the person have been paid in full.

In the event a handgun license expires during the term of the suspension, the person shall be required to apply for renewal of the license in accordance with Section 1290.5 of this title.

§21-1290.25. Legislative intent.

LEGISLATIVE INTENT

The Legislature finds as a matter of public policy and fact that it is necessary to provide statewide uniform standards for carrying concealed or unconcealed firearms for lawful self-defense and self-protection, and further finds it necessary to occupy the field of regulation of the bearing of concealed or unconcealed firearms to ensure that no honest, law-abiding citizen who qualifies pursuant to the provisions of the Oklahoma Self-Defense Act is subjectively or arbitrarily denied his or her rights. The Legislature does not delegate to the Oklahoma State Bureau of Investigation any authority to regulate or restrict the issuing of handgun licenses except as provided by the provisions of the Oklahoma Self-Defense Act. Subjective or arbitrary actions or rules which encumber the issuing process by placing burdens on the applicant beyond those requirements detailed in the provisions of the Oklahoma Self-Defense Act or which create restrictions beyond those specified in the Oklahoma Self-Defense Act are deemed to be in conflict with the

intent of the Oklahoma Self-Defense Act and are hereby prohibited. The Oklahoma Self-Defense Act shall be liberally construed to carry out the constitutional right to bear arms for self-defense and self-protection. The provisions of the Oklahoma Self-Defense Act are cumulative to existing rights to bear arms and nothing in the Oklahoma Self-Defense Act shall impair or diminish those rights.

However, the conditions that mandate the administrative actions of license denial, suspension, revocation or an administrative fine are intended to protect the health, safety and public welfare of the citizens of this state. The restricting conditions specified in the Oklahoma Self-Defense Act generally involve the criminal history, mental state, alcohol or substance abuse of the applicant or licensee, a hazard of domestic violence, a danger to police officers, or the ability of the Oklahoma State Bureau of Investigation to properly administer the Oklahoma Self-Defense Act. The restricting conditions that establish a risk of injury or harm to the public are tailored to reduce the risks to the benefit of the citizens of this state.
