1. I am employed by the Columbia Police Department and am currently assigned to the Criminal Investigations Unit.

2. I make this affidavit in support of a search warrant directed to Verizon for records associated with the cellular telephone number "17186x8424" (the "Target Phone"), believed to be used in connection with violations of state wire fraud statutes.

3. The records sought cover the period from September 24, 2025 through the present date, and include:

- a. Call/text/data detail records, including dialed and received numbers, dates, times, durations, and cell-site/sector information;
- b. Specialized location records, including but not limited to NELOS, RTT, PCMD, TDOA, and E9-1-1 location data;
- c. Electronically stored communications and files maintained in any associated cloud account, including messages, images, documents, and contact lists.

4. PROBABLE CAUSE:

On December 20, 2025, this department received a complaint regarding burglary. Investigation revealed that the Target Phone was used to facilitate the criminal activity. The requested records are necessary to establish the identity of the suspect, establish a timeline of events, and identify co-conspirators.

IT IS FURTHER ORDERED that the provider shall not disclose the existence of this warrant, or the investigation described herein, to the subscriber or any other unauthorized person for a period of ninety (90) days from the date of this order, unless extended by further order of this Court.

Respectfully submitted,
